Coromandel Coast in the seventeenth and eighteenth centuries with special focus on Madras It questions the largely uncontested view that trade and traders in pre modern India were disconnected from the world of politics and the state arguing instead that south Indian merchants depended on and functioned within the structures and the stability provided by the state Trade and Politics on the Coromandel Coast Seventeenth and Early Eighteenth Centuries addresses the breakdown of the political structures within which the merchants operated and the impact of the arrival of the Europeans especially the English In so doing it explores the transitional nature of the seventeenth century and the ways in which the European trading companies Indian states and merchants interacted with each other Situated within the larger historical context of the trading world of the Coromandel Coast this regional history challenges accepted notions about the place of merchants and the state and through a detailed economic history sheds new light on the political and transitional nature of the period *Trade and Society in the Straits of Melaka* Nordin Hussin,2007 This study compares Melaka and Penang in the context of overall trends policy geographical position nature and direction of trade and morphology and sociology and how these factors were influenced by trade and policies Conclusions are drawn concerning where and how Melaka and Penang fit in the urban traditions of Southeast Asia and the significance of the fact that the period under study coincided with the shift from the height of the Age of Commerce towards a period of heightened imperialist activities **The Oxford Handbook of the History of International Law** Bardo Fassbender,Anne Peters,Simone Peter,Daniel Högger,2012-11 This handbook provides an authoritative and original overview of the origins of public international law It analyses the modern history of international law from a global perspective and examines the lives of those who were most responsible for shaping it **The Route to European Hegemony** Ruby Maloni,2021-04-19 The advent of the Europeans was crucial in transforming the contours of Maritime Asia The commercial situation in the Indian Ocean was impacted in many ways over the longue duree from the sixteenth to the eighteenth centuries To offset the adverse balance of trade and to maximize profits the Europeans imposed their own coercive and monopolistic systems along the existing trade routes Systematic exploitation of economic opportunities in Asia by Europeans began with the coming of the Portuguese followed by other European maritime powers It culminated with Britannia ruling the Asian waters with warships and a strong merchant marine A study of the operational and ideological motivations that propelled the European powers activities in the Indian Ocean can help to construct a coherent interpretation of the foundations of empire that were being laid at first insidiously and later aggressively This book analyses the mechanism and implications of Europe s sustained engagement in Intra Asian trade which is as an essential context to the establishment of colonial empires Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka **Empires of the Sea** ,2019-10-07 Empires of the Sea brings together studies of maritime empires from the Bronze Age to the Eighteenth Century The volume aims to establish maritime empires as a category for the comparative study of premodern empires and from a partly non western perspective The book includes

contributions on Mycenaean sea power Classical Athens the ancient Thebans Ptolemaic Egypt The Genoese Empire power networks of the Vikings the medieval Danish Empire the Baltic empire of Ancien R gime Sweden the early modern Indian Ocean the Melaka Empire the non European aspects of the Portuguese Empire and Dutch East India Company and the Pirates of Caribbean **Migration, Regional Integration and Human Security** Harald Kleinschmidt,2006 This original and timely book is the first to analyze the interconnectedness of migration regional integration and the new security studies The book explores the conflict between the actions of transnational migrants and state government policy in a ser

European Commercial Expansion in Early Modern Asia Om Prakash,2020-04-28 Regular commercial contacts between Europe and Asia date back to at least the early years of the Christian era but the pattern of trade underwent a structural modification following the Portuguese discovery of a route to the East Indies via the Cape of Good Hope This volume illustrates the consequences of the arrival of large numbers of Europeans in the East Europeans both participated in modified and exploited existing trade relationships in the Indian Ocean and the Pacific The studies reprinted here show how some environments such as Japan were hostile whilst most states welcomed the European commercial contact The necessity for Europeans to pay for Asian goods using precious metals is emphasised by the inclusion of articles in monetary transfers in Asian trade a phenomenon which provides a link between economic developments in the Americas and those in Asia from the 16th century onwards **The First British Trade Expedition to China** Nicholas D. Jackson,2022-06-01 In The First British Trade Expedition to China Nicholas D Jackson explores the pioneering British trade expedition to China launched in the late Ming period by Charles I and the Courteen Association While utilizing the vivid and unique perspective of its commander Captain John Weddell this study concentrates on the fleet s adventures in south China between Portuguese Macao and the provincial capital Guangzhou Canton Tracing the obscure origins of Sino British diplomatic and commercial relations back to the late Ming era Jackson examines the first episodes of Sino British interaction exchange and collision in the seventeenth century His definitive narrative and original analysis constitute a groundbreaking study of early modern British initiatives and enterprise in the coastal areas of south China The book begins by sketching the Tudor Stuart historical background of British trade expansion in Asia before precisely reconstructing the voyages of East India Company and then Courteen ships to Guangdong province The core of the narrative illuminates the communications intrigues and confrontations between Ming officials and the British commanders and merchants The monograph concludes with an analysis outlining the major lessons learned by all the personalities and parties involved in those unprecedented encounters and clashes Among other theses Jackson argues that this expedition demonstrates that as early as the seventeenth century a significant difference in naval military strength and sophistication obtained between Great Britain and China This book presents vivid and arresting details highlighting the differences between the early modern and modern eras It features quasi piratical actions by men with the audacity to venture into unknown lands who were on the one hand defrauded by

interpreters of dubious origin and officials of unverified credentials but nonetheless emerged from the fray with laden ships and the incremental knowledge that contributed to the subsequent economic dominance of Europe Evelyn S Rawski University of Pittsburgh In this lively account of Sino British exchanges Nicholas D Jackson provides us with the first book length narrative of the much neglected Weddell voyage to China in 1637 Scholars of the British Empire and East West interactions will find much relevance in this masterfully delivered dialogue between two contending world powers Paul A Van Dyke author of *The Canton Trade Life and Enterprise on the China Coast 1700 1845* [Missionaries in Persia](#) Christian Windler,2024-01-25 In the seventeenth and eighteenth centuries Isfahan the capital of the Safavid Empire hosted Catholic missionaries of more diverse affiliations than most other cities in Asia Attracted by the hope of converting the Shah the missionaries acted as diplomatic agents for Catholic rulers hosts to Protestant merchants and healers of Armenians and Muslims Through such niche activities they gained social acceptance locally This book examines the activities of Discalced Carmelites and other missionaries revealing the flexibility they demonstrated in dealing with cultural diversity a common feature of missionary activity throughout emerging global Catholicism While missions all over the world were central to the self fashioning of the Counter Reformation Church clerics who set out to win over souls for the true religion turned into local actors who built reputations by defining their social roles in accordance with the expectations of their host society Such practices fed controversies that were fought out in newly emerging public spaces Responding to the threat this posed to its authority the Roman Curia initiated a process of doctrinal disambiguation and centralization which culminated in the nineteenth century Using the missions to Safavid Iran as a case study for a global history on a small scale the book creates a new paradigm for the study of global Catholicism **Global Trade, Smuggling, and the Making of Economic**

Liberalism Felicia Gottmann,2016-05-19 Imported from India China the Levant and Persia and appreciated for their diversity designs fast bright colours and fine weave Asian textiles became so popular in France that in 1686 the state banned their import consumption and imitation A fateful decision This book tells the story of smuggling on a vast scale savvy retailers and rebellious consumers It also reveals how reformers in the French administration itself sponsored a global effort to acquire the technological know how necessary to produce such textiles and how the vitriolic debates surrounding the eventual abolition of the ban were one of the decisive moments in the development of Enlightenment economic liberalism
