Rilke A Life:

The Poet's Guide to Life Rainer Maria Rilke, 2005 Presents a selection of observations and reflections on the topics of illness and death dreams and religion language and art love and happiness work and ambition and childhood and old age

Life of a Poet Ralph Freedman, 1998 In this outstanding biography Ralph Freedman traces Rilke's extraordinary career by combining detailed accounts of salient episodes from the poet's restless life with an intimate reading of the verse and prose that refract them

Rilke Charlie Louth, 2020-06-19 The life of Rilke's work is in its words and this book attends closely to the life unfolding in Rilke's words over the course of his career What is a poem and how does it act upon us as we read What does reading involve These are questions of the greatest interest to Rilke who addresses them in several poems and for whom the experience of reading affords an interaction with the world a recalibration of our ways of attending to it which sets it apart from other kinds of experience Rilke's work is often approached in periods he is the author of the New Poems or of Malte or of the Duino Elegies or of the Sonnets to Orpheus as if its different phases had little to do with one another but in fact his writing is a concentrated and evolving exploration of the possibilities of poetic language a working of the life of words into precise and exacting forms in dialogue with the texture of the world The Life of the Work traces that trajectory in a series of close readings that do not neglect the lesser known uncollected verse and the poems in French as well as Rilke's activity as a translator of Michelangelo Shakespeare Barrett Browning Mallarmé and Valéry among many others These encounters were part of Rilke's engagement with the world his way of extending the reach of his language to get it ever closer to the ungraspable movements the risk and promise of life itself One of his best known poems ends with the words You must change your life an injunction that animates the whole of his work

Letters on Life Rainer Maria Rilke, 2006-04-11 Gleaned from Rainer Maria Rilke's voluminous never before translated correspondence this volume offers the best writings and personal philosophy of one of the twentieth century's greatest poets The result is a profound vision of how the human drive to create and understand can guide us in every facet of life Arranged by theme from everyday existence with others to the exhilarations of love and the experience of loss from dealing with adversity to the nature of inspiration here are Rilke's thoughts on how to infuse everyday life with beauty wonder and meaning Intimate stylistically masterful brilliantly translated and assembled and brimming with the passion of Rilke Letters on Life is a font of wisdom and a perfect book for all occasions

A Ringing Glass Donald A. Prater, 1986 Rainer Maria Rilke 1875-1926 is widely regarded as the greatest lyric poet of this century His major achievements the New poems the Sonnets to Orpheus and the incomparable Duino Elegies had a powerful impact on European literature and have been the subject of intense scrutiny and increasing acclaim since the poet's death Only in recent years however with the emergence of key documentary material has it become possible to present the full story of Rilke's life In A Ringing Glass Donald Prater's aim is not to add another stone to the mounting edifice of critical interpretation but to provide a portrait of the man himself and to show the background in which

Rilke's extraordinary vision developed And it is an extraordinary background Rilke's nomadic existence led him from his birthplace in Prague through Germany Russian Spain Italy France and finally Switzerland He visited Tolstoy at Yasnaya Polyana acted for a time as secretary to Rodin and was friend of Romain Rolland Leonid Pasternak and Walter Hasenclever He was the protégé of Princess Marie von Thurn und Taxis and the lover Lou Andreas Salome and Baladine Klossowska of whose son the painter Balthus he was an early patron Financially and emotionally Rilke needed these associations yet he dedicated himself fully to his art and remained single minded in his search for the solitude it required In his correspondence from which Prater draws extensively Rilke reveals the tragic conflict between his needs as a man and his goals as a poet This above all he wrote a younger colleague ask yourself must I write Delve into yourself for a deep answer And if this should be affirmative then build your life according to this necessity With this comprehensive biography readers can themselves delve deeply into the life Rilke built a life as courageous and rare as the poetry it left behind About the Author Donald Prater is the author of *European of Yesterday* a biography of Stefan Zweig and his edition of the Rilke Zweig correspondence will appear shortly in Germany A major new biography of the century's greatest lyric poet Draws extensively on Rilke's letters to present an intimate portrait **Rainer Maria Rilke** F. W. van Heerikhuizen, 2020-01-30 Originally published in English in 1951 this biography of one of Germany's foremost mystical poets disproves many of the myths surrounding Rainer Maria Rilke and examines his life and work from social historical and psychological perspectives while all the time referencing Rilke's works to his complex personality The legacy of his work on younger generations is also examined All German prose quotations have been translated into English for this edition existing translations used for the German poetry **Rilke** Wolfgang Ippmann, 1984 **Rainer Maria Rilke** J. R. Von Salis, 1964 **Marienleben** Rainer Maria Rilke, 1947

Possibility of Being Rainer Maria Rilke, 2015-06-02 *Possibility of Being* is a selection of poems by one of the most moving and original writers of this century Rainer Maria Rilke 1857-1926 The title taken from one of the Sonnets to Orpheus Ibis is the Creature reflects the central concern of both Rilke's life and art the achievement of being which this most spiritual yet least doctrinaire of modern German poets defined as the experiencing of the completest possible inner intensity The eighty-four poems included in this small volume will serve as a sound and inviting introduction to Rilke's strategies in the pursuit of being And just as the unicorn in *This Is the Creature* has an eternal possibility of being but only becomes visible in the mirror held by a virgin so can our own possibilities become manifest in the mirror held by the sensitive artist The poems are chosen from *The Book of Hours* 1899-1903 *The Book of Images* 1902 and 1906 *New Poems* 1907 and 1908 *Requiem* 1909 *Duino Elegies* 1923 *Sonnets to Orpheus* 1923 and the posthumous *Poems* 1906-26 This selection was made by Professor Theodore Ziolkowski of Princeton University who drew from the various *New Directions* volumes of Rilke's work translated by J B Leishman
