compilation delves into Stevenson's extensive travel writings reflecting his experiences from the misty highlands of Scotland to the sun-kissed shores of the South Pacific. The prose is characterized by Stevenson's signature lyrical style, deftly blending personal reflection with vivid descriptions that transport the reader to the landscapes he so passionately explored. These sketches, infused with a sense of wanderlust, provide not only a glimpse into various cultures but also into the inner workings of a restless mind searching for belonging and adventure. Robert Louis Stevenson, born in 1850, was not just a novelist but a traveler and a keen observer of human nature. His formative years were shaped by the rigid expectations of Victorian society, which he bravely challenged through his literary pursuits. Stevenson's frequent travels, particularly his time in the South Pacific Islands, greatly influenced his writing, leading him to explore themes of isolation, identity, and the clash between civilization and nature. These experiences added depth to his works, establishing him as an early pioneer of travel literature. This anthology promises to captivate readers who not only appreciate adventure but also seek insight into the human condition. Stevenson's ability to intertwine observation with philosophical musings makes this book a valuable addition to the libraries of both travel enthusiasts and literary scholars alike. It is an essential read that reminds us of the beauty and complexity of our world through the eyes of a master storyteller.

Robert Louis

Stevenson David S. Robb, 2015 The book consists of a series of discussions of the prose fiction of Robert Louis Stevenson from his first book *New Arabian Nights* to the last short novel published in his lifetime *The Ebb Tide* All his best known novels are covered as well as a selection of his lesser known works The focus is on the works themselves rather than on Stevenson's admittedly fascinating life which is touched on only so as to provide a context for his writing It is arranged by the dates when the works were written rather than when they were published so as to provide an outline sketch of his career as a writer The emphasis is on the diversity and energy of Stevenson's creativity without seeking to overemphasize distinctions frequently applied to him in the past such as that between his stories for boys and books apparently written for adults

Robert Louis Stevenson in the Pacific Roslyn Jolly, 2016-12-05 Robert Louis Stevenson's departure from Europe in 1887 coincided with a vocational crisis prompted by his father's death Impatient with his established identity as a writer Stevenson was eager to explore different ways of writing at the same time that living in the Pacific stimulated a range of latent intellectual and political interests Roslyn Jolly examines the crucial period from 1887 to 1894 focusing on the self transformation wrought in Stevenson's Pacific travel writing and political texts Jolly shows how Stevenson's desire to understand unfamiliar Polynesian and Micronesian cultures and to record and intervene in the politics of Samoa gave him opportunities to use his legal education pursue his interest in historiography and experiment with anthropology and journalism Thus as his geographical and cultural horizons expanded Stevenson's professional sphere enlarged as well stretching the category of authorship in which his successes as a novelist had placed him Rather than enhancing his stature as a popular writer however Stevenson's experiments with new styles and genres and the Pacific subject matter of his later works were resisted by his readers Jolly's analysis of contemporary responses to Stevenson's writing gleaned from an extensive collection of reviews many of which are not readily available provides fascinating insights into the interests obsessions and resistances of Victorian readers As Stevenson sought to escape the vocational straightjacket that confined him his readers just as strenuously expressed their loyalty to outmoded images of Stevenson the author and their distrust of the new guises in which he presented himself
