Moving in the Right Direction

Bruce Nemovitz,2007 Moving in the Right Direction shares Bruce s experience and expertise on the many issues involved when seniors consider moving from their long term home Now seniors all across the country as well as the friends and family who care for them can turn to this simple direct and comprehensive guide as they make this important transition The Miles Souris Report Charlotte Lewis,2015-11-03 While society and social security have established the age proper for retirement many seniors just aren t ready to pack it in then They leave their jobs but want to remain independent of their families and continue a lifestyle that accommodates their individual sense of living This most often cannot be accomplished by moving in with the kids The idea of likeminded people sharing a roof spawned the independent living communities to which today s seniors are flocking No more mowing the lawn property taxes window washing cooking every mealtrue retirement is accomplished by moving to a senior living community Yes this should be the ideal scenario But it isn t always utopia The elder generation wants to retain its independence and its dignity Life in a retirement community does not guarantee either The stories and incidents in this book have been gathered from former and current residents of senior living communities their families and past and present employees of several different senior communities The retirement facility in this book is fictional But similarities to actual communities are almost impossible to avoid as they are basically so much alike
