Secret Surrogate:

Secret Surrogate Delores Fossen, 2025-02-11 KEEPING WATCH The last thing this Texas sheriff wanted was to heed a frantic late night call from the woman who had destroyed his life. Old wounds were ripped wide open after Lucas Creed discovered that his former deputy had moved on and was pregnant to boot. But after rescuing Kylie Monroe from hired guns and taking her under his protection, she repaid him by dropping a bombshell on his world-weary shoulders. Kylie knew that her misstep in the line of duty had cost Lucas everything. Now as his secret surrogate, she planned to give the gruff lawman the ultimate gift to heal his heart, although it would break her own. When they teamed up to expose the corrupt man behind the threats, would their glacial rift melt beneath an inferno of desire.

The Secret Surrogate Stephanie Mitchell, 2021 As a generous and respected philanthropist, Brooklyn Taylor is well aware that image is everything. Married, successful, and living a life she created from scratch, Brooklyn only needs one thing to feel complete: a baby. Unable to have one, she hires a surrogate in secret. And then she gets a positive pregnancy test of her own. But just weeks before their due dates, Brooklyn's surrogate vanishes, and her perfectly crafted life begins to crumble. Desperate and running out of time, she does everything she can to find her missing baby before it is too late. But as she also tries to keep the disappearance and her connection to the surrogate under wraps, the media pounces on the story. Almost immediately, the headlines turn against her in a flurry of secrets and lies. Her life, her business, and her family are all under attack. Why was the owner of an exclusive adoption center keeping a surrogate a secret? What happened to the heavily pregnant surrogate and Brooklyn's unborn child? Does her agency have anything to do with it? Does her husband? Does she?

The Terrorism Trap Harrison Akins, 2023-06-20 After two decades and trillions of dollars, the United States' fight against terrorism has achieved mixed results. Despite the vast resources and attention expended since 9/11, terrorism has increased in many societies that have been caught up in the war on terror. Why have U.S. policies been unable to stem the tide of violence? Harrison Akins reveals how the war on terror has had the unintended consequence of increasing domestic terrorism in U.S. partner states. He examines the results of U.S.-backed counterterrorism operations that targeted al-Qaeda in peripheral regions of partner states, over which their central governments held little control. These operations often provoked a violent backlash from local terrorist groups, leading to a spike in retaliatory attacks against partner states. Senior U.S. officials frequently failed to grasp the implications of the historical conflict between central governments and the targeted peripheries. Instead, they exerted greater pressure on

partner states to expand their counterterrorism efforts This exacerbated the underlying conditions that drove the escalating attacks trapping these governments in a deadly cycle of tit for tat violence with local terrorist groups This process Akins demonstrates accounts for the lion s share of the al Qaeda network s global terrorist activity since 2001 Drawing on extensive primary sources including newly declassified documents dozens of in depth interviews with leading government officials in the United States and abroad and statistical analysis **The Terrorism Trap** is a groundbreaking analysis of why counterterrorism has backfired

Immigrant Agency Yang Sao Xiong,2022-03-18 Through a sociological analysis of Hmong former refugees grassroots movements in the United States between the 1990s and 2000s **Immigrant Agency** shows how Hmong despite being one of America s most economically impoverished ethnic groups were able to make sustained claims on and have their interests represented in public policies The author Yang Sao Xiong argues that the key to understanding how immigrants incorporate themselves politically is to understand how they mobilize collective action and make choices in circumstances far from racially neutral Immigrant groups in response to political threats or opportunities or both mobilize collective action and make strategic choices about how to position themselves vis vis other minority groups how to construct group identities and how to deploy various tactics in order to engage with the U S political system and influence policy In response to immigrants collective claims the racial state engages in racialization which undermines immigrants political standing and perpetuates their marginalization
