Looking Forward, Looking Back Jana Pohl, 2011 How is the life altering event of migration narrated for children especially if it was caused by Anti-Semitism and poverty What of the country of origin is remembered and what is forgotten and what of the target country when the migration is imagined there a century later *Looking Forward Looking Back* examines today's representation of Jewish mass migration from Eastern Europe to America around the turn of the last century It explores the collective story that emerges when American authors look back at this exodus from an Eastern European home to a new one to be established in America Focusing on children's literature it investigates a wide range of
