Roads To Nowhere A Novel Set In Africa:

Roads to Nowhere Lawrence James Middleton, 1994-01-01 *Quill & Quire* ,2007 Canadian Books in Print 2002
Edited by Butler Marian, Marian Butler, 2002-02 Containing more than 48000 titles of which approximately 4000 have a 2001 imprint the author and title index is extensively cross referenced It offers a complete directory of Canadian publishers available listing the names and ISBN prefixes as well as the street e mail and web addresses Canadian Books in Print ,2000 Love and Space in Contemporary African Diasporic Women's Writing Jennifer Leetsch, 2021-07-16 This book sets out to investigate how contemporary African diasporic women writers respond to the imbalances pressures and crises of twenty first century globalization by querying the boundaries between two separate conceptual domains love and space The study breaks new ground by systematically bringing together critical love studies with research into the cultures of migration diaspora and refuge Examining a notable tendency among current black feminist writers poets and performers to insist on the affective dimension of world making the book ponders strategies of reconfiguring postcolonial discourses Indeed the analyses of literary works and intermedia performances by Chimamanda Adichie Zadie Smith Helen Oyeyemi Shailja Patel and Warsan Shire reveal an urge of moving beyond a familiar insistence on processes of alienation or rupture and towards a new reparative emphasis on connection and intimacy to imagine possible inhabitable worlds *Northrop Frye and American Fiction* Claude Le Fustec, 2015-01-01 *Northrop Frye and American Fiction* challenges recent interpretations of American fiction as a secular pursuit that long ago abandoned religious faith and the idea of transcendent experiences Inspired by recent philosophical thinking on post secularism and by Northrop Frye s theorizing on the connections between the Bible and the development of Western literature Claude Le Fustec presents insightful readings of the presence of transcendence and biblical imagination in canonical novels by American writers ranging from Nathaniel Hawthorne to Toni Morrison Examining these novels through the lens of Frye s ambitious account of literature s transcendent or kerygmatic power Le Fustec argues that American fiction has always contained the seeds of a rejection of radical skepticism and a return to spiritual experience Beyond an insightful analysis of Frye s ideas *Northrop Frye and American Fiction* is powerful testimony of their continued interpretive potential The Oxford Companion to Twentieth-Century Literature in English Jenny Stringer, 1996-09-26 This is a unique new reference book to English language writers and writing throughout the present century in all major genres and from all around the world from Joseph Conrad to Will Self Virginia Woolf to David Mamet Ezra Pound to Peter Carey James Joyce to Amy Tan The survivors of the Victorian age who feature in *The Oxford Companion to Twentieth Century Literature in English* writers such as Thomas Hardy Olive Schreiner Rabindranath Tagore Henry James could hardly have imagined how richly diverse *Literature in English* would become by the end of the century Fiction plays poetry and a whole range of non fictional writing are celebrated in this informative readable and catholic reference book which includes entries on literary movements periodicals and over 400 individual works as well as articles on some 2 400 authors All the great

literary figures are included whether American or Australian British Irish or Indian African or Canadian or Caribbean among them Samuel Beckett Edith Wharton Patrick White T S Eliot Derek Walcott D H Lawrence Tennessee Williams Vladimir Nabokov Wole Soyinka Sylvia Plath as well as a wealth of less obviously canonical writers from Ana s Nin to L M Montgomery Bob Dylan to Terry Pratchett The book comes right up to date with contemporary figures such as Toni Morrison Ben Okri Salman Rushdie Carol Shields Tim Winton Nadine Gordimer Vikram Seth Don Delillo and many others Title entries range from Aaron s Rod to The Zoo Story topics from Angry Young Men Bestsellers and Concrete Poetry to Soap Opera Vietnam Writing and Westerns A lively introduction by John Sutherland highlights the various and sometimes contradictory canons that have emerged over the century and the increasingly international sources of writing in English which the Companion records Catering for all literary tastes this is the most comprehensive single volume guide to modern and postmodern literature

British Women Writing Fiction Abby H.P. Werlock,2000-02-09 Original essays by American and British scholars offer a reader friendly introduction to the work of Angela Carter Doris Lessing and a dozen other British women writers British women in the second half of the 20th century have produced a body of work that is as diverse as it is entertaining This book offers an informal jargon free introduction to the fiction of sixteen contemporary writers either brought up or now living in England from Muriel Spark to Jeanette Winterson British Women Writing Fiction presents a balanced view comprising women writing since the 1950s and 1960s those who attracted critical attention during the 1970s and 1980s and those who have burst upon the literary scene more recently including African Caribbean and African women The essays show how all of these writers treat British subjects and themes sometimes from radically different perspectives and how those who are daughters of immigrants see themselves as women writing on the margins of society Abby Werlock s introduction explores the historical and aesthetic factors that have contributed to the genre showing how even those writers who began in a traditional vein have created experimental work The contributors provide complete bibliographies of each writer s works and selected bibliographies of criticism Exceptional both in its breadth of subjects covered and critical approaches taken this book provides essential background that will enable readers to appreciate the singular merits of each writer It offers an approach toward better understanding favorite authors and provides a way to become acquainted with new ones
