Arts of Healing Arleen Ionescu, Maria Margaroni, 2020-06-22 This book occurs at the intersection of philosophy critical theory psychoanalysis and the visual arts Each chapter looks at art produced in various traumatogenic cultures detention centres post Holocaust film autobiography and many more Other chapters look at the Juarez femicides the production of collective memory of makeshift memorials acts of forgiveness and contemporary forms of trauma The book proposes new ways of thinking trauma foregrounding the possibility of healing and the task that the critical humanities has to play in this healing Where is its place in an increasingly terror haunted world where personal and

collective trauma is as much of an everyday occurrence as it is incomprehensible What has become known as the classical model of trauma has foregrounded the unrepresentability of the traumatic event New revisionist approaches seek to move beyond an aporetic understanding of trauma investigating both intersubjective and intrasubjective psychic processes of healing Traumatic memory is not always verbal and iconic forms of communication are part of the arts of healing *Dante Alive* Francesco Ciabattoni, Simone Marchesi, 2022-09-30 The essays collected here join in and contribute to the current reflection on Dante's vitality today in a critical multidisciplinary vein Their intervention comes at a particularly sensitive juncture in the history of Dante's global reception and cultural reuse Dante today is as alive as ever A cultural icon no less than a cultural product Dante's imaginative universe enjoys a pervasive presence in popular culture The multiformity of approaches represented in the collection matches the variety of the material that is analyzed The volume documents Dante's presence in genres as different as graphic novels and theater productions children's literature advertisements and sci fi narratives rock and rap music video and boardgames satirical vignettes and political speeches school curricula and prison teaching initiatives Each chapter combines a focused attention to the specificity of the body of evidence it treats with best analytical practices The volume invites collective reflection on the many different rules of engagement with Dante's text

Jews in Italy Under Fascist and Nazi Rule, 1922-1945 Joshua D. Zimmerman, 2005-06-27 Publisher Description

100 Nights in the Dark Joe Barlow, 2000-12 Fed up with snooty film critics Then this is the book for you 100 Nights in the Dark is a collection of 100 humorous insightful film reviews and essays by renowned critic Joe Barlow Want the low down on a particular film before you pop it into your VCR Barlow tells you which recent films are worth seeing which you should skip and which will require years of painful therapy should you view them and he does it in the same playful irreverent style which has made him one of the Internet's most popular movie reviewers *Worlds in Words* Mateusz Borowski, Malgorzata Sugiera, 2010-04-16 The collection of essays *Worlds in Words* Storytelling in Contemporary Theatre takes up the currently widely debated issue of the revival of various techniques of storytelling in contemporary theatre practice and playwriting This topic is set in a larger context of the crisis of traditional theatrical and dramatic representation in the 20th century and sets the discussion of new storytelling techniques within the framework of cultural and post colonial studies as well as the recent theories of performativity These new performative modes of theatre practice in the recent decades have exerted a strong impact on the mainstream staging techniques as well as on the form and use of texts written for the theatre today By focusing on the basic relationship between the text the stage and the audience the papers collected in this volume trace these fundamental changes taking place nowadays which testify to the major shifts in the understanding of the very concept of theatre its place among other arts and media as well as in culture especially in the marginalized cultures and diasporas The authors of the papers collected here undertake a comprehensive analysis of the phenomenon of storytelling and adopt an interdisciplinary approach which will makes it possible to give account of the diverse cultural and socio political grounding of

the contemporary theatrical and dramatic techniques
