Robbers Trail:

The Northfield Tragedy; or, the Robber's Raid J. H. Hanson, 2022-06-13 In *The Northfield Tragedy or the Robber's Raid* J. H. Hanson crafts a gripping narrative centered around the infamous bank raid in Northfield, Minnesota, in 1876. This work, rooted in historical realism, employs vivid descriptions and a dramatic tone that immerse readers into the chaotic atmosphere of the raid, capturing the interplay between heroism and villainy. Hanson's meticulous attention to period details and character development enhances the emotional weight of the story, allowing readers to witness the complexities of courage in the face of lawlessness, thus situating the book within a broader context of American frontier literature and true crime narratives of the late 19th century. J. H. Hanson, an astute chronicler of American history, draws upon his extensive knowledge of the local lore and historical events that shaped the Midwest. His fascination with tales of courage and moral dilemmas is reflected in his works, often inspired by real-life events that provoke questions about justice and human resilience. Through a lens of personal connection to the Northfield community, Hanson infuses authenticity into his portrayal of both the historical figures involved and the social ramifications of the raid on American society. This riveting book is highly recommended for readers seeking a compelling blend of history and drama. Hanson's exploration of *The Northfield Tragedy* not only entertains but also serves as a poignant reflection on societal values during tumultuous times. Whether you're a fan of historical fiction or a scholar of American history, this tale of heroism and tragedy will resonate long after the last page is turned. **4WD Trails: Central Utah** Peter Massey, Jeanne Wilson, 2002-10 NEW COLOR VERSION IS AVAILABLE See ADLER PUBLISHING listing for UTAH TRAILS CENTRAL REGION **Utah Trails Central Region** Peter Massey, Jeanne Wilson, 2007-02 This handy 6x9 guidebook is a new full color volume that navigates 822 miles of backcountry trails in Central Utah near the towns of Green River, Richfield, Hanksville, Crescent Junction, and Castle Dale. Ostling, 2014-09-21 This is the second in a 3 novel series featuring Dan Currie, a gambler turned business man in an 1870s gold mining town high in the Colorado Rockies. Currie had always considered himself a lucky man. He'd won a non-producing gold mine in a poker game and soon hit one of the biggest strikes in Colorado. He and his wife Etta now owned several mines, a bank, a hotel, and a large ranch with thousands of cattle. But Currie's luck had suddenly turned bad. A huge explosion tore his highest producing gold mine apart. His bank was robbed. One of his young cowboys was brutally murdered when rustlers hit his ranch. Currie was shot off a cliff and nearly drowned. And now someone had hired Sam Gash, a dangerous professional assassin, to murder him. Lightning fast with a gun, Gash was also known to kill from ambush on occasion. One thing was certain: When Gash and Currie met, someone would surely die. **The Black Hills Trails** Jesse Brown, A.
