Robaks Run:

Robak in Black Joe L. Hensley, 2025-10-16 Five years ago Don Robak set aside his practice as an attorney to take up a new one that of judge But his wife Jo is suddenly stricken with a strange illness that leaves her robbed of much of her memory strength and in need of professional care and leaves Don alone bereft and convinced that Jo's illness was a planned attack and not an accident of fate Though he lacks evidence Robak has plenty of suspects of whom the major ones include the Wolfers a local clan of tax rebels whose patriarch Damion Darius Wolf is out for revenge after Judge Robak sentenced his son to death The other is Libby Macing the daughter and principle of local powerhouse Macing Drugs with whom Robak was once involved and now is part of a lawsuit against Macing Drugs that is being tried in Robak's court It soon becomes clear that something nefarious is going on that some tie exists between the much feared Wolfers and their opposite on the social scale the Macing clan As threats against Robak and his sick wife persist and intensify Robak finds his old instincts beginning to kick in Determined to remain impartial during the trial being heard before him he is equally determined to find out the truth of the situation before he and his loved ones fall victim to whomever is pulling the strings behind the scene in Joe L. Hensley's Robak in Black

Safetown J.R. Roberts, PLAGUED Clint Adams had never seen or smelled anything like it The pile of bodies gave off a stench strong enough to send a man reeling But when the last live one in the bunch begged Clint to put an end to his misery he stepped up and fired Clint can't believe he put a bullet in a helpless man and now he's got the feeling things are only gonna get worse Turns out there's an epidemic sweeping through these parts and there's only one place for a healthy gunslinger to go Thing is once you get to Safetown you're not allowed to leave It's a rule some dangerous folks are trying their darnedest to break and it's up to the Gunsmith to stop them Justice Denoted Terry

White, 2003-09-30 White provides the most comprehensive scholarly compilation of fictional work of legal suspense in existence Primarily a bibliography of novels it also annotates plays scripts for film and television novelizations and short story collections about lawyers and the law The idea behind the principal of selection is to disdain labels that reduce the variety of the legal thriller to a subgenre of mystery fiction Novels that range from suspense thrillers through science fiction to the philosophical novel are included if justice is thematically important It is therefore an eclectic reference source beyond a compilation of books about lawyers as protagonists Its biographical and scholarly information about authors major and minor and their novels or works is traditionally encyclopedic and objective regardless of whether the work has been genre defined or worse deified as a classic or denigrated as a bestseller Many novels included are long out of print but historically interesting for their contribution to the lineage of the courtroom drama showing that the history of the legal thriller is one of the major branches of modern literature since the Age of Reason The criterion of justice denoted moves beyond the fact of lawyers and courtrooms to select seminal novels like Robert Travers Anatomy of a Murder as well as the romantic potboiler Among the more than 2 000 works are the Perry Mason novels of Erle Stanley Gardner John Mortimer's Rumpole series along

Pan Tadeusz Adam Mickiewicz, 2019-05-05 A new annotated translation in elegant English prose of this masterpiece of European Romantic literature *Pan Tadeusz* is a classic tale of mystery war and patriotism set in the turbulent Napoleonic era First published in 1834 in Paris it has been called the last epos in world literature The old Polish Lithuanian Commonwealth lies dismembered erased from the political map of Europe by the great powers of Russia Prussia and Austria A brief ray of hope rekindles national hopes in 1807 when Napoleon establishes the Duchy of Warsaw by the terms of the Treaty of Tilsit and prepares to invade Russia The oft overshadowed counterpoint to *War and Peace* and the 1812 *Overture* Sponsored by the Polish Book Institute's book in translation program **Jim Kobak's Kirkus Reviews** ,1990 **Rural Rebellion** Ross Benes, 2025-11-18 After Ross Benes left Nebraska for New York he witnessed his polite home state become synonymous with

Trump country Long dismissed as flyover land the area where he was born and raised suddenly became the subject of TV features and frequent opinion columns With the rural urban divide overtaking the national conversation Benes knew what he had to do he had to go home In *Rural Rebellion* Benes explores Nebraska's shifting political landscape to better understand what's plaguing America He clarifies how Nebraska defies red state stereotypes while offering readers insights into how a frontier state with a tradition of nonpartisanship succumbed to the hardened right Extensive interviews with US senators representatives governors state lawmakers and other power brokers illustrate how local disputes over health care coverage and education funding became microcosms for our current national crisis *Rural Rebellion* is also the story of one man coming to terms with both his past and present Benes writes about the dissonance of moving from the most rural and conservative region of the country to its most liberal and urban centers as they grow further apart at a critical moment in history He seeks to bridge America's current political divides by contrasting the conservative values he learned growing up in a town of three hundred with those of his liberal acquaintances in New York City where he now lives At a time when social and political differences are too often portrayed in stark binary terms and people in the Trump supporting heartland are depicted in reductive one dimensional ways Benes tells real life stories to add depth and nuance to our understanding of rural Americans attitudes about abortion immigration big government and other contentious issues His argument and conclusion are simple but powerful that Americans in disparate places would be less hostile to one another if they just knew each other a little better Part memoir journalism and social science *Rural Rebellion* is a book for our times *Clues*, 1991 St. James Guide to Science Fiction Writers Jay P. Pederson, 1996 Concise discussions of the lives and principal works of prominent science fiction authors written by subject experts **Novel Verdicts** Jon L. Breen, 1999 The advent of Court TV and the increasing news coverage of high profile trials have pushed legal proceedings to the forefront of public interest today Jon L Breen has answered a growing demand for information with a second edition of *Novel Verdicts A Guide to Courtroom Fiction* a critical bibliography of courtroom fiction This new edition not only updates old annotations but explores the literary response to new areas of focus and development that have emerged in the law since 1984 The original 421 entries have been retained among the 790 in the present volume and Breen's guide also highlights a number of specialists who have recently emerged including John Grisham Steve Martini William Bernhardt Paul Levine and Richard North Patterson Annotations provide general information about the author and indicate the proportion of trial action included in each book A critical bibliography for librarians lawyers and courtroom enthusiasts alike *Novel Verdicts* is a useful and easy to use reference tool that captures the changes in the law as depicted in courtroom fiction Olderr's Fiction Index, 1990 *The Armchair Detective*, 1995 **Library Journal**, 1990 Winds of Purgatory Rex A.
