Puente,1690 **Médico de Su Honra** Pedro Calderón de la Barca,2007 One of the most intellectually and emotionally engaging of the Spanish Golden Age seventeenth century plays as well as the most controversial Taking place during the reign of King Pedro of Castile 1350 1369 it is one of the spectacular honour dramas in which the main characters confront compelling yet conflicting imperatives The Physician of His Honour is beautiful in its poetry and unsettling in its resolution For more than

350 years the play and its author have been as fiercely reviled as they have been enthusiastically acclaimed by audiences and readers First published in 1997 for the second edition the translation has been extensively revised with the aim of simplifying the English whilst continuing to respect and acknowledge as much as possible the beauties and challenges of the original Spanish **La Jornada semanal** ,1991 Death and the Doctor ,1997 This book presents three versions of the Godfather Death motif in English translations as well as the original Spanish A desperate man makes a pact with Death in order to alleviate pain or sorrow or poverty Death then makes him a doctor and endows him with the ability to predict life or death and thus he feathers his nest and his fortune turns In the end however Death demands its pound of flesh and the day of reckoning arrives The three authors of these Death and the Doctor tales are three of nineteenth century Spain s most well known short story writers Fernan Caballero Cecilia Bohl de Faber 1796 1877 first published Juan Holgado y la muerte Juan Holgado and Death in 1850 It stands out for its humor relating Fernan Caballero s hapless paterfamilias attempt to escape his numerous children in order to feast on a rabbit only to have Death in the shape of an old woman snatch it from his hands Antonio de Trueba 1819 89 first published Tragaldabas Glutton in 1867 The main characteristic of Trueba s piece is its satire and scathing portrayal as well as condemnation of the medical profession Death s Friend is much more ambitious than Fernan Caballero s and Trueba s tales and in length approaches a short novel It is essentially a love story Gil Gil and Elena ill starred lovers are reunited through divine intervention as both Elena and Death petition God on Gil Gil s behalf Taken together these three Death and the Doctor tales fill a void in the Godfather Death motif of Western European literature and highlight the universality of Spain s folk tradition BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **El Siglo médico** ,1871 Paracelso, Médico-Alquimista Patrick Rivière,2012-07-23 Era un genio para algunos un m dico maldito y un impostor para otros Paracelso 1493 1541 aparece ante nosotros envuelto en un halo de misterio Incluso hoy aunque la mayor a de sus textos han sido traducidos todav a parece desprenderse de sus controvertidas teor as y planear sobre su personalidad una atm sfera sulfurosa Paracelso se presenta unas veces como un fil sofo espiritualista un te logo o un humanista que va al encuentro de las ideas de su poca otras como un destacado m dico que exalta las virtudes de la Naturaleza o como un alquimista un fil sofo por el fuego que recorre los rincones de la vieja Europa en busca de conocimientos ocultos y que realiza curaciones con profusi n en su peregrinaje de m dico n mada Un libro nico para conocer a este apasionante personaje
