A Heritage of Hypocrisy Holliston Perni,2005-10 In the dark says since the attack on the World Trade Center the question that many Americans have asked is Why Why do they hate us as they do Is it as our leaders would have us believe because they hate our freedom To understand what others find objectionable in us we must take a long and brutally honest view of how we act versus what we like to say about ourselves The facts as this book demonstrates are incontrovertible Our history is an unbroken progression of atrocities betrayals of trust and abuses of the rule of law both to our global neighbors as well as our own citizens Since the arrival of the first settlers we have cheated and swindled committed the most sweeping genocide in history 100 000 000 members of the indigenous populations attacked civilian populations with nuclear weapons promoted conflicts at home and abroad supported brutal right wing regimes bullied those weaker than us and performed gruesome experiments on the most defenseless of our own citizens poor southern blacks retarded teens and pregnant women These sadly are the facts and are what others see when we say our proud slogans about peace and promoting democracy But who among us is actually responsible for this ignominious state of affairs As Perni argues all of these iniquities can be traced to three sources big business fundamentalist right wing Christians whom he characterizes as our own domestic Taliban and a corrupt government that serves the corporations while manipulating the easily swayed voters

In the Name of Democracy Thomas Carothers,2023-11-10 This is the first comprehensive even handed examination of U S policy in Latin America during the Reagan era Drawing on interviews with U S officials and his own perspective as a former State Department lawyer Thomas Carothers sheds new light on the much discussed U S involvements in Nicaragua El Salvador and Panama and turns up varied and often unexpected findings in less studied
