River Of Fire:

River of Fire Maria Pereira,A. Myrna Nurse,2009 Creating a new life in the United States can be challenging for any minority immigrant woman who has the courage to give up everything she s ever known to start anew In her openly honest memoir an Indo Trinidadian woman shares the fascinating story of how she seized an opportunity later in life to follow her dream of working in law enforcement simply because she wanted to make a positive difference in the lives of others Born in Trinidad West Indies Maria Pereira offers her early memories as a backdrop to her future life in Atlanta Georgia where she confronts violations at Atlanta s Fulton County Jail that threaten the well being of fellow deputies inmates and visitors Persevering against ostracization and a demotion she describes how she stood up to her adversaries and followed her conscience prevailing in the end and ultimately gaining the respect of the inmates and her colleagues By refusing to allow racism or sexism to define her dream Pereira offers an inspiring portrait that proves that making a difference is not easy but in the end it s immensely rewarding

River of Fire John Macleod,2011-11-01 An unflinching record of Scotland s greatest human disaster in modern history the Luftwaffe air raids on the industrial town of Clydebanks during WWII The Herald Vibrating with endeavors for Britain s effort against the might of Nazi Germany Clydebanks was in hindsight an obvious target for the attentions of the Luftwaffe When on the evening of 13 March 1941 the authorities first detected that Clydebanks was on beam targeted by the primitive radio guidance system of the German bombers no effort was made to raise the alarm or to direct the residents to shelter or flight Within the hour a vast timber yard three oil stores and two distilleries were ablaze one pouring flaming whisky into a burn that ran blazing into the Clyde itself in vivid ribbons of fire And still the Germans came and Clydebanks now an inferno lay illuminated and defenseless as heavy bombs of high explosive as land mines and parachute blasters began to fall With reference to written sources and the memories of those who survived the experience John MacLeod tells the story of the Clydebanks Blitz and the terrible scale of death and devastation speculating on why its incineration has been so widely forgotten and its ordeal denied any place in national honor MacLeod is a splendid and elegiac narrator of neglected patches of Scotland s history and brings his poetic gifts again to this the single most dreadful

River of Fire Pinaki Poddar,2022 **Threads of Fire** A.J. The Hurricane of Fire is the world according to Seth a young schizophrenic man just trying to get by in this world Between the job he despises a raging crush on his best friend and all the madness in his mind is there any room for love Ben seems to think so From the first moment Ben knew that Seth was different But is the leap of faith too great for Ben to achieve Can Seth maintain himself and not scare Ben away Can love survive a Hurricane of Fire **The Spirit and the Lake of Fire**

Rustin Umstattd,2017-06-28 The Holy Spirit and the Lake of Fire What does the Spirit have to do with God s final judgment The Holy Spirit and God s judgment upon sin are not two topics that are often connected but to understand the full work of the Spirit they need to be It is not enough to view judgment as the work of just the Father and the Son but in full Trinitarian fashion it must be understood as the work of all three persons of the Trinity In The Spirit and the Lake of Fire Rustin Umstattd establishes the Spirit s role in judgment by connecting several symbols that are used for both the Spirit and judgment such as fire God s breath and God s arm Furthermore by examining Augustine s position that the Spirit is the mutual love of the Father and the Son and Luther s position that God s wrath is the underside of his love Umstattd demonstrates how one comes to the conclusion that the Spirit is operative in God s judgment upon sin **A Transcendent Madness** D. Nord,2012-11-05 A bizarre true story of spiritual revelation and psychedelic horror associated with the specter

of Hitler and the madness of a world on the brink of a global holocaust This strangely foreboding testament to the inherent danger and the transcendental propensity of the psychedelic experience contains a detailed exposition of the RNA shutter mechanism interface between the organic matrix of the brain and the spiritual matrix of the human soul The author's treatment of that receptor matrix interface includes the correlation between Jungian psychology and the correlative derivative of the Hindu Sutras that obviously provided Jung with the inspiration for the development of his principles of psychic functioning The author's treatment of the internal dynamics and historical continuity of the psychedelic experience also includes a very important reference in the Christian Bible and is interlaced in a 30 year autobiography that includes a very long and very intense nightmare about the reincarnation of Hitler

The Apocalypse of Paul (Visio Pauli) in Sahidic Coptic Lautaro Roig Lanzillotta, Jacques van der Vliet, 2022-12-28 The apocryphal Apocalypse of Paul Visio Pauli plunges us right into the heart of early Christian conceptions of heaven and hell Its vivid eyewitness account of otherworldly punishment and reward was translated into many different languages and inspired numerous later authors among whom Dante This book offers a re edition and English translation of the ancient Coptic version An exhaustive commentary makes the text accessible and situates it in the time and place where it was written fourth century Egypt As this new study shows the Coptic version is by far the best available witness of the original Apocalypse of Paul

Messages Given During the Resumption of Watchman Nee's Ministry Watchman Nee, 1991

From Something to Nothing Harry Fox, Daniel Maoz, Tirzah Meacham, 2019-05-24 Jewish mysticism approaches God as no thing or nothing reflecting Judaism's traditional identification of God as incorporeal Whereas technical philosophical language often employed to discuss Jewish mysticism

has a tendency to ward off otherwise interested readers this study sufficiently breaks down the technical language of Jewish mysticism in its various expressions to allow a beginner to benefit from what may otherwise be indescribable and only approached by consideration of what is not rather than what is Integral to the title From Something to Nothing is the concept that God cannot be something because that would be restricting so God is simply no thing Ironically the conventional religious expression for the biblical notion of creation is something from nothing whereas the title of this volume is its precise opposite which may at first seem to be illogical creation in reverse However in a volume dedicated to various deliberations on magic and mysticism the ultimate reality may receive expression as nothingness that is no thingness no quality associated with things What adds to our difficulty today is that nothingness is inextricably linked with silence Is silence also an element or indication of an ultimate reality or its absence Or is it merely the reflection of nothing whatsoever This is at the heart of modern debates between atheists and believers Believers feel that even this silence speaks to this ultimate reality whereas atheists claim that if you cannot show it then you do not know it In other words believers are victims of their own wishful thinking From Something to Nothing memorializes Canadian mystic and scholar Zalman Schachter Shalomi z l engaging in particular aspects that he addressed at some phase of his colourful and erudite life providing the reader with a broad spectrum of both phenomenological and intellectual topics

Thinking Through the Problem of Hell R. Zachary Manis, 2024-08-27 The Christian tradition teaches that some people will suffer eternally in hell But why Doesn t an all powerful God have the ability to prevent this from happening to anyone Wouldn t a perfectly good and loving God want to prevent it And doesn t the traditional teaching about hell function as a threat coercing those who truly believe it These questions convey the problem of hell the most disturbing of all theological problems and one of the most difficult to solve Thinking Through the Problem of Hell is a rigorous yet accessible treatment of the issue The solution that it develops called the divine presence model is that heaven and hell are the various ways that the righteous and the wicked experience the presence of God after the final judgment In its fully developed form the divine presence model addresses a whole host of theological issues the purpose of suffering the meaning of salvation the nature of free will and self deception and the reason that God remains partially hidden in this life even to those who earnestly seek Him This is a book for those who refuse pat simplistic answers to the hardest questions of the Christian faith
