We live in a complex world filled with materialism and ego-driven needs disconnected from our source. Time is speeding up as we rush about frantically stuck in a race. We are enslaved by our conditioned minds, victims to a limited subjective perception of life. We've drifted away from harmonious coexistence with nature, spirit and one another and are plagued by imbalance, unhappiness and disease. But our souls are ever present, calling us home and it is through encountering illness, loss and adversity that we can transform and find our way to hope, love and peace. Klara was one such being, empty and exhausted, running on autopilot and entirely missing the present moment. She has lived through trauma and chronic stress and became absorbed by illness, struggling with fibromyalgia and irritable bowel syndrome. But the more the darkness set in, the stronger her desire for freedom became, bringing to light the secrets of healing. Come discover a passionate journey to self-discovery and healing. Reconnect with faith, love, self-compassion and most of all, your soul. Come see that freedom and joy is possible. Become inspired to begin an authentic path of healing of your own and reclaim your passion for life. The Path of the Shamanic Witch is an invitation to explore this sacred tradition, to discover its profound relevance for our modern lives and to embrace the power of healing and transformation. Within these pages, you will find a comprehensive guide to shamanic witchcraft, drawing from the wisdom of indigenous cultures worldwide. You will learn about the shamanic worldview, the role of the shaman in society and the various healing practices and rituals that shamans employ. Together, we will embark on a journey through the three worlds of shamanism: the ordinary world, the spirit world and the world of dreams. You will learn how to connect with the spirit world, communicate with spirits and ancestors and navigate the shamanic journey. We will also explore the shamanic witch's tools and practices, including the shamanic drum, the rattle, the medicine bag and the altar. You will discover how to use these tools to create sacred space, perform rituals and facilitate healing. As you progress on this path, you will learn about the importance of self-care and balance and how to overcome challenges and obstacles. You will also discover the rich history of shamanic witchcraft and the contributions of notable shamanic witches throughout time. Ultimately, The Path of the Shamanic Witch is an invitation to embrace the shamanic witch's legacy and to walk the path of transformation. This is a journey of healing and empowerment, a journey that will lead you to a deeper understanding of yourself, the world around you and your place within the web of life.
