Heikki Ikäheimo

Rights Justice The Bounds Of Liberty Essays In Social Philosophy:

Rights, Justice, and the Bounds of Liberty Joel Feinberg, 2014-07-14 This volume of essays by one of America's preeminent philosophers in the area of jurisprudence and moral philosophy gathers together fourteen papers that had been published in widely scattered and not readily accessible sources All of the essays deal with the political ideals of liberty and justice or with hard cases for the application of the concept of a right Originally published in 1980 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Human Duties and the Limits of Human Rights Discourse Eric R. Boot, 2017-10-24 This book demonstrates the importance of a duty based approach to morality The dominance of what has been labeled rights talk leads to the neglect of duties without corresponding rights e g duties of virtue and stimulates the proliferation of questionable human rights Therefore this book argues for a duty based perspective on morality in order to first salvage duties of virtue and second counter the trend of rights proliferation by providing some conceptual clarity concerning rights and duties that will enable us to differentiate between genuine and spurious rights claims The argument for this duty based perspective is made by examining two particularly contentious duties duties to aid the global poor and civic duties These two duties serve as case studies and are explored from the perspectives of political theory jurisprudence and moral philosophy The argument is made that both these duties can only be adequately defined and allocated if we adopt the perspective of duties as the predominant perspective of rights either does not recognize them to be duties at all or else leaves their content and allocation indefinite This renewed focus on duties does not wish to diminish the importance of rights Rather the duty based perspective on morality will strengthen human rights discourse by distinguishing more strictly between genuine and inauthentic rights Furthermore a duty based approach enriches our moral landscape by recognizing both duties of justice and duties of virtue The latter duties are not less important or supererogatory but function as indispensable complements to the duties prescribed by justice In this perceptive and exceptionally lucid book Eric Boot argues that a duty focused approach to morality will remedy the shortcomings he finds in the standard accounts of human rights The study tackles staple philosophical topics such as the contrasts between duties of virtue and duties of justice and imperfect and perfect obligations But more importantly perhaps it also confronts the practical question of what our human rights duties are and how we ought to act on them Boot's book is a splendid example of how philosophy can engage and clarify real world problems Kok Chor Tan Department of Philosophy University of Pennsylvania A lively and enjoyable defence of the importance of our having duties to fellow human beings in severe poverty At a time when global justice has never been more urgent this new book sheds much

needed light Thom Brooks Professor of Law and Government and Head of Durham Law School Durham University

Freedom and Culture in Western Society Hans Blokland, 2019-03-07 Critically examining conceptions of freedom of some of the leading contemporary philosophers from Isaiah Berlin to Charles Taylor Hans Blokland explores the value and significance that freedom has acquired on our political consciousness He looks specifically at positive and negative freedom freedom of the individual freedom and society emancipation and paternalism freedom and cultural politics *Recognition and the Human Life-Form* Heikki Ikäheimo, 2022-07-08 What is recognition and why is it so important This book develops a synoptic conception of the significance of recognition in its many forms for human persons by means of a rational reconstruction and internal critique of classical and contemporary accounts The book begins with a clarification of several fundamental questions concerning recognition It then reconstructs the core ideas of Fichte Hegel Taylor Fraser and Honneth and utilizes the insights and conceptual tools developed across these chapters for developing a case for the universal importance of recognition for humans It argues in favour of a universalist anthropological position unusual in the literature on recognition that aims to construe a philosophically sound basis for a discourse of common humanity or of a shared human life form for which moral relations of recognition are essential This synthetic conception of the importance of recognition provides tools for articulating deep intuitions shared across cultures about what makes human life and forms of human co existence better or worse and thus tools for mutual understanding about the deepest shared concerns of humanity or of what makes us all human persons despite our differences Recognition and the Human Life Form will appeal to readers interested in philosophical anthropology social and political philosophy critical theory and the history of philosophy It also provides ideas and conceptual tools for fields such as anthropology education disability studies international relations law politics religious studies sociology and social research Chapter 5 of this book is available for free in PDF format as Open Access from the individual product page at www.routledge.com It has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Nonsense upon Stilts (Routledge Revivals) Jeremy Waldron, 2014-10-03 In Nonsense upon Stilts first published in 1987 Waldron includes and discusses extracts from three classic critiques of the idea of natural rights embodied in the 1789 Declaration of the Rights of Man and the Citizen Each text is prefaced by an historical introduction and an analysis of its main themes The collection as a whole is introduced with an essay tracing the philosophical background to the three critiques as well as the eighteenth century idea of natural rights which they attacked But the point of reproducing these works is not merely historical Modern attacks on rights based political philosophy mirror the concerns of Bentham Burke and Marx Jeremy Waldron has therefore added an extensive concluding essay which relates these classic texts to the modern discussion of rights and re examines the idea of rights in the light of contemporary critiques This text provides an invaluable teaching tool for courses in politics and philosophy

HIV, AIDS, and Childbearing Ruth R. Faden, Nancy E. Kass, 1996 Whether with whom and when to have children are among the most precious of our private

decisions Increasingly however the interest of others in these decisions raise difficult questions about the role of government and health professionals in influencing reproductive choice Nowhere is this tension felt more keenly than in the context of HIV and AIDS This book takes on the tough issues related to HIV and childbearing Is there a moral right to have children What are the limits of persuasion Are there constitutional constraints on interference with reproduction What are the precedents with restricting the childbearing behavior of women who use drugs The book includes original work by doctors lawyers ethicists and public health professionals Also included are the experiences of HIV infected women and their health care providers Interviews were conducted over a two year period with HIV infected women and with health care providers from four cities to examine what issues of childbearing in the context of HIV mean to them The book is divided into four sections on medical and public health issues legal issues ethical and social issues and comments from the community It concludes with recommendations for clinical practice and public policy Public policy makers health care providers practitioners in bioethics pediatrics health law and obstetrics gynecology will find this book invaluable when dealing with issues related to HIV and childbearing

Conscience in Moral Life Jason J. Howard, 2014-03-19 The notion of conscience remains one of the most widely used moral concepts and a cornerstone of ordinary moral thinking This book explores where this widespread confidence in conscience stems from examining the history of conscience as a moral concept and its characteristic moral phenomenology Jason Howard provides a comprehensive reassessment of the function of conscience in moral life detailing along the way the manifold problems that arise when we believe our conscience is more reliable than is actually warranted The result is a step by step evaluation of our most accepted assumptions Howard goes on to argue from a phenomenological perspective that conscience is indispensable for understanding moral experience He capitalizes on a dialectical perspective developed by Hegel and Ricoeur in which conscience is seen as the recognition of the other and integrates this with work in the philosophy of emotion arguing that conscience is best seen in terms of the function it serves in moderating the moral emotions of shame guilt and pride

Foundations of Liberalism Margaret Moore, 1993-02-18 This book is an original critique of contemporary liberal theories of justice focusing on the problem of how to relate the personal point of view of the individual to the impartial perspective of justice Margaret Moore's examination of prominent contemporary arguments for liberal justice reveals that individualist theories are subject to two serious difficulties the motivation problem and the integrity problem Individualists cannot explain why the individual should be motivated to act in accordance with the dictates of liberal justice and related to this offer radically incoherent accounts of the person Revisionist liberal attempts to ground liberalism in contextual and perfectionist terms offer more defensible foundations but Dr Moore argues that such theories do not support liberal political principles She concludes by sketching a historical and concrete approach to political and ethical theorizing which reformulates the relation between self interest and morality and is not subject to the problems that beset liberal individualist theories of justice Her book advances the debate between

communitarians and liberals about the kind of moral foundation which a liberal society requires *Ethical Competencies for Public Leadership* David Bromell, 2019-10-31 This book identifies six ethical competencies for public leadership in contexts of pluralism While diversity in proximity generates conflict where people want and value different things the right kind of leadership and the right kind of politics can minimise domination humiliation cruelty and violence Written by a public policy advisor for fellow practitioners in politics and public life this book applies political theory and social ethics to identify a set of competencies being civil diplomatic respectful impartial fair and prudent to keep ethics at the centre of a pluralist democratic politics The six competencies are described in behavioural terms as personal resolutions They offer valuable tools for mentoring and professional development This book will appeal to politicians and those who advise them and anyone who engages in or aspires to public leadership whether in the public sector the private sector the community and voluntary sector or academia **Rights and Christian Ethics** Kieran Cronin, 1992 Kieran Cronin helps philosophers and theologians to understand each other's perspectives on rights making this book a significant contribution to Christian ethics and moral philosophy

Rights Justice The Bounds Of Liberty Essays In Social Philosophy Introduction

In today's digital age, the availability of Rights Justice The Bounds Of Liberty Essays In Social Philosophy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rights Justice The Bounds Of Liberty Essays In Social Philosophy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rights Justice The Bounds Of Liberty Essays In Social Philosophy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rights Justice The Bounds Of Liberty Essays In Social Philosophy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rights Justice The Bounds Of Liberty Essays In Social Philosophy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rights Justice The Bounds Of Liberty Essays In Social Philosophy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature,

making it an excellent resource for literature enthusiasts. Another popular platform for Rights Justice The Bounds Of Liberty Essays In Social Philosophy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rights Justice The Bounds Of Liberty Essays In Social Philosophy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rights Justice The Bounds Of Liberty Essays In Social Philosophy books and manuals for download and embark on your journey of knowledge?

FAQs About Rights Justice The Bounds Of Liberty Essays In Social Philosophy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rights Justice The Bounds Of Liberty Essays In Social Philosophy is one of the best book in our library for free trial. We provide copy of Rights Justice The Bounds Of Liberty Essays In Social Philosophy in digital format, so the resources that you find are reliable. There are also

many Ebooks of related with Rights Justice The Bounds Of Liberty Essays In Social Philosophy. Where to download Rights Justice The Bounds Of Liberty Essays In Social Philosophy online for free? Are you looking for Rights Justice The Bounds Of Liberty Essays In Social Philosophy PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Rights Justice The Bounds Of Liberty Essays In Social Philosophy. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Rights Justice The Bounds Of Liberty Essays In Social Philosophy are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Rights Justice The Bounds Of Liberty Essays In Social Philosophy. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Rights Justice The Bounds Of Liberty Essays In Social Philosophy To get started finding Rights Justice The Bounds Of Liberty Essays In Social Philosophy, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Rights Justice The Bounds Of Liberty Essays In Social Philosophy So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Rights Justice The Bounds Of Liberty Essays In Social Philosophy. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Rights Justice The Bounds Of Liberty Essays In Social Philosophy, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Rights Justice The Bounds Of Liberty Essays In Social Philosophy is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Rights Justice The Bounds Of Liberty Essays In Social Philosophy is universally compatible with any devices to read.
