**The Roaring Nineties** Katharine Susannah Prichard, 1949      Mining Tycoons in the Age of Empire, 1870-1945

Raymond E. Dumett, 2016-12-05 The years of the late nineteenth and early twentieth centuries aptly described by Mark Twain as the Gilded Age witnessed an unprecedented level of technological change material excess untrammled pursuit of profit and imperial expansion Within this dynamic and often ruthless environment many colorful characters strode across the world stage among them the great mining tycoons who with the thousands of prospectors diggers shift bosses timbermen blastmen and muckers in mining enterprise constituted one of the major spearheads of global capitalistic expansion and colonial exploitation This volume which carries the epic story to the mid twentieth century provides a truly international perspective on the role of mining entrepreneurs investors and engineers in shaping the economic and political map of the globe in testing management techniques and in setting a vogue for extravagant displays of wealth among the world's rich Each chapter is loosely focussed on a biographical account of a particular mining tycoon that allows for broad and comparative accounts to be made about the individuals their business interests the technologies they employed and the national and international political considerations under which they operated Furthermore this structure also allows for consideration of the effect that these tycoons had on the countries and territories in which they worked particularly the often long lasting impact on indigenous populations the environment transport links and economic development By approaching the subject matter through this stimulating mix of cultural social economic business and colonial history many intriguing and thought provoking conclusions are reached that will reward any scholars with an interest late nineteenth and early twentieth century history      *A Gregarious Culture* Miles Franklin, 2001 No Marketing Blurb      The Cambridge History of the Australian Novel David Carter, 2023-07-27 The Cambridge History of the Australian Novel is an authoritative volume on the Australian novel by more than forty experts in the field of Australian literary studies drawn from within Australia and abroad Essays cover a wide range of types of novel writing and publishing from the earliest colonial period through to the present day The international dimensions of publishing Australian fiction are also considered as are the changing contours of criticism of the novel in Australia Chapters examine colonial fiction women's writing Indigenous novels popular genre fiction historical fiction political novels and challenging novels on identity and belonging from recent decades not least the major rise of Indigenous novel writing Essays focus on specific periods of major change in Australian history or range broadly across themes and issues that have influenced fiction across many years and in many parts of the country      Twentieth Century Fiction George Woodcock, 1983-04-01      *Social Patterns in Australian Literature* T. Inglis Moore, 2023-07-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was

originally published in 1971      **Australian Literature in the German Democratic Republic** Nicole Moore, Christina Spittel, 2016-06-19 An account of fraught and complex cross cultural literary exchange between two highly distinct even uniquely opposed reading contexts Australian Literature in the German Democratic Republic has resonance for all newly global reckonings of the cultural Cold War Working from the extraordinary records of the East German publishing and censorship regime the authors materially track the production and reception of one country's corpus as envisioned by another The 90 Australian titles published in the GDR form an alternative canon revealing a shadowy literary archive that rewrites Australia's postwar cultural history from behind the iron curtain and illuminates multiple ironies for the GDR as a reading nation This book brings together leading German and Australian scholars in the fields of book history German and Australian cultural history Australian and postcolonial literatures and postcolonial and cross cultural theory with emerging writers currently navigating between the two cultures      **Communism in Australia** Beverley Symons, 1994 This bibliography covers the 70 years of existence of the Communist Party in Australia The material listed relates not only to the CPA but to its allied and breakaway movements from 1920 to 1991 Contains over 3400 references and includes a name index
