Cosh,2022-08-05 We all have an earthly zip code a place we live and call home It ranges from 10001 for New Yorkers to 90210 for those in Beverly Hills But what about our life after death the next phase for our souls aEUR the afterlife eternity and heaven Yes we seek

guidance from the world's major religions and the plethora of beliefs and perceptions from other sources as to where our souls might end up. Yet an astonishing one quarter of those who consider themselves part of a major religion still don't believe in heaven at all. Life's Last Fork in the Road offers a thought provoking scientific and theological overview of what heaven is and isn't among the major belief systems but goes a step further asking and offering answers to the question: What zip code do you want on your tombstone? Like your fingerprint you want it to fit within your spiritual beliefs and comfort zone not someone else's. If we can choose our zip code on earth why not in heaven.

The Writers Directory, 2013 [Road Series](#) Hugo Race, 2016-03-01 In the spirit of Patti Smith's M Train Road Series is both love story and elegy. Renowned musician Hugo Race's evocations of Melbourne, Sydney, the USA, Europe and Mali and the life of a rock musician on the road are revealing, incisive and exquisitely written. A cerebral road poem of the musician as outlier crossing decades and continents from the Melbourne punk scene of the early 1980s to quite literally Timbuktu. Luke Davies author of Candy and God of Speed Hugo writes with a unique voice and the insights of one in the middle of the maelstrom. Mick Harvey

The Writer's Directory, 1998-2000 Miranda H. Ferrara, 1995 Information on more than 17,500 living authors from English speaking countries

The Shorthand World and Imperial Typist, 1903 [Resting Places](#) Scott Wilson, 2016-08-19 In its third edition this massive reference work lists the final resting places of more than 14,000 people from a wide range of fields including politics, the military, the arts, crime, sports and popular culture. Many entries are new to this edition. Each listing provides birth and death dates, a brief summary of the subject's claim to fame and their burial site location or as much as is known. Grave location within a cemetery is provided in many cases as well as places of cremation and sites where ashes were scattered. Source information is provided.

[The Road to Somewhere](#) James A. Reeves, 2012-05-28 A photo memoir of one man's travels through America that is as sprawling and chaotic as the country itself. One day James A. Reeves realized that he no longer understood his country or what he should be doing in it. There was a time when the road to manhood was clear: go to war, find a job with a big company, wear a tie and start a family. But then the wars got strange and companies changed. He decided to go for a drive to clear his head. What resulted is a scattershot journey spanning five years, forty thousand miles, twelve speeding tickets and several moments of unexpected kindness through the neon corridors and dark corners of America. Reeves drove along the back roads, taking pictures and looking for answers, kept company by the nervous chatter of talk radio and the ambient drone of twenty-four hour diners as he drifted toward a slow reckoning with his own compulsions and unexpected loss.

[The Road to Comedy](#) Donald McCaffrey, 2004-12-30 Although Bob Hope has been the subject of many biographies, no book yet has fully explored the comic persona he created in vaudeville and radio, brought to fruition in dozens of films from the 1930s through the 1960s and made a lasting influence on comedians from Woody Allen to Conan O'Brien. Now in *The Road to Comedy: The Films of Bob Hope*, noted film comedy authority Donald W. McCaffrey finally places Hope in his well deserved position among the highest rank of film comedians of his era. Drawing on archival materials and

interviews with collaborators McCaffrey analyzes each major film in depth with due attention to particular sequences that reveal how Hope created a unique comic personality that lasted over dozens of very popular films from the Road movies with Bing Crosby through such underrated classics as Son of Paleface Monsieur Beaucaire and Casanova's Big Night In so doing McCaffrey introduces readers to a Bob Hope now overshadowed by his own reputation We see here that Hope's significance has been greater than any USO appearance or television special might suggest Because many of these movies have recently been made available on DVD the first time in decades that they've been easily available to the general public the volume will also serve as an excellent introduction for those wanting to see these films for the first time
