time to write back so she sent entries from her diary Her friend the writer Ana Valdes posted Jasmina s diary entries on the website of a magazine she wrote for Within a week the diaries had been posted anonymously on fifty websites and sent in e mails throughout the world The diary of an anonymous woman from Belgrade had become everybody s diary The Diary of a Political Idiot was first published as a book in Argentina and has since been translated into eleven languages At a time when compassion fatigue is seen as both the cause and the unavoidable consequence of current international news reporting Jasmina Tesanovic s wide readership is as much a testimony to the intelligence and compassion of her readers as it is to her own

Sexuality and Gender in Postcommunist Eastern Europe and Russia

Edmond J Coleman,Theo Sandfort,2014-05-22 Important new findings on sex and gender in the former Soviet Bloc Sexuality and Gender in Postcommunist Eastern Europe and Russia is a groundbreaking look at the new sexual reality in Central Eastern and Southeast Europe after the fall of communism The book presents the kind of candid discussion of sexual identities sexual politics and gender arrangements that was often censored and rarely discussed openly before the breakup of the Soviet Union in 1987 Authors from a variety of disciplines examine how the changes caused by rapid economic and social transformation have affected human sexuality and if those changes can generate the social tolerance necessary to produce a well rooted democracy The first theoretical and empirical body of work to sexuality in post transitional countries Sexuality and Gender in Postcommunist Eastern Europe and Russia examines the effects of the profound social transformation taking place in the former Soviet Union Through an interdisciplinary perspective the book addresses vital issues of this transformation including gender relations gender roles and sex norms in transition sexual representations in the media patterns of adult sexual behavior gay and lesbian issues sex trafficking health risks and sex education The book also presents a critical examination of whether the fall of communism has in fact induced changes in sexuality and gender relations Sexuality and Gender in Postcommunist Eastern Europe and Russia examines the changes in sex and gender in countries in transition including the negative consequences of Serbia s state directed non development during the 1990s the causes and consequences of trafficking in women from the Russian Federation the ongoing debate over human rights for sexual minorities in Romania the effects of two Yugoslavian films released in the 1990s that feature transgender characters sexualities in transition in Croatia problems created by changes in sexual behavior among urban Russian adolescents the social and legal state of lesbians in Slovenia Sexuality and Gender in Postcommunist Eastern Europe and Russia fills in the gap in the current knowledge and understanding of the effects of the profound social changes taking place in Central Eastern and Southeast Europe The book is an essential read for academics and researchers working in gender studies political science and gay and lesbian studies Handy tables and figures make the information easy to access and understand

A Dangerous Knowing Debbie Epstein,James Thomas Sears,1999-11-01 This book is an exhilarating and important addition to the literature on sexuality and on education An unusually international collection with contributions on Australia New

Zealand the Philippines South Africa the UK and the United States it includes chapters written both by internationally known leaders in the field and by exciting newcomers The book challenges conventional ways of thinking both about sexuality and about pedagogy with sections on myth making identity globalization and interventions in education It will be a key text for undergraduate and postgraduate students of social and cultural theory queer studies gender and women s studies and education Queer Wars Dennis Altman,Jonathan Symons,2016-03-21 The claim that LGBT rights are human rights encounters fierce opposition in many parts of the world as governments and religious leaders have used resistance to LGBT rights to cast themselves as defenders of traditional values against neo colonial interference and western decadence Queer Wars explores the growing international polarization over sexual rights and the creative responses from social movements and activists some of whom face murder imprisonment or rape because of their perceived sexuality or gender expression This book asks why sexuality and gender identity have become so vexed an issue between and within nations and how we can best advocate for change *The Unpublished Dostoevsky: Diaries and Notebooks (1860-81)*. History of the Literary Cultures of East-Central Europe Marcel Cornis-Pope,John Neubauer,2007-07-18 The third volume in the History of the Literary Cultures of East Central Europe focuses on the making and remaking of those institutional structures that engender and regulate the creation distribution and reception of literature The focus here is not so much on shared institutions but rather on such region wide analogous institutional processes as the national awakening the modernist opening and the communist regimentation the canonization of texts and censorship of literature These processes which took place in all of the region s cultures were often asynchronous and subjected to different local conditions The volume s premise is that the national awakening and institutionalization of literature were symbiotically interrelated in East Central Europe Each national awakening involves a language renewal an introduction of the vernacular and its literature in schools and universities the creation of an infrastructure for the publication of books and journals clashes with censorship the founding of national academies libraries and theaters a re construction of national folklore and the writing of histories of the vernacular literature The four parts of this volume are titled 1 Publishing and Censorship 2 Theater as a Literary Institution 3 Forging Primal Pasts The Uses of Folk Poetry and 4 Literary Histories Itineraries of National Self images Samizdat, Tamizdat, and Beyond Friederike Kind-Kovács,Jessie Labov,2013-03-01 In many ways what is identified today as cultural globalization in Eastern Europe has its roots in the Cold War phenomena of samizdat do it yourself underground publishing and tamizdat publishing abroad This volume offers a new understanding of how information flowed between East and West during the Cold War as well as the much broader circulation of cultural products instigated and sustained by these practices By expanding the definitions of samizdat and tamizdat from explicitly political print publications to include other forms and genres this volume investigates the wider cultural sphere of alternative and semi official texts broadcast media reproductions of visual art and music and in the post 1989 period new media The underground circulation

of uncensored texts in the Cold War era serves as a useful foundation for comparison when looking at current examples of censorship independent media and the use of new media in countries like China Iran and the former Yugoslavia

With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Serbian Diaries books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Serbian Diaries books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Serbian Diaries versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Serbian Diaries books and manuals for download are incredibly convenient. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Serbian Diaries books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Serbian Diaries books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many

universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents.
