River of Change Leanne Davis, 2018-01-31. Caleb Hayes avoids two things in life: change and work. Of late, neither is going well. Josephina Ruiz watches her beloved little brother marry his long-time boyfriend Jordan Hayes, forcing her to tolerate in their union Caleb Hayes as now being a part of her life. After an off-putting come-on, she realizes the extent of the rumors she's heard about Caleb are most likely true. From womanizing to petty crimes to all-around laziness, he's the last man she ever intends to give a chance to until he almost loses his brother and begs her to help him change. When forced by circumstances to face his own shortcomings, Caleb starts to see himself from a new light, a not-so-positive light. He begins to understand not only his brother but the woman who begins to show him an entirely different way of living than he's ever embraced. In Josephina, Caleb is challenged from every belief he has to every action he does. And he finally begins to see the damage his life does to others, but by then it's too late to change. Can his ultimate redemption bring about healing with the one person he now knows is the best kind of change of all?
