Robert Alexander Fyfe His Contemporaries And His Influence:

Robert Alexander Fyfe Theo T. Gibson,1988 **Aspects of the Canadian Evangelical Experience** George A. Rawlyk,1997 *Aspects of the Canadian Evangelical Experience* explores Canadian evangelicalism in the nineteenth and twentieth centuries placing it within historical cultural and theological frameworks from publisher description *Baptists and Public Life in Canada* Gordon L. Heath,Paul R. Wilson,2012-02-02 Public discussion about the relationship between religion and public life in Canada can be heated at times and scholars have recently focused on the historical study of the many expressions of this relationship The experience of Canada s smaller Protestant Christian groups however has remained largely unexplored This is particularly true of Canada s Baptists This volume the first produced by the Canadian Baptist Historical Society explores the connections between Baptist faith and Baptist activity in the public domain and expands the focus of the existing scholarship to include a wide range of Canadian Baptist beliefs attitudes perspectives and actions related to the relationship between Baptist faith and practice and public life **Canadian Baptist Fundamentalism, 1878-1978** Taylor Murray,Paul R. Wilson,2022-04-01 As the first single volume work to present a national picture of Baptist engagement with the fundamentalist movement in Canada in the late nineteenth and twentieth centuries Canadian Baptist Fundamentalism fills an important gap in the historiography It explores the contributions of well known fundamentalists such as T T Shields William Bible Bill Aberhart and J J Sidey while also introducing the reader to several lesser known figures including Joshua Denovan E J Stobo and T A Meister Together these studies demonstrate the diversity of the fundamentalist movement as it emerged and developed across Canada By drawing on material from across the country Canadian Baptist Fundamentalism addresses old themes in new ways and in the process raises a variety of questions and possibilities for new avenues of study **The Secularization of Baptism** Mark G. McKim,2025-01-31 Does God actually do anything in baptism Is it more than just a symbol Most early Baptists would have answered yes Most Baptists today would answer no How and why did this change happen and does it matter Providing thorough documentation of the changing understandings of baptism among American Canadian and English Baptists from the 1600s to the present day *The Secularization of Baptism* demonstrates that four factors led to the symbolic only position becoming dominant These were suspicion in reaction to Roman Catholicism of the idea of God revealing himself through the physical the influence of the Enlightenment and embarrassment with claims that God could be acting in the world today reaction against the Oxford Movement and reaction against the understanding of baptism advocated by the Disciples of Christ Campbellites The now dominant symbolic only position so focuses attention on what the believer is doing in baptism that God is seen as largely absent from and doing nothing through the rite in effect believers baptism has been secularized A carefully reasoned biblical and theological argument is made for a return to the Regular Particular Baptist view that God is both profoundly spiritually present and active in baptism while at the same time rejecting the sacramentalist position advocated by a small number of mid twentieth

and twenty first century Baptists such as H Wheeler Robinson George Beasley Murray Stanley K Fowler and Anthony R Cross

The Black Baptist Experience in Canada Gordon L. Heath, Dudley A. Brown, 2025-04-08 This groundbreaking book is a history of the Black Baptist experience in Canada It includes diverse and informative chapters on events themes and organizations such as the underground railway gender architecture literature civil rights empire and associations It also focuses on several key early churches from the West Coast to the East Coast along with important personages such as Washington Christian Jennie Johnson David George William White William Troy and William M Mitchell *The Life of Isabel Crawford* Marilyn Fardig Whiteley, 2015-06-16 This biography of Isabel Crawford is a lively account of a feisty and fascinating Baptist missionary Born in Canada in 1865 she had an independent spirit leading her to remarkable accomplishments in a life marked by obstacles Her conversion at age ten created a lifelong commitment to Christian service In her teens a near fatal illness left her deaf but nevertheless in 1893 she completed studies to become a missionary Rejected for overseas service she was assigned to a troubled Indian mission in Oklahoma She began her work there with great reluctance but developed a lifelong bond with her beloved Kiowa converts Her success as a woman missionary created friction with the American Baptist Home Mission Society and she left the mission in 1906 Remaining committed to the Women s Home Mission Society Crawford became a sought after inspirational speaker for them and later served again as missionary this time in western New York She retired in 1930 and moved back to Canada in 1942 Crawford is buried as she had arranged at her Saddle Mountain Oklahoma mission The biography is enriched by extensive use of Crawford s witty and perceptive descriptions of the extraordinary challenges and variety of experiences that marked her life *Baptists and Business* Paul R. Wilson, 2025-05-08 This study of Baptist businessmen from Jarvis Street Baptist Church in Toronto breaks new ground The challenges to faith exerted by the arrival of a new materialistic social ethic and a business dominated culture in the last half of the nineteenth and early twentieth centuries has received little attention from Canadian historians Instead historians have primarily focused on religious leaders and intellectual challenges to faith This study examines the sociocultural challenges that confronted one group of central Canadian Baptist businessmen from 1848 to 1921 Essentially the findings offered here are used to sustain the argument that the rise of business and consumerism helped to secularize the beliefs values and practices of Baptist businessmen Furthermore the effects of secularization were profound on both the personal and church community levels **French-Speaking Protestants in Canada** , 2011-09-20 Although French speaking Canadians have largely been Roman Catholic there has been a small but significant Protestant minority among them for much of their history Several important studies on these Protestants have appeared in French or in short articles in English but there is no broader survey in English Based on significant archival study a fresh reading of printed texts and the work of a generation of historians this collection of essays brings together the work of leading scholars in the field to bring reasoned perspective on various narratives of the history of this often forgotten religious minority This collection highlights international and inter

confessional networks the various stages of external and internal mission the periods of growth and decline and the cultural and political heritage of these Protestants Contributors include Randall Balmer S bastien Fath Denis Fortin Jean Louis Lalonde Robert Larin J I Little Richard Lougheed Roderick MacLeod Mary Anne Poutanen Catharine Randall Glenn Scorgie Glenn Smith Richard W Vaudry and Jason Zuidema Baptists in Canada Gordon L. Heath, Dallas Friesen, Taylor Murray, 2020 Baptists arrived in what would become Canada in the mid eighteenth century and from those early arrivals Baptists from a wide variety of backgrounds planted churches in every region of the vast nation This book traces that history of Baptists in Canada and provides historical antecedents and theological rationales for their church polity Written in a generous spirit it recognizes what Baptists share with other Christian communities and how they differ among themselves on some matters It places Baptists in Canada in the larger historical and global context and concludes with commentary on opportunities and challenges ahead Publisher *Christian Voluntarism* William H. Brackney, 1997 *Christian Voluntarism*

Theology and Praxis seeks to better understand the place and nature of voluntarism throughout the history of the church
