Wallace, 2012 A fresh and moving portrait of Jesus as a

model for how to live more authentic honest and meaningful lives by fully experiencing our emotions in the love of God Many depictions of Jesus show him as a character who coolly and calmly floats above the grit and grime of human existence He doesn't hurt he doesn't fear he doesn't laugh and most tragically he doesn't love very passionately He seems not to feel at all But a closer look at the Bible reveals something surprisingly different In this eye opening spiritual study Peter Wallace examines Jesus's actions rather than just his teachings to uncover a passionate figure who was involved present connected honest and direct with others He was one who was deeply moved as the writer of John's gospel put it one who knew and embodied the emotions he felt and expressed them in honest clear and life giving ways Through Wallace's deeply personal insights and compelling stories and examples you will be encouraged to model this passionate Jesus by building personal authenticity in every area of your own life particularly in your self acceptance and self expression your relationships with others and above all your relationship with God
