Rise Of Viagra How The Little Blue Pill Changed Sex In America:

The Rise of Viagra Associate Professor of Sociology and Women's Studies Meika Loe, 2004-08-11 Since its introduction in 1998 Viagra has launched a new kind of sexual revolution Quickly becoming one of the most sought after drugs in history the little blue pill created a sea change within the pharmaceutical industry OCo from how drugs could be marketed to the types of drugs put into development OCo as well as the culture at large Impotency is no longer an embarrassing male secret now it is called OC erectile dysfunction OCO and is simply something to OC ask your doctor OCO about And over 16 million men have The Rise of Viagra is the first book to detail the history and the vast social implications of the Viagra phenomenon Meika Loe argues that Viagra has changed what qualifies as normal sex in America In the quick fix pill for everything culture that Viagra helped to create erections can now be had by popping a pill making sex on demand regardless of age or infirmity and potentially for the rest of one s life Drawing on interviews with men who take the drug their wives doctors and pharmacists as well as scientists and researchers in the field this fascinating account provides an intimate history of the drug s effect on America Loe also examines the quest for the female Viagra the impact of the drug around the world the introduction of new erection drugs like Levitra and Cialis and the rapid growth of the multi billion dollar pharmaceutical industry This wide ranging book explains how this medical breakthrough and cultural phenomenon have forever changed the meaning of sex in America

The Rise of Viagra Meika Loe, 2004-08-11 Drawing on interviews with men who take the drug their wives doctors and pharmacists as well as scientists and researchers in the field this fascinating account provides an intimate history of the Viagra s effect on America

Bodies Unbound Piper Sledge, 2021-03-12 Bodies Unbound is a story about the relationship between bodies and gender Drawing on the experiences of individuals whose bodies and gender identities don t match medical and social expectations Piper Sledge explores how ideologies of gendered bodies shape medical care when medical professionals use their position of authority to dictate which combinations of bodies and genders are legitimate or not

The Ways Women Age Abigail T. Brooks, 2017-03-07 The story of how and why some women choose to use while others refuse cosmetic intervention What is it like to be a woman growing older in a culture where you cannot go to the doctor open a magazine watch television or surf the internet without encountering products and procedures that are designed to make you look younger What do women have to say about their decision to embrace cosmetic anti aging procedures And alternatively how do women come to decide to grow older without them In the United States today women are the overwhelming consumers of cosmetic anti aging surgeries and technologies And while not all women undergo these procedures their exposure to them is almost inevitable Set against the backdrop of commercialized medicine in the United States Abigail T Brooks investigates the anti aging craze from the perspective of women themselves examining the rapidly changing cultural attitudes pressures and expectations of female aging Drawn from in depth interviews with women in the United States who choose and refuse to have cosmetic anti aging procedures *The Ways Women Age* provides a fresh

understanding of how today's women feel about aging The women's stories in this book are personal biographies that explore identity and body image and are reflexively shaped by beauty standards expectations of femininity and an increasingly normalized climate of cosmetic anti aging intervention The Ways Women Age offers a critical perspective on how women respond to 21st century expectations of youth and beauty *Investigating Gender* Martha E. Thompson, Michael Armato, 2012-01-10 Gender analysis remains central to understanding social life yet focusing on gender alone is inadequate Recent feminist sociological scholarship highlights how gender intersects with other systems of privilege and oppression In this book five themes are carried forward throughout the text the social construction of gender differences gendered inequalities intersections of gender with other systems of privilege and oppression a relational global perspective and the necessity of working toward social justice **Gender and the Science of Difference** Jill A. Fisher, 2011-06-15 How does contemporary science contribute to our understanding about what it means to be women or men What are the social implications of scientific claims about differences between male and female brains hormones and genes How does culture influence scientific and medical research and its findings about human sexuality especially so called normal and deviant desires and behaviors Gender and the Science of Difference examines how contemporary science shapes and is shaped by gender ideals and images Prior scholarship has illustrated how past cultures of science were infused with patriarchal norms and values that influenced the kinds of research that was conducted and the interpretation of findings about differences between men and women This interdisciplinary volume presents empirical inquiries into today's science including examples of gendered scientific inquiry and medical interventions and research It analyzes how scientific and medical knowledge produces gender norms through an emphasis on sex differences and includes both U S and non U S cases and examples

The Estrogen Elixir Elizabeth Siegel Watkins, 2007-04-16 In the first complete history of hormone replacement therapy HRT Elizabeth Siegel Watkins illuminates the complex and changing relationship between the medical treatment of menopause and cultural conceptions of aging Describing the development spread and shifting role of HRT in America from the early twentieth century to the present Watkins explores how the interplay between science and society shaped the dissemination and reception of HRT and how the medicalization and subsequent efforts toward the demedicalization of menopause and aging affected the role of estrogen as a medical therapy Telling the story from multiple perspectives physicians pharmaceutical manufacturers government regulators feminist health activists and the media as well as women as patients and consumers she reveals the striking parallels between estrogen's history as a medical therapy and broad shifts in the role of medicine in an aging society Today information about HRT is almost always accompanied by a laundry list of health risks While physicians and pharmaceutical companies have striven to develop the safest possible treatment for the symptoms of menopause and aging many specialists question whether HRT should be prescribed at all Drawing from a wide range of scholarly research archival records and interviews The Estrogen Elixir provides valuable historical context for one of

the most pressing debates in contemporary medicine *Every Molecule Tells a Story* Simon Cotton, 2011-11-16 Written by a seasoned teacher speaker and writer in the field of chemistry this text serves to provide a guide to the chemicals that make life possible and enrich the senses as well as those that endanger it This text combines the science and history of certain molecules and deals with the chemistry of each substance in an interesting and easily understandable manner Topics covered include substances found in air and water food hydrocarbons acids and alkalis natural killers unnatural killers destructive molecules pleasure molecules natural healers man made healers giant molecules and vitamins **How To Date Older Men (The Younger Women's Guide)** Audarshia Townsend, 2012-03-12 ABOUT THE BOOK Michael Douglas shares a birthday with his wife Catherine Zeta Jones and also happens to be 25 years her senior As plucky young unlucky in love lawyer Ally McBeal Calista Flockhart found herself suddenly a small screen star and soon thereafter the leading lady in Harrison Fords life He is 22 years older than her And Beyonces 2008 anthem Single Ladies Put A Ring On It served as a how to guide for bachelorettes everywhere Perhaps it even helped reel in her rap mogul boyfriend Jay Z to marry her months before the song even debuted With a 12 year age difference between them they manage to make it work Older men and younger women Long before Hugh Hefner emerged as the poster boy for snapping up all the Pretty Young Things Men of a Certain Age chased their nubile counterparts But as with all relationships it takes more than animal attraction for these types of unions to succeed If you have the chemistry and compatibility that keeps you enjoying each other in and out of bed and you both want the relationship enough you bridge the gap and support each other writes Dr Laura Grashow on FOX News Are Older Men The New Catch MEET THE AUTHOR An obsession with Chicago s vibrant dining and drinking scenes drove Audarshia Townsend to first write for respected publications like Essence Chicago Reader and the Chicago Defender And her foray into the online world began as one of the first two editors at metromix com where they set the tone for the successful entertainment site s cutting edge style She also has written lifestyle features for the Chicago Tribune Los Angeles Times and Upscale magazine EXCERPT FROM THE BOOK Of course shes not telling women to fill out an application for Harvard Law School but showing an interest in world events politics the financial sector or technology could work to the womans advantage She should pick up a book read periodicals and websites beyond gossip and fashion and watch CNN C Span and CNBC Experts also recommend for her to just listen to him to learn his interests Theres always the possibility that hes not interested in any of those topics and only wants to talk about NASCAR The standard nightclub tops the list of places to avoid particularly for matchmaker Patti Stanger Older men hanging out where twentysomethings frequent likely suffer from mid life crisis Get Used To Him Treating You Differently Than Most Guys Your Age According to experts mature guys certainly differ from their younger counterparts in that they offer years of experience and younger women should be prepared for different treatment Acts of chivalry come natural for most and a woman seeking or in a relationship with an older man should get used to it writes relationship expert Dr Ronn Elmore of Finding Soulmate Success Opening to Dating

Older Men Buy a copy to keep reading CHAPTER OUTLINE How To Successfully Date Older Men The Allure of the May December Romance So You re Interested In Dating An Older Man Now What Common Mistakes To Avoid Top Five Tips To Successfully Date An Older Man and much more **Cultural Differences and the Practice of Sexual Medicine** David L. Rowland,Emmanuele A. Jannini,2020-01-27 The aim of this book is twofold to promote an awareness of cultural differences in connection with sexual medicine among health care providers and to demonstrate how such differences are relevant to the care and treatment of patients with sexual issues Individual sexuality represents the cumulative effects of biological psychological and cultural influences Yet much of the study of sexuality including issues ranging from sexual identity to sexual response has been conducted through a Western lens Although a substantial body of work in anthropology has taken up the study of human sexuality from a cross cultural perspective two points are notable First this work seldom crosses the desks of medical and psychological health practitioners and second the relevance of specific cultural differences is rarely apparent to the typical sexual health practitioner To address this situation this book adopts a global perspective focusing on how cultural practices and values can impact health care treatment and outcomes In this regard it covers three broad domains Sexual Identity and Orientation Sexual Response and Dysfunction and Sexual Diversity Each chapter consists of two parts a general description of the relevant issues and a discussion of how these issues can be relevant to clinical practice The book offers a valuable practical tool for specialists in sexual medicine and sexual psychology for sexual healthcare givers and for sexological researchers who want to better serve their patients by developing an awareness of and sensitivity to cultural differences and by providing a framework for dealing with issues of sexuality and sexual health that takes cultural values into consideration while adhering to best practices in patient care
