Rikishi The Men Of Sumo:

Rikishi : the men of sumo Joel Sackett,1986 **Sumo** David Benjamin,2011-05-03 Sumo is a fresh and funny introduction to the fascinating world of sumo Japan s national sport Author David Benjamin peels away the veneer of sumo as a cultural treasure and reveals it as an action packed sport populated by superb athletes who employ numerous strategies and techniques to overcome their gargantuan opponents Sumo provides an engaging witty behind the scenes look at sumo today *The Journal of the American Chamber of Commerce in Japan* ,1987 **Seeing Stars** Dennis J. Frost,2020-03-17 In *Seeing Stars* Dennis J Frost traces the emergence and evolution of sports celebrity in Japan from the seventeenth through the twenty first centuries Frost explores how various constituencies have repeatedly molded and deployed representations of individual athletes revealing that sports stars are socially constructed phenomena the products of both particular historical moments and broader discourses of celebrity Drawing from media coverage biographies literary works athletes memoirs bureaucratic memoranda interviews and films Frost argues that the largely unquestioned mass of information about sports stars not only reflects but also shapes society and body culture He examines the lives and times of star athletes including sumo grand champion Hitachiyama female Olympic medalist Hitomi Kinue legendary pitcher Sawamura Eiji and world champion boxer Gushiken Yoko demonstrating how representations of such sports stars mediated Japan s emergence into the putatively universal realm of sports unsettled orthodox notions of gender facilitated wartime mobilization of physically fit men and women and masked lingering inequalities in postwar Japanese society As the first critical examination of the history of sports celebrity outside a Euro American context this book also sheds new light on the transnational forces at play in the production and impact of celebrity images and dispels misconceptions that sports stars in the non West are mere imitations of their Western counterparts **Sumo a Pocket Guide** David Shapiro,2012-05-22 One of the finest compact books on sumo today *Sumo World* Completely updated by the well known sumo authority David Shapiro *Sumo A Pocket Guide* describes the history rules rituals and techniques of sumo the wrestlers training and even their diets Covering such topics as life in the stables psychological warfare and the spoils of victory this compact sumo guide brings to life this cultural pastime that is so much more than a sport This volume also includes a list of stables and some of the best chanko nabe restaurants in Tokyo Shapiro brings to the updated edition many years of Japanese language sumo research and coverage The result is a handy up to date and authoritative guide to sumo that provides everything one needs to understand appreciate and enjoy this fascinating sport **Tokyo Museum Guide** Tom Flannigan, Ellen Flannigan,2012-07-17 This Japan travel companion is a complete guide to over 195 fascinating museums in Tokyo Yokohama and Chiba Tokyo affords no better or cheaper day trip than a visit to one of its many fascinating museums Now for the first time in English is a complete guide to all the museums large and small general and specific in the Tokyo and Yokohama areas Tokyo has everything for the expert and the casual observer alike Superb exhibits include the collection of Oriental antiquities at the Tokyo National Museum and an old Tokyo

neighborhood recreated in the Fukagawa Edo Museum Whatever your interests from poetry to parasites Tokyo has a museum for you The authors Thomas and Ellen Flannigan who personally visited all the museums give excellent advice on what to see and what to avoid *Area Bibliography of Japan* Ria Koopmans-de Bruijn,1998 Provides a general overview of literature relating to Japan and covers a broad range of subject matter from art feminism and linguistics to corporate culture history and medicine Includes books published since 1980 that are related to the geographical area of Japan and to Japanese culture within that area *Murder on the Cliff* Stefanie Matteson,2016-06-07 Legendary actress Charlotte Graham investigates a geisha s death at an elegant seaside resort in this chilling cozy mystery that weaves together history politics and murder When Commodore Matthew Calbraith Perry unlocked the door to Japan American consul Townsend Harris fell in love with the legendary geisha Okichi It was to be a doomed romance that ended with the scorned young woman hurling herself into the sea More than a century later the citizens of Newport Rhode Island celebrate Perry s journey by inviting Okichi s last surviving descendant Okichi mago to visit their glittering resort A famous geisha herself Okichi mago s voyage to Newport is a great diplomatic affair and it will end in tragedy In a chilling echo of her ancestor s death Okichi mago falls from one of Newport s famous cliffs But Hollywood icon Charlotte Graham can t believe that the refined beauty would take her own life so she sets out to find the killer Mystery lovers with an interest in the history of Japan or old Hollywood will adore *Murder on the Cliff* When the rich and famous tangle with murder there s no sleuth more suitable to working the case than the glamorous Charlotte Graham *Murder on the Cliff* is the 3rd book in the Charlotte Graham Mysteries but you may enjoy reading the series in any order *The Opening of Japan, 1853-1855* William McOmie,2021-11-15 Sub titled A comparative study of the American British Dutch and Russian naval expeditions to compel the Tokugawa shogunate to conclude treaties and open ports to their ships this highly informed and widely researched study provides for the first time a more complete picture of the competition and cooperation distrust and open hostility of the four protagonists involved in this joint Western enterprise In 1852 the news of the US government s plan to send a large naval expedition to Japan to demand the opening of its ports to American ships excited public interest and elicited differing responses among the European powers For Russia Japan was a neighbouring empire to whose ports it had itself long sought access now its jealousy aroused and its own strategic interests seemingly under threat Russia could not permit the United States to possibly exclude it from Japanese ports In the wake of the Opium war the Dutch king had urged the shogun to peacefully open its ports to the other Western powers now the king and his ministers feared that the US expedition would take an overly aggressive approach that might involve the Netherlands in a war with Japan Having previously opened Chinese ports to the West Britain was occupied there and willing to take a wait and see attitude temporarily conceding a leading role to the United States in Japan France had also previously made approaches to Japan and in case of a successful outcome would not lag far behind in sending its own warships to make arrangements with Japan Thus the stage was set for the race between America and Russia to open

Closed Japan and the surrounding seas while the Netherlands worked quietly behind the scenes and Britain and France waited in the wings This volume documents in detail the plans and outcomes of each of the four powers negotiations with Japan lists the clauses of the resulting treaties and offers a comparative analysis of their merits and demerits at the same time it provides a fascinating commentary on the way business was done by the Japanese with each country and its representatives

Hitching Rides with Buddha Will Ferguson, 2010-06-04 Originally published as Hokkaido Highway Blues with limited distribution in Canada Will Ferguson's classic book about Japan for all fans of the bestselling Beauty Tips from Moose Jaw With the same fervour they have for outlandish game shows and tiny gadgets the Japanese go nuts each spring when the cherry blossoms sweep from island to island towards the country's northerly tip Will Ferguson was celebrating the event in the standard fashion And after way too much sake he announced he would be the first person in recorded history to follow the blossom's progress end to end To make it a challenge worth doing he'd hitchhike all the way relying on the kindness of some very weird and wonderful strangers Mixing his penchant for biting observation with wicked humour Ferguson starts at the southernmost tip of Cape Sata and heads north for distant Hokkaido Whether he is doing the forbidden and not knowing it or holding conversations by non sequitur it is a journey full of misadventures and revelations The resulting travelogue is one of the funniest and most illuminating books ever written about Japan To make matters worse I decided to hitchhike Striking a heroic stance I declared my intention to my Japanese friends to become the first person ever to hitchhike the length of Japan end to end cape to cape sea to sea This did not impress them as much as I had hoped Why would you want to do that they asked genuinely puzzled There is no reason to hitchhike That's why we built the Bullet Train Others worried about my safety But I would argue Japan is a very safe country is it not Oh yes Very safe Safest in the world So why shouldn't I hitchhike Because Japan is dangerous And so on Now I will admit that mooching rides across Japan is not a major achievement I mean it's not like I paddled up the Amazon or discovered insulin or anything but I am the first person ever to do this so allow me my hubris When I left my home in Minamata City aboard a southbound train I felt suitably bold with my backpack and muscular thumb I'm going to hitchhike the length of Japan I told the man beside me He smiled and nodded I'm going to follow the cherry blossoms He nodded All the way to Russia I said He smiled again and soon after changed seats from Hitching Rides with Buddha
