Kohlenberger III, 2008-10-01 To know the God of the universe you must know His Word By investing only thirty minutes a day you can achieve your goal of reading the entire Bible in one year John Kohlenberger provides a wonderful resource to help you reach that goal To aid in your progress Read Through the Bible in a Year includes Brief background information on each book Books arranged in general historical and chronological order A complete reading schedule that allows you to start at any time during the year and continue from that point Ten strategies for first rate Bible reading A proven method for studying the Bible [Oprah, Miracles, and the New Earth](#) Erwin W. Lutzer, 2008-11-06 When the world's most powerful celebrity according to Forbes magazine personally teaches a course on miracles millions will join her class including many believers What will happen when the coursework blends inspiration and encouragement with some of the oldest heresies in the Enemy's arsenal People you know and love may dismiss the claims of Jesus Christ as the only way to God Dr Erwin Lutzer's insight and clarity reveals the true nature of contemporary spirituality tracing its roots across a range of false belief systems and back to its first appearance in the garden of Eden In a day when so many seek direction from the media it remains essential to carefully discern between truth and the lie **Reasons We Believe (Foreword by John MacArthur)** Nathan Busenitz, 2008-07-22 Reasons We Believe will reinforce your personal faith and will provide you with a clear concise evangelistic tool to help you share that faith with others In an age of cynics and skeptics Christianity is constantly under attack Believers need resources that defend the veracity of their faith They are searching for clear concise and credible answers to both doubts of their own and objections from their unbelieving friends Nathan Busenitz provides such resources to believers Reasons We Believe confirms and strengthens the faith of believers by demonstrating the reliability of the twofold authority on which Christianity rests the Word of God and the person of Jesus Christ Reasons builds a biblical foundation for the authority of the Bible and then shows how extra biblical evidence corresponds with and thereby attests to what the Bible claims This study seeks to reinforce the faith of Christians while also providing them with a straightforward evangelistic tool for reaching non Christians *The Power of Truth in Perilous Times* Marcus E. Drake, 2024-09-25 Real Hope in the Midst of a Culture Gone Awry Yes we live in this kind of culture and world However it is clear in the Bible that the more we pursue the knowledge of God as defined and described in Scripture and the more we are devoted to him the more he will work in us and through us during the perilous times in which we live Therefore in thinking about the extraordinary impact biblical truth can have on our society this book focuses on three vitally important areas in the Bible how God reveals his existence through nature and his Word how he discloses his character through his attributes and promises and how he calls his people to seek the knowledge of himself through the fear of the Lord and the bearing of his image Thus the purpose of this book is to lead believers into a deeper understanding of what God is like a deeper understanding of what he has promised to those who know him and a deeper understanding of the unshakable hope and strong encouragement we have in God's Word as we live in a confused and

deteriorating culture Rather than simply decrying the devastating changes in our nation and world this book clearly proclaims the hope that is ours in the very nature and character of God himself the identity and security believers have in Christ and the biblical guidance we need in order to be salt and light in our generation A God centered truth loving Christ exalting approach to life changes everything

God, Jesus, and Other Foolishness Jeffrey A. Kramer, 2022-09-13 In our post Christian society many skeptics atheists and agnostics assume that the Christian faith involves belief in spite of a lack of evidence and that Christianity encourages its adherents to be satisfied with not understanding the world This is untrue Christianity has a legacy of thought and logic and a convincing case can be made that modern science and Western culture could only have sprung from the Judeo Christian worldview Although questions of origins purpose and meaning are not easily proved true in a scientific or empirical sense things can be true without empirical proof It does not follow that religion is untrue or that religious belief is for the credulous and the gullible Many of the presuppositions underlying any worldview

cannot be proven empirically and acceptance of many of the truth claims of atheism and postmodernism requires just as much faith as acceptance of the fundamentals of Christianity This book is an attempt to demonstrate that biblical Christianity is true in the sense that it is a logical interpretation of reality and our lived experience and that the implications of Christian faith make more rational sense than a rejection of that faith The Beauty and Glory of God's Word Joel R.
