M. Simataa,2015-06-30 The Seventh Day Sabbath and the Christian Doctrine of Redemption is a book every Christian must have in their home library The author tackles the biblical doctrine of redemption in a convincing manner and drives home the centrality of the Sabbath in redemption Over the past hundred years the witness of the sciences such as physics and biochemistry including mathematics as well as the testimony of archaeology and history has put the skeptics of the Bible on the defensive To this overwhelming testimony the author adds the witness of recent fulfilled Bible prophecy The author proceeds to show persuasively how recent fulfilled prophecies have proved once again that the Bible is truly the Word of God In the book the closing work of the gospel on the planet is shown to have a prophetic edge that no one person on the globe can afford to ignore *When the World Was New* Gifford Michael Rodney,2015-12-03 I thought about when God first made man I thought about when God saved the world with eight people I thought about the new world that is coming when Jesus comes back to this earth to rule I just write these truths as the Lord gives them to me I was a country boy that didnt know too much of anything but this one thing I know the Lord is coming back to take away all the people that are ready to go back with him John said I saw a new Heaven and a new Earth The old Heaven and the old Earth is passing away and will be no more A new beginning So I just like to write to tell a story about God **End of Days** Wendell G.
