River Sorrow:

Crossing the River Sorrow Janet Richards, 2013-06-12 Crossing the River Sorrow tells the story of one woman's plunge from a sheltered childhood in the 50s into the world of medicine and her personal search for answers to questions about suffering. A single moment at the bedside of a paralyzed girl begins her journey on the River Sorrow which takes her on a life long quest to come to terms with the problem of pain. More than medical case stories or tales of overcoming, Crossing the River Sorrow is a narrative told from the perspective of an ordinary wife, mother and nurse as she lives her way to peace in the face of some of life's most troubling questions. From the first pages I immediately realized I was in the presence of a gifted writer. In Nurse Richards you find a gentle yet courageous soul, an artistic master of words, intellectual and guileless with an endearing simplicity of heart. Follow her as she battles unseen enemies with refreshing candor while deftly drawing the reader into her struggles against the stark and dark realities of adversity. This work is the story of a soul coming to a profound understanding of Christ, the gospels and the cross, a place where all should journey. Read. You will be nursed into someone you need to become. Dan C Markham, Director of Partner Relations at Life Without Limbs, Author with Nick Vujicic of the Lost Mandate: A Christ Command Revealed.

By Sorrow's River Larry McMurtry, 2010-06-01 In this tale of high spirited and terrifying adventure set against the background of the West that Larry McMurtry has made his own, By Sorrow's River is an epic in its own right with the return of the formidable young Tasmin Berrybender. At the heart of this third volume of his Western saga remains the beautiful and determined Tasmin Berrybender, now married to the Sin Killer and mother to their young son Monty. By Sorrow's River continues the Berrybender party's trail across the endless Great Plains of the West toward Santa Fe where they intend those who are lucky enough to survive the journey to spend the winter. They meet up with a vast array of characters from the history of the West: Kit Carson, the famous scout; Le Partezon, the fearsome Sioux war chief; two aristocratic Frenchmen whose eccentric aim is to cross the Great Plains by hot air balloon; a party of slavers; a band of raiding Pawnee; and many other astonishing characters who prove once again that the rolling grassy plains are not in fact nearly as empty of life as they look. Most of what is there is dangerous and hostile even when faced with Tasmin's remarkable frosty sangfroid. She is one of the strongest and most interesting of Larry McMurtry's characters and she stands at the center of this powerful and ambitious novel of the West.
