Eden in Egypt Ralph Ellis,2010-12-11 Why was the birth of a poor carpenter in the first century AD attended by the Magi the Persian king makers Why was Jesus later known as the King of the Jews Using many strands of contemporary evidence Ralph Ellis has pieced together a historical jigsaw puzzle demonstrating that the biblical Jesus was directly descended from Cleopatra VII the most famous queen of Egypt But this is not all for in piecing this story together it would seem that Jesus also had an aristocratic Roman and royal Persian ancestry too and it is the latter bloodline element that explains the appearance of Persian Magi at his birth **The Sacred and Profane History of the World** Samuel Shuckford,1824 **Arcana Coelestia, Volume 1** Emanuel Swedenborg, This is an exposition of the internal or spiritual sense of the books of Genesis and Exodus according to the law of correspondences It unfolds the spiritual significance of the creation of the stories of Adam and Eve and of the deluge of the lives of the patriarchs of the captivity of the chosen people in Egypt and of their deliverance therefrom and of their subsequent history of the ritual of the Jewish religion its sacrifices and observances and in general traces the foreshadowing through both books of the incarnation and glorification of the Lord Jesus Christ Many passages from other parts of the Word are also fully explained Relations of things heard and seen in the spiritual world are interspersed explaining the process of dying and of man s resuscitation and conscious entrance into the interior life the nature of the soul of heaven and heavenly joy and of hell its nature and its miseries It also treats of the Grand Man or the whole angelic heaven and the correspondence of the societies therein with the different organs and senses of the body the origin and correspondence of diseases the spirits and inhabitants of the various planets and of other earths in the starry heavens All of which are related to a true understanding of the Divine Word This is book 1 out of 12 and covers Genesis 1 9 *Reader's Digest Condensed Books* ,1963 *Unlocking the Secret Language of Tarot* Wald Amberstone,Ruth
