Ringling The Florida Years 1911 1936:

Ringling David C. Weeks, 1993-10-01 John Nicholas Ringling's years in Sarasota spanned the final quarter century of his life. On Florida's west coast as the Ringling's Circus became the greatest show on earth, he collected Baroque paintings, European decorative art, and Italian statuary, built the ostentatious mansion Ca d'Zan, developed and marketed most of the barrier islands around Sarasota Bay, and became the focus of a confusing pastiche of acclaim, misconception, and suspicion. Sarasota's Ringling Museum is his priceless cultural legacy to the people of Florida and the world of art, an inheritance at risk for the ten years that Ringling's estate was in probate. The author of this first intensive look at Ringling's presence in Sarasota sets the man against the backdrop of Florida from World War I through the land boom and the turbulent twenties into the depression years, and Ringling's lapse into obscurity. Illustrated with nearly fifty black and white photographs, many never before published, this is the chronicle of a man, as the foreword claims, who was not afraid to think or live on a grand scale, who knew what he wanted from life and from art.

Ringling David Chapin Weeks, 1993 Profiles the years that John Nicholas Ringling spent in Florida and describes the area's economy during the early part of the 20th century. *Ringling* David Chapin Weeks, 1988

Truevine Beth Macy, 2016-10-18 The true story of two African American brothers who were kidnapped and displayed as circus freaks, and whose mother endured a 28-year struggle to get them back. The year was 1899, and the place a sweltering tobacco farm in the Jim Crow South town of Truevine, Virginia. George and Willie Muse were two little boys born to a sharecropper family. One day a white man offered them a piece of candy, setting off events that would take them around the world and change their lives forever. Captured into the circus, the Muse brothers performed for royalty at Buckingham Palace and headlined over a dozen sold-out shows at New York's Madison Square Garden. They were global superstars in a pre-broadcast era. But the very root of their success was in the color of their skin, and in the outrageous caricatures they were forced to assume: supposed cannibals, sheep-headed freaks, even Ambassadors from Mars. Back home, their mother never accepted that they were gone and spent 28 years trying to get them back. Through hundreds of interviews and decades of research, Beth Macy expertly explores a central and difficult question: Where were the brothers better off? On the world stage as stars, or in poverty at home? Truevine is a compelling narrative, rich in historical detail and rife with implications to race relations today.
