

Robert Grosseteste

James McEvoy

Robert Grosseteste:

On the Six Days of Creation Robert Grosseteste, Christopher F. J. Martin, 1996 This is a new translation of Grosseteste's masterful commentary on the Biblical account of the Creation Presenting a rich look at the unity of the medieval outlook the Hexaemeron combines the learning of East and West in a distinctively English way *The Writings of Robert Grosseteste, Bishop of Lincoln 1235-1253* S. Harrison Thomson, Samuel Harrison Thomson, 2013-01-03 This 1940 book constitutes an extensive bibliographical study of the works of Robert Grosseteste the 13th century Bishop of Lincoln Over 140 libraries were visited and approximately 2500 manuscripts consulted during the preparation of the text with many manuscripts being examined without prior knowledge that they contained material by Grosseteste *Robert Grosseteste and the pursuit of Religious and Scientific Learning in the Middle Ages* Jack P. Cunningham, Mark Hocknull, 2016-08-29 This book explores a wide range of topics relating to scientific and religious learning in the work of Bishop Robert Grosseteste c 1168 1253 and does so from various perspectives including those of a twenty first century scientists historians and philosophers as well as several medievalists In particular it aims to contribute to our understanding of where to place Grosseteste in the history of science against the background of the famous claim by A C Crombie that Grosseteste introduced what we now might call experimental science and to demonstrate that the polymathic world of the medieval scholar who recognized no dichotomy in the pursuit of scientific and philosophical theological understanding has much to teach those of us in the modern world who wrestle with the vexed question of the relationship between science and religion The book comprises an edited selection of the best papers presented at the 3rd International Robert Grosseteste Conference 2014 on the theme of scientific and religious learning especially in the work of Grosseteste **De cessatione legalium** Robert Grosseteste, 1986 The second in a series of works by the 13th century philosopher Robert Grosseteste De Cessatione Legalium contains the fullest exposition of his remarkably original doctrine of the Incarnation *Robert Grosseteste* James McEvoy, 2000-09-21 Robert Grosseteste c 1168 1253 was the initiator of the English scientific tradition one of the first chancellors of Oxford University and a famous teacher and commentator on the newly discovered works of Aristotle In this book James McEvoy provides the first general inclusive overview of the entire range of Grosseteste's massive intellectual achievement *Robert Grosseteste and His Intellectual Milieu* Robert Grosseteste, Joseph Ward Goering, James R. Ginther, John Flood, 2013 Papers previously presented at the 2003 conference of the International Robert Grosseteste Society held at Bishop Grosseteste University College Lincoln England **The Letters of Robert Grosseteste, Bishop of Lincoln** Robert Grosseteste, 2010-01-01 This is a highly readable and accurate translation The very useful annotations help to orient the modern reader with respect to medieval concepts reflecting a profound understanding of thirteenth century institutional history and the social and legal context of medieval Christianity An extraordinary piece of scholarship James Ginther Department of Theological Studies St Louis University Robert Grosseteste c 1170 1253 was an English statesman philosopher theologian and bishop of Lincoln and also

one of the most controversial figures in his country's episcopate His long life coincided with the central period of institutional intellectual and religious consolidation in medieval Europe and his letters provide important insights into the practices and preoccupations of the English clergy and laity in the first half of the thirteenth century This volume contains the first complete translation of Grosseteste's collected Latin letters and shows that these were most likely chosen and arranged by Grosseteste himself Shedding light on some of the period's crucial debates on issues of theology law pastoral care and episcopal authority F A C Mantello and Joseph Goering's richly annotated English translation makes his letters more accessible than ever for scholars and students and for those interested in medieval history religion and culture **Robert**

Grosseteste International Robert Grosseteste Society. Conference, Jack Cunningham, 2012 Papers previously presented at the 2009 conference of the International Robert Grosseteste Society held at Bishop Grosseteste University College Lincoln England **Robert Grosseteste** Robert Grosseteste, 2003-01-01 Robert Grosseteste J. J. McEvoy, 1995 In Grosseteste

we have on our hands a figure not only of great complexity in himself but of even greater complexity in the kind of evidence which we are required to use It is worth remembering that despite all efforts of the last half century quite half of his works are still unpublished When we turn to Grosseteste we find a situation which is as different from this as it could well be He presents a quite unique combination of problems The range of subjects he studied the way in which he studied them and the order in which he studied them seem to be to a much greater extent than any of the great scholastic thinkers to be an expression not of any normal programme of university studies but of his personality and of the obscure and varied background and circumstances of his life His thoughts on the subjects which he chose to elaborate are markedly his own In a word uniqueness of circumstances and personality **The Life and Times of Robert Grosseteste, Bishop of Lincoln**

George Gresley Perry, 2012 **Robert Grosseteste** Francis Seymour Stevenson, Features a biographical sketch of the English mathematician Robert Grosseteste 1168-1253 presented by the School of Mathematics and Statistics of the University of Saint Andrews in Scotland Discusses Grosseteste's work in geometry optics and astronomy **Master of the**

Sacred Page James R. Ginther, 2017-03-02 Modern scholarship has examined the life and works of Robert Grosseteste ca 1170-1253 mainly in a philosophical or episcopal context yet Grosseteste wrote many treatises on pastoral theology spent some years as a regent master in theology at the University of Oxford and maintained interest in theological discourse throughout his time as Bishop of Lincoln This book offers the first scholarly study of Grosseteste as theologian taking account of the whole range of his theological writing both in published and unedited sources Ginther reveals the central focus of Grosseteste's theology as the person and work of Christ with the person of Christ as the interpretive key by which humanity comes to see the Trinity in the created world and the means by which humanity may participate in the divine Surveying some of the major doctrinal issues of the thirteenth century this book offers a thorough introduction to the theology of the period

The Philosophy of Robert Grosseteste J. J. McEvoy, 1982 In this book the author examines Grosseteste's philosophical

contribution and discusses his views on a wide range of topics light and optics the mathematical laws governing the movement of bodies God the mathematical Creator the angels human knowledge certitude observation and experience religious symbolism and its interpretation and the place of man within the social natural historical and providential orders

Robert Grosseteste Richard William Southern,1992 For this second edition Sir Richard Southern has revised his much acclaimed study in the light of recent scholarly research and added an extensive preliminary chapter on the debate over Robert Grosseteste s career and intellectual growth **The Life and Times of Robert Grosseteste, Bishop of Lincoln**

George Gresley Perry,1871 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Robert Grosseteste, Bishop of Lincoln** Francis Seymour Stevenson,1899 **Robert Grosseteste,**

Bishop of Lincoln ,1896 **Robert Grosseteste** J. J. McEvoy,James Mac Evoy,Dean of the Faculty of Philosophy James McEvoy,2000 Robert Grosseteste c 1168 1253 was the initiator of the English scientific tradition one of the first chancellors of Oxford University and a famous teacher and commentator on the newly discovered works of Aristotle In this book James McEvoy provides the first general inclusive overview of the entire range of Grosseteste s massive intellectual achievement

The Life of Robert Grosseteste, the Celebrated Bishop of Lincoln Samuel Pegge,1793

Unveiling the Power of Verbal Art: An Emotional Sojourn through **Robert Grosseteste**

In some sort of inundated with displays and the cacophony of immediate interaction, the profound energy and psychological resonance of verbal beauty usually diminish in to obscurity, eclipsed by the continuous barrage of noise and distractions. Yet, located within the musical pages of **Robert Grosseteste**, a charming perform of fictional beauty that pulses with raw feelings, lies an wonderful trip waiting to be embarked upon. Penned by a virtuoso wordsmith, this exciting opus guides viewers on a psychological odyssey, softly exposing the latent possible and profound impact embedded within the delicate internet of language. Within the heart-wrenching expanse with this evocative evaluation, we will embark upon an introspective exploration of the book is central styles, dissect their fascinating writing style, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
