Robert Creeley Archie Rand Drawn Quartered:

The Collected Poems of Robert Creeley, 1975-2005 Robert Creeley, 2008-06-03 The subtlest feeling for the measure that I encounter anywhere except in the verses of Ezra Pound William Carlos Williams It is a study how Creeley lands syntax down the alley and his vocabulary pure English to hit meters and rhymes all of which are spares and strikes Charles Olson Robert Creeley has created a noble body of poetry that extends the work of his predecessors Pound Williams Zukofsky and Olson and provides like them a method for his successors in exploring our new American poetic consciousness Allen Ginsberg His succinctness is like the unfettered flashing of a diamond John Ashbery Robert Creeley was one of the great giants of 20th Century American poetry This collection is his monument Paul Auster American poetry is unimaginable and happily unknowable without Creeley Andrei Codrescu author of it was today new poems Creeley is a touchstone for me a measure of what poetry is He is a genius of the sensorium as Kerouac was and a master of the ear as is Miles Davis He is a carver in space like Van Gogh Michael McClure There is no poetry more vivid immediate or telling than Robert Creeley's His Collected Poems extends the achievement of Dickinson Whitman and Williams into postwar America Creeley's excavation of particular words images and sentiments resonate beyond the pages of this book into the fabric of everyday life This is American invention at its best as necessary as the air we breathe and the ground we walk on Charles Bernstein It isn't what a poet says that counts as a work of art William Carlos Williams once wrote it's what he makes with such intensity of perception that it lives with an intrinsic movement of its own to verify its authenticity I can't think of another contemporary poet whose acute sensitivity to the particular event of making and in poetry making includes breaking each written line is as consummately fine tuned as Robert Creeley's Susan Howe He was the main support in the old house of poetry the main beam C D Wright Brown University alumni newsletter There is no poet like Creeley His multiple subjectivities and magic syllables have kept us curious and honest Never a false step never a less than tender heart for the sound and the brilliant cognitive often fierce power therein What a glorious long life in writing These late poems keep the brilliant tempo We are very lucky he is still so much among us Anne Waldman Robert Creeley transformed the momentary spontaneous music of being alive into a profoundly enduring American art brilliant necessary impeccably scored He made it new for always Peter Gizzi Form, Power, and Person in Robert Creeley's Life and Work Stephen Fredman, Steve McCaffery, 2010-03-15 By any measure international reputation influence upon fellow writers and later generations number of books published scholarly and critical attention Robert Creeley 1926 2005 is a literary giant an outstanding irreplaceable poet For many decades readers have remarked upon the almost harrowing emotional nakedness of Creeley's writing In the years since his death it may be that the disappearance of the writer allows that nakedness to be observed more readily and without embarrassment Written by the foremost critics of his poetry Form Power and Person in Robert Creeley's Life and Work is the first book to treat Creeley's career as a whole Masterfully edited by Stephen Fredman and Steve McCaffery the essays in this collection have been

gathered into three parts Those in Form consider a variety of characteristic formal qualities that differentiate Creeley from his contemporaries In Power writers reflect on the pressure exerted by emotions gender issues and politics in Creeley s life and work In Person Creeley s unique artistic and psychological project of constructing a person reflected in his correspondence teaching interviews collaborations and meditations on the concept of experience is excavated While engaging these three major topics the authors remain as Creeley does intent upon the ways such issues appear in language for Creeley s nakedness is most conspicuously displayed in his intimate relationship with words Contributors Charles Altieri Rachel Blau DuPlessis Stephen Fredman Benjamin Friedlander Alan Golding Michael Davidson Steve McCaffery Peter Middleton Marjorie Perloff Peter Quartermain Libbie Rifkin Selected Poems of Robert Creeley, 1945-2005 Robert Creeley, 2008 Here is Creeley at his skillfully selected best full of the melodies of plain speech concise yet resonant with emotion Juliana Spahr author of This Connection of Everyone with Lungs So fantastically simple and so satisfyingly complicated these poems band together like the days in One Day One day after another perfect They all fit John Ashbery Beautifully edited by Ben Friedlander with tenderness intelligence and care A superb selection well introduced Selected Poems provides a great sense of the range of Creeley s accomplishment these poems among the most important of our time a way of writing with the hesitations and grace of a new found line thinking informed by sources from Emily Dickinson to Charlie Parker Selected Poems is at once a tribute to Creeley a perfect introduction for new readers and a valuable distillation for those who have already acquired a taste for Creeley s poetry The perfect assembly to and for one so fond of saying onward We can now go onward with these selected poems onward with these well chosen words with thanks to Robert Creeley and to Ben Friedlander Hank Lazer author of The New Spirit Benjamin Friedlander himself a fine poet critic and a great connoisseur of Creeley s poetry has put together a superb selection Marjorie Perloff An excellent selection and introduction It is an edition that acknowledges work that has defined the poet s career while offering a new narrative for the entire oeuvre It will join UC Press s distinguished and definitive editions of postwar poetry and will provide us all with a summary guide to Creeley s best work Michael Davidson In a quiet moment I hear Bob pause where I never would have expected it Such resolve Such heart And an ear to reckon with No truly further American poem without his Clark Coolidge author of Counting on Planet Zero The Collected Poems of Robert Creeley, 1945-1975 Robert Creeley, 2006 A collection of Creeley s work gathered from obsolesced collections small press booklets and little mags Here one can trace the development of his poetry from its early break with the Eliot Auden tradition to the development of his own distinct voice in the middle poems such as Words and Pieces known for their precise terse and almost minimalist language as well as his return to the more direct concern for love and humanity Restores to print For Love The Charm In London His Idea Thirty Things Backwards Away and previously uncollected poems **Drawn & Quartered** Robert Creeley, Archie Rand, 2001 By Robert Creeley Artwork by Archie Rand **The Most Human Human** Brian Christian, 2011-03-01 A playful profound book

that is not only a testament to one man's efforts to be deemed more human than a computer but also a rollicking exploration of what it means to be human in the first place. Terrific Art and science meet an engaged mind and the friction produces real fire. The New Yorker Each year the AI community convenes to administer the famous and famously controversial Turing test pitting sophisticated software programs against humans to determine if a computer can think. The machine that most often fools the judges wins the Most Human Computer Award. But there is also a prize strange and intriguing for the Most Human Human. Brian Christian, a young poet with degrees in computer science and philosophy, was chosen to participate in a recent competition. This **Contextual Practice** Stephen Fredman, 2010 Fredman makes the original argument that some of the most innovative works of poetry and art in the postwar period 1945-1970 engaged in a contextual practice, a term that refers both to a way of making art characterized by assemblage and to a new relationship between art and life, an erotic poetics.
