The Legitimacy of Poetic Reason O. Bradley Bassler,2022-09-26 Many philosophical accounts of reason are geared toward providing rational justifications ex post facto rather than accounting for the role reason plays in actu in the process of creative work Moreover when in actu accounts of reason are given they are usually too narrow to describe the sort of high level creative work that is involved in the composition of poetry or the creation of a scientific theory This book suggests that the rudiments of a broader account are found in various German Idealist figures most notably the philosopher novelist critic Friedrich Schlegel and the philosophical poet and novelist Friedrich Hlderlin However German Idealism generally is subject to Hans Blumenberg s secularization critique which provides a strong prima facie argument that the accounts of poetic reason suggested by Schlegel and Hlderlin are indefensible This book argues that confronting Blumenberg s secularization critique and his associated legitimation of modernity with a romantic conception of poetic reason requires revisions on both sides and that the work of Lacan is especially well suited to provide the conditions upon which a legitimation of poetic reason can be provided **Proceedings of the Good Roads Institute, Held at the University of North Carolina** Good Roads Institute, Chapel Hill, N.C.,1914 The Reason of it Samuel Hallett,1859 **The Works of Samuel Johnson, LL.D.** Samuel Johnson,1806 **The Hive of Modern Literature: a Collection of Essays, Narratives Allegories, and**
