

William Dean Howells

A man in a dark suit and hat stands with his back to the camera, looking towards a large, two-story house with a porch. The scene is set in a rural or suburban area with trees and a fence in the background. The image has a vintage, slightly grainy quality.

Rise Of Silas Lapham The:

The Rise of Silas Lapham William Dean Howells, 1886 **The Rise of Silas Lapham. (Novel). Intr., (appendix) by Kermit Vanderbilt. (Repr.).** William Dean Howells, 1986 The Rise of Silas Lapham William Dean Howells, 2017-06-28

The Rise of Silas Lapham is a realist novel by William Dean Howells published in 1885. The story follows the materialistic rise of Silas Lapham from rags to riches and his ensuing moral susceptibility. Silas earns a fortune in the paint business but he lacks social standards which he tries to attain through his daughter's marriage into the aristocratic Corey family. Silas's morality does not fail him. He loses his money but makes the right moral decision when his partner proposes the unethical selling of the mills to English settlers. Howells is known to be the father of American realism and a denouncer of the sentimental novel. The resolution of the love triangle of Irene Lapham, Tom Corey, and Penelope Lapham highlights Howells's rejection of the conventions of sentimental romantic novels as unrealistic and deceitful.

PLOT The novel begins with Silas Lapham being interviewed for a newspaper profile during which he explains his financial success in the mineral paint business. The Lapham family is somewhat self-conscious in their sudden rise on the social ladder and often fumble in their attempts at following etiquette norms. They decide to build a new home in the fashionable Back Bay neighborhood and Lapham spares no expense ensuring it is at the height of fashion. Tom Corey, a young man from a well-respected high-class family, shows an interest in the Lapham girls. Mr. and Mrs. Lapham assume he is attracted to Irene, the beautiful younger daughter. Corey joins the Lapham's paint business in an attempt to find his place in the world rather than rely on the savings of his father, Bromfield Corey. When Tom Corey begins calling on the Laphams regularly, everyone assumes his interest in Irene has grown and Irene takes a fancy to him. Corey, however, astounds both families by revealing his love for Penelope, the elder, more plain-looking but more intelligent daughter who possesses an unusual sense of humor, a sophisticated literary passion, and a sensible but inquiring mind. Though Penelope has feelings for Tom Corey, she is held back by the romantic conventions of the era, not wanting to act on her love for fear of betraying her sister.

Silas Lapham's former business partner, Milton K. Rogers, reappears in his life asking for money for a series of schemes. Mrs. Lapham urges her husband to support the man whom he had pushed out of the paint company in what was deemed an inappropriate manner. Lapham's dealings with Rogers, however, result in a substantial financial loss. His major asset, the new home on Beacon Street, burns down before its completion. The Laphams are humbly forced to move to their ancestral home in the countryside where the mineral paint was first developed.

Bartley his left hand for welcome and he rolled his large head in the direction of a vacant chair Sit down I ll be with you in just half a minute Take your time said Bartley with the ease he instantly felt I m in no hurry He took a note book from his pocket laid it on his knee and began to sharpen a pencil There Lapham pounded with his great hairy fist on the envelope he had been addressing William he called out and he handed the letter to a boy who came to get it I want that to go right away Well sir he continued wheeling round in his leather cushioned swivel chair and facing Bartley seated so near that their knees almost touched so you want my life death and Christian sufferings do you young man That s what I m after said Bartley Your money or your life I guess you wouldn t want my life without the money said Lapham as if he were willing to prolong these moments of preparation Take em both Bartley suggested Don t want your money without your life if you come to that But you re just one million times more interesting to the public than if you hadn t a dollar and you know that as well as I do Mr Lapham There s no use beating about the bush No said Lapham somewhat absently He put out his huge foot and pushed the ground glass door shut between his little den and the book keepers in their larger den outside In personal appearance wrote Bartley in the sketch for which he now studied his subject while he waited patiently for him to continue Silas Lapham is a fine type of the successful American He has a square bold chin only partially concealed by the short reddish grey beard growing to the edges of his firmly closing lips His nose is short and straight his forehead good but broad rather than high his eyes blue and with a light in them that is kindly or sharp according to his mood He is of medium height and fills an average arm chair with a solid bulk which on the day of our interview was unpretentiously clad in a business suit of blue serge His head droops somewhat from a short neck which does not trouble itself to rise far from a pair of massive shoulders

The Rise of Silas Lapham William Dean Howells, 1983 A skeptical portrait of American business life and its perils celebrating not the rise but the loss of fortune that makes possible the hero s recovery of his earlier integrity and happiness
