Osbourne, 2018-01-12 Excerpt from Robert Louis Stevenson in California His stay turned into exile for he found that only in
the South Seas could he live and sad days and longing for familiar friends and faces succeeded especially in the last years of
his life but he never again even ventured so far as San Francisco The mere extent of a man's travel has in it something
consolatory That he should have left friends and enemies in many different and distant quarters gives a sort of earthly dignity
to his existence and I think the better of myself for the belief that I have left About the Publisher Forgotten Books publishes
