Risen Jesus And Future Hope:

The Risen Jesus and Future Hope Gary R. Habermas, 2003 Always be prepared wrote the apostle Peter to give an answer to everyone who asks you to give the reason for the hope that you have Reading and digesting this book will help Gary R Habermas begins his apologetic for Christianity by demonstrating the historicity of the resurrection of Christ He then connects the resurrection to several key tenets of Christian theology through paths not only historical but also philosophical counseling and experiential The resurrection Habermas shows is the central belief for every Christian whether that person believes it was an actual historical event or not But it is Habermas illustration that Jesus quite literally rose bodily from the dead that makes this book so unique The resurrection is not only the foundation for Christian belief past and present but also the basis for future hope What for instance does the resurrection of Jesus have to teach us about our own fear of death Habermas answers to this and other questions proves how essential the resurrection is to living a Christian life and gives us great hope for the future

Hope's Reason: a Journal of Apologetics Vol. 2 No. 1 Stephen Bedard, 2011-09-28 In an increasingly skeptical world there is now more of a need than ever for quality apologetic resources defending the Christian faith The purpose of this journal is to bridge the gap between the academy and the church equipping pastors and interested laypeople to present the Christian faith to an unbelieving world

Mercer Dictionary of the Bible Watson E. Mills, Roger Aubrey Bullard, 1990 Jesus Christ in History and Scripture highlights two related bases for the current revolution in Jesus studies 1 a critically chastened world view that is satisfied with provisional results and 2 a creative or poetic use of the sources of study of Jesus

Stepping Stones to Christianity Peter S. Williams, 2025-10-17 Stepping Stones to Christianity introduces a rational case for Christianity in three steps starting with scientific arguments for design in cosmology and biology moving on to philosophical arguments for the existence of God and closing with an overview of the evidence for a Christian understanding of the historical Jesus in the context of competing contemporary worldviews By bringing together revised and expanded versions of materials written to introduce three of the author's Essays on books with Wipf Stock Stepping Stones to Christianity equips readers to consider the case for design in nature to investigate philosophical arguments for God and to wrestle with the identity of Jesus

Ready ... Set ... God Jason M. Jolin, 2019-01-01 Apologetics is the discipline that provides a rational defense for Christianity It is important information for everyone especially those seeking spiritual truth In Ready Set God author Jason M Jolin shares powerful evidence for God but with a unique approach a football story How can combining the topics of apologetics and football be helpful Jesus used stories and illustrations to teach people and Jolin uses a sport that many people enjoy today This fictional story uses football illustrations to share real evidence and rationale for Christianity making this important topic interesting and fun No matter where you are on the journey of life Ready Set God can be a helpful resource for this critical topic the truth about God and eternal life

Resurrection Karl Olav Sandnes, Jan-Olav Henriksen, 2020-04-23 Christian faith depends upon the resurrection of Jesus

but the claim about Jesus resurrection is nevertheless disputed This book written by a New Testament scholar and a systematic theologian in conjunction develops the conditions for the claim It carefully analyzes the relevant texts and their possible interpretations and engages with New Testament scholarship in order to show nuances and different trajectories in the material The picture emerging is that the New Testament authors themselves tried to come to terms with how to understand the claim that Jesus had been resurrected from the dead But the book does not stop there by also asking for the experiential content that gave rise to the belief in the resurrection Sandnes and Henriksen argue that there is no such thing as an experience of the resurrection reported in the New Testament only experiences of an empty tomb and appearance of Jesus interpreted as Jesus resurrected Hence resurrection emerges as an interpretative category for post Easter experiences and is only understandable in light of the full content of Jesus ministry and its context **Give Them Christ** Stephen

Seamands,2012-04-08 Much preaching today begins with the hearer s felt needs and then moves to how Christianity can solve those problems But this approach often results in trite Christologies that merely use Jesus as a means to an end or a vehicle for self improvement While preachers might not dispense with Christ altogether other things subtly take center stage and become more important than Christ himself Pastoral theologian Stephen Seamands issues a stirring call to rediscover the centrality of Christ in preaching Deftly blending doctrine and praxis he revitalizes preaching by focusing on five key dimensions of Jesus work his incarnation crucifixion resurrection ascension and return Seamands highlights how preaching Christ crucified and risen speaks profoundly to the deepest dimensions of human existence Addressing both the what and the so what this exposition helps church leaders declare afresh that Christ alone is supremely sufficient for Christian faith and practice Pastors and preachers will find here significant resources for their churches worship life together and mission in the world Become captivated once again by the glory of Christ and find yourself compelled to proclaim his work anew **On the**

Resurrection, Volume 1 Gary Habermas,2024-01-15 The first volume of Gary Habermas s magnum opus On the Resurrection Evidences represents the culmination of fifty years of research on the probability of Jesus s resurrection Using his minimal facts argument Habermas demonstrates why we ought to trust the biblical and historical testimony of Scripture regarding the resurrection This book is a must read for pastors students and scholars interested in the historical evidence for the resurrection of Jesus Christ **Seeing the Light** Michael J. Eckstein,John S. Knox,2023-03-27 For every human on earth

the clock is ticking towards their inevitable death Whether one lives to the oldest of ages expiring quietly or death comes suddenly with a slip on the ice or in any other of the myriad of ways people die the end of biological life is the outcome for everyone For the Christian however there is the expectation of continuation beyond this fleeting life on earth Naturalists have no such optimism and can only hope that their time on earth is a pleasant one Because Christians have a divine assurance they want to share that hope with others Still theological questions remain Can near death experiences help lead those far from Christ to him Can they be added to the repertoire of apologetic arguments for Christianity This book examines

the truth surrounding near death experiences how they have been seen in human culture what the scientific community is learning about those who have near death experiences and how near death experiences can be used or not used in your evangelistic encounters Tough-Minded Christianity William A.
