Robert The Bruces Rivals The Comyns 12121314:

Robert the Bruce's Rivals Alan Young, 2001-01-01 This volume aims to critically examine the bad reputation gained by the Comyns in post Bruce Scotland The name Comyn has long been associated in Scottish tradition with treachery the family were involved in the infamous kidnapping of the young Alexander III in 1257 were accused of treachery against William Wallace at the Battle of Falkirk in 1298 and of betraying Robert Bruce to Edward I of England 1306 This reappraisal of the Comyns role concludes that the period 1212 to 1314 should be regarded as the Comyn century in Scottish history The book highlights the Comyns role as pillars of the Scottish monarchy and leaders of the political community of the realm in this formative century The family's interests and influence extended into every corner of Scotland and their castles controlled key lines of communication especially in Northern Scotland It is against this background that Bruce's political ambitions in Scotland and Edward I's attempts to influence Scottish affairs in the late 13th century are set Comyn dominance of the Scottish political scene adds a new twist to the murder of John Comyn by Robert Bruce in the Greyfriars Church at Dumfries in 1306 and to the impact of the Battle of Bannockburn 1314 on the power struggle within Scotland This study of the Comyns intends to help establish the strength of opposition to Robert Bruce at the end of the 13th century A non Bruce view of the 13th century Scottish history The issue of power politics within Scotland and between England and Scotland is a constant central theme

War, Government and Aristocracy in the British Isles, C.1150-1500 Chris Given-Wilson, Ann J. Kettle, Len Scales, 2008 Crown magnate relations the Anglo Scottish Anglo French and Anglo Irish wars national and local finance and administration and the nature of late medieval kingship are among the principal themes explored in this volume along with aristocratic consumption historical writing chivalric culture and a review of recent work on crusading history All newly commissioned from distinguished scholars they shed new light on late medieval British political military and governmental history CONTRIBUTORS NICHOLAS VINCENT DAVID CARPENTER M L HOLFORD ARCHIE DUNCAN MATTHEW STRICKLAND BJORN WEILER ROBIN FRAME ANDY KING W MARK ORMROD G L HARRISS NORMAN HOUSLEY ANNE CURRY MAURICE KEEN WENDY CHILDS

England and Scotland in the Fourteenth Century Andy King, Michael A. Penman, 2007 Typical accounts of Anglo Scottish relations during the 14th century tends to present a sustained period of bitter enmity However this book shows that the situation was far more complex Drawing together new perspectives from leading researchers the essays investigate the great complexity of the Anglo Scottish tensions

Scottish Queens, 1034-1714 Rosalind K. Marshall, 2019-05-09 An enlightening and fascinating exploration of Scotland's royal women from Lady Macbeth to Mary Queen of Scots and beyond Booklist The lives of the Scottish queens both those who ruled in their own right and the consorts have largely been neglected in conventional history books One of the earliest known Scottish queens was none other than the notorious Lady Macbeth Was she really the wicked woman depicted in Shakespeare's famous play Was St Margaret a demure and obedient wife Why did Margaret Logie exercise such an influence

over her husband David II and have we underestimated James VI's consort Anne of Denmark frequently written off as a stupid and willful woman Rosalind K Marshall delves into these questions and more in this entertaining impeccably researched book A broad impressive historical work and solid introduction to Scottish history from an oft ignored perspective that of the queens who exercised power whenever and wherever they could find it Foreword Reviews Includes illustrations and genealogical tables

Plantagenet England 1225-1360 Michael Prestwich, 2007 England of the Plantagenet kings was a turbulent place In politics it saw Simon de Montfort's challenge to the crown in Henry III's reign and it witnessed the deposition of Edward II By contrast and as relief it also experienced the highly successful rules of Edward I and his grandson Edward III Political institutions were transformed with the development of parliament and war the stimulus for some of that change was never far away Wales was conquered and the Scottish Wars of Independence started in Edward I's reign while Crecy and Poitiers were English triumphs under Edward III Beyond politics the structure of English society was developing from the great magnates at the top to the peasantry at the bottom Economic changes were also significant from the expansionary period of the thirteenth century to years of difficulty in the fourteenth culminating in the greatest demographic disaster of historical times the Black Death Embracing politics and government kingship the structure of society France Scotland and Wales as well as areas such as the environment the management of the land crime and punishment Michael Prestwich's survey casts the Plantagenet past in a new and revealing light BOOK JACKET

Lordship and Architecture in Medieval and Renaissance Scotland Richard D. Oram, Geoffrey Stell, 2001-01-01 These essays constitute the first radical reassessment since the nineteenth century of the role of architecture as an expression of lordship and status among Scottish secular and ecclesiastical elites in the period c 1124 c 1650 These studies of the architectural patronage of particular families or groups explore how the nobility operated socially and economically as well as politically in the organisation and structure of lordship throughout the medieval and renaissance periods The contributors draw on the traditions and strengths of Scottish genealogical archaeological and art historical enquiry to illustrate key themes which include family or kindred styles in building on a local regional or national level builders or patrons motives the scale and use of the buildings and ascertainable changes in function purpose and attitude

Sisters of the Bruce 1292-1314 J.M. Harvey, 2013-11-01 Set against the wild and perilous background of Scotland in the late 13th century the adventurous lives of Robert the Bruce's five sisters come to life through their own words in a series of letters Courage and tenacity are often associated with Scotland's great hero but few appreciate the enormous challenges experienced by these remarkable sisters Their intimate account of family life resonates still with love loss and hope Isa leaves home to sail to the land of the Vikings to become Queen of Norway whilst her sister Kirsty finds herself Countess of Mar and chatelaine of the great Kildrummy Castle in Scotland's far northeast Danger looms and the younger sisters Mathilda and Margaret escape to Orkney with Kirsty's children As Scotland spirals into war Robert's sisters face the wrath of King Edward of England whose vengeance wrought

the brutal death of William Wallace Kirsty is incarcerated alone in an English nunnery whilst Mary endures years of misery within a cage hanging from the walls of Roxburgh Castle Under Robert s kingship old wounds heal and Scotland s fighting force achieves a resounding victory at the Battle of Bannockburn Only then are the fragile traumatised women released through the ransoming of English nobles to return home to rebuild their shattered lives Sisters of The Bruce is a captivating work of fiction that weaves family history with a gripping narrative through the social and political landscape of medieval Scotland Norway and Orkney J M Harvey has been inspired by Sharon Penman Elizabeth Chadwick and Sigrud Undset

Scotland, England and France After the Loss of Normandy, 1204-1296 M. A. Pollock,2015 An examination of the complex network of relationships and identity between England Scotland and France in the thirteenth century *The Reign of Alexander II, 1214-49* Richard Oram,2005-04-01 This volume explores aspects of the political social cultural economic and religious development of Scotland in the reign of King Alexander II 1214 49 It constitutes the first full length multi author study of the king and his reign The nine contributors to the volume explore issues as diverse as the historiography of the reign Anglo Scottish relations Church State relations economy and international trade law aristocratic symbolism urban development and the territorial expansion of the kingdom This book the first major study of a reign which saw the Scottish monarchy achieve its mastery of northern mainland Britain is of great importance to historians of medieval Scotland and the wider British Isles The book is illustrated with 24 colour and b w photographs and 5 maps and plans *Alexander III, 1249-1286* Norman H. Reid,2019-05-23 Winner of the Saltire Society Scottish History Book of the Year Presiding over an age of relative peace and prosperity Alexander III represented the zenith of Scottish medieval kingship The events which followed his early and unexpected death plunged Scotland into turmoil and into a period of warfare and internal decline which almost brought about the demise of the Scottish state This study fills a serious gap in the historiography of medieval Scotland For many decades even centuries Scotland s medieval kingship has been regarded as a close likeness of the English monarchy having been modernised in that image by the twelfth and thirteenth century kings who had close relationships with their southern counterparts Recent research has cast doubt on that view and this examination of Alexander III s reign is based on a view of Scottish kingship which depends on much firmer continuity with its earlier celtic past It challenges accepted truth revealing that the nature of state and government and the relationships between ruler and subject were quite different from the previous received view On the cusp of a dynastic catastrophe which led to economic and political disaster Alexander III s reign captures a snapshot of Scotland at the end of a period of sustained peace and development a view of the medieval state as it really was **National Heroes and National Identities** Linas Eriksonas,2004 This book investigates the concept of the heroic questions what it is that makes the national hero an indispensable appendage to any possible interpretation of national identity and asks why scholars stop short before coming to terms with this elusive phenomenon It finds answers by following heroic traditions in Scotland Norway and Lithuania from the early modern period to the twentieth century The book

argues that heroic traditions prevailing trends in situating heroes in national history owe much to the early modern state Both national heroes and the nation state had been conceived with a similar moral political mindset that looked for new ways to identify sources for commonality The confluence of political theory and Realpolitik attested to three classical types of polities i e civitas popularis democracy regnum kingship and optatum aristocracy as found at that time in Scotland Norway and Lithuania respectively The author shows the varied impact these patterns had on heroic traditions The long record of national heroes in Scotland is explained as a vestige of the legacy of civic humanism the continuing traditions of the heroic king lines in Norway are seen as a result of long standing absolutism while the belated arrival of national heroes in Lithuania is excused by the country s aristocratic if at times oligarchic past **Scotland** Jenny Wormald,2005 **Land Law and People in Medieval Scotland** Neville Cynthia J. Neville,2012-10-16 This ambitious book newly available in paperback examines the encounter between Gaels and Europeans in Scotland in the central Middle Ages offering new insights into an important period in the formation of the Scots national identity It is based on a close reading of the texts of several thousand charters indentures briefs and other written sources that record the business conducted in royal and baronial courts across the length and breadth of the medieval kingdom between 1150 and 1400 Under the broad themes of land law and people this book explores how the customs laws and traditions of the native inhabitants and those of incoming settlers interacted and influenced each other Drawing on a range of theoretical and methodological approaches the author places her subject matter firmly within the recent historiography of the British Isles and demonstrates how the experience of Scotland was both similar to and a distinct manifestation of a wider process of Europeanisation **The Campbells, 1250-1513** Stephen Boardman,2019-08-08 If not perhaps the most popular Highland clan the Campbells are undoubtedly one of the most successful The Campbell earls of Argyll have traditionally enjoyed a rather unsavoury historical reputation viewed by their rivals with a mixture of fear envy and respect The spectacular advance of Campbell power in the medieval Scottish kingdom has normally been explained in terms of the family s ruthless and duplicitous suppression of their fellow Gaels in Argyll and the Hebrides at the behest of the Scottish crown In particular Clan Campbell s success is seen to be built on the destruction of older and more prestigious regional lordships in the west such as those of the MacDougall lords of Argyll and the MacDonald lords of the Isles This book reassesses these negative images and interpretations of the growth of Campbell authority from the thirteenth century and the opening of the Wars of Independence through to the death of Archibald 2nd earl of Argyll at the Battle of Flodden in 1513 The lords who dominated the medieval Clan Campbell emerge more as individuals enjoying complex and ambiguous relationships with the Scottish crown and the culture and politics of Gaelic speaking Scotland rather than as unquestioning agents of the Stewart monarchy and committed converts to the aristocratic culture of lowland Scotland **In the Footsteps of William Wallace** Alan Young,Michael J Stead,2010-04-23 For nearly 700 years debate has raged over the true nature of William Wallace and his role in Scotland s turbulent history Was he the

Braveheart of Blind Harry's legendary account the bold but savage hero of the Scottish wars Or as some contemporary chroniclers attested nothing but a villainous thief and vagrant fugitive This book draws on a wide range of contemporary and modern sources to look behind the figure of legend to find Wallace's true character Through superb photographs we trace the journey of Wallace from his modest upbringing in south west Scotland and his first victory as a guerilla leader and military commander at Stirling Bridge to his painful death seven years later We see his invasion of Northumberland and Cumberland This is an essential travelling companion for a journey through Wallace's kingdom and to learn more about the myth and the man

A Cumulative Bibliography of Medieval Military History and Technology Kelly DeVries,2001-11-01

There is perhaps no other more lively area for study in medieval history than medieval military history with its attendant and complementary field the history of medieval military technology In the past twenty years it seems that more major scholarly inroads have been made in this field than in any other historical genre of medieval studies or chronological period of military history What this has meant is that it is now more difficult to keep up with all of the trends and sources in the field than ever before Hence the need for a reference work which covers what has previously been written and which in turn can assist the scholar both the more experienced academic and the beginner to improve his or her work in medieval military history or the history of medieval military technology Utilizing library catalogues bibliographies and footnotes this bibliography has compiled the most complete list of secondary references to works in medieval military history and the history of military technology It keeps fairly strictly to a geography which centers on conventional medieval boundaries Europe Byzantium and the Middle East However the chronology does differ from the conventional medieval dates Because of its influence on the early Middle Ages references to Late Antiquity especially to the military history and technology of the third and fourth century Roman Empire have been included For the opposite reason the influence of the Middle Ages on the sixteenth and early seventeenth centuries references to military history and technology up to 1648 have been included as well This is especially important in the study of the Ottoman Turkish Wars and Arms and Armor where the end of the fifteenth century as a chronological terminus makes little sense

Robert the Bruce: pocket GIANTS Fiona Watson,2014-08-01

From disastrous beginnings after he took the throne of Scotland having murdered a powerful rival Robert I became a military leader of consummate genius Throwing away the rulebook of medieval warfare which favoured the mounted knight he remodelled the Scottish army as a disciplined audacious band of brothers capable of surprising castles raiding and extracting blackmail as far south as Yorkshire and even defeating a mighty English army in pitched battle Ruthless charismatic indomitable and lucky the Bruce is a towering example of an underdog capable of turning disadvantage into advantage and winning the day through talent and sheer determination The English turned the lessons they learnt from him to good effect in their Hundred Years war against France

The Wallace Book Edward J. Cowan,2012-08-10

Through his personality ingenuity and ability he initiated a resistance movement which ultimately secured the nation's freedom and

independence Yet Wallace was reviled opposed and eventually betrayed by the nobility in his own day to re surface in the epic poetry of the fifteenth century as a champion and liberator Eventually his legend overtook the historical reality a process which has continued for centuries as manifested in modern media and film A team of leading historians and critics from both Scotland and England investigate what is known of the medieval warrior s career from contemporary sources most of which unusually for a national hero were created by his enemies His reputation from the time of his horrendous execution to the present is examined to ascertain what the figure of Wallace meant to different generations of Scots Too dangerous perhaps for his own era he became the supreme Scottish hero of all time the archetypal Scot who would teach kings and nobles where their duty lay and who would live free or freely die for the liberty of his nation **The Kings and Their Hawks** Robin S. Oggins,2004-01-01 Perhaps the equivalent of polo playing today the sport of falconry was the preserve of the wealthy and royalty regarded as both a suitable and enjoyable leisure activity and as a source of status and prestige **The Struggle for Mastery** David A. Carpenter,2003 In this comprehensive synthesis canvassing the peoples economies religion languages and political leadership of medieval Britain Carpenter weaves together the histories of England Scotland and Wales

Reviewing **Robert The Bruces Rivals The Comyns 12121314**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Robert The Bruces Rivals The Comyns 12121314 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Robert The Bruces Rivals The Comyns 12121314 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Robert The Bruces Rivals The Comyns 12121314 has opened up a world of possibilities. Downloading Robert The Bruces Rivals The Comyns 12121314 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Robert The Bruces Rivals The Comyns 12121314 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Robert The Bruces Rivals The Comyns 12121314. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Robert The Bruces Rivals The Comyns 12121314. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Robert The Bruces Rivals The Comyns 12121314, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the

legitimacy of the websites they are downloading from. In conclusion, the ability to download Robert The Bruces Rivals The Comyns 12121314 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Robert The Bruces Rivals The Comyns 12121314 Books

1. Where can I buy Robert The Bruces Rivals The Comyns 12121314 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Robert The Bruces Rivals The Comyns 12121314 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Robert The Bruces Rivals The Comyns 12121314 books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Robert The Bruces Rivals The Comyns 12121314 audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
