Houses: Robert A.M. Stern Architects Gary L. Brewer, Randy M. Correll, Grant F. Marani, Roger H. Seifter, 2021-01-19 For more than fifty years Robert A M Stern Architects has designed extraordinary houses and residences around the world each suffused with a rich understanding of traditional architecture and an intuitive sense of how to shape a home to the needs of modern life Many of the firm's important early commissions were houses and while RAMSA has since evolved into an internationally renowned firm with an extraordinarily broad portfolio an unflagging dedication to timeless residential design has remained a cornerstone of the practice In *Houses* Robert A M Stern Architects RAMSA's residential Partners Roger H Seifter Randy M Correll Grant F Marani and Gary L Brewer offer an intimate look at RAMSA houses from the last ten years and explore how these residences embody the spirit of place and find harmony between the traditional and the contemporary A 424 page visual feast of rich full color photographs and elegant drawings the book presents a selection of 17 homes that showcase RAMSA's mastery of diverse styles and highlight the firm's collaboration with leading interior designers landscape architects craftspeople and builders from around the world Featured are a rambling oceanside retreat in East Hampton a mountain penthouse in the Rocky Mountains a lakeside cottage in the Midwest an urbane Park Avenue apartment an elegant Mediterranean Revival villa in Fort Lauderdale and a house in Singapore in that city's distinctive Black and White style Together the homes epitomize the quality craftsmanship and undeniable presence that define every RAMSA residence With every page readers will gain a deeper understanding of how RAMSA's architects honor context and time honored design principles while always looking to the future infusing established tradition with fresh life and anticipating how each home will grow change and evolve over the years

Robert A. M. Stern Robert A. M. Stern, 1997 In over thirty years of practice Robert A M Stern has developed a distinctive architecture committed to the synthesis of tradition and innovation and above all to the creation and enhancement of a meaningful sense of place Inspired by the great legacy of American architecture the firm of Robert A M Stern Architects has produced a variety of building types in a range of stylistic vocabularies The design of houses for which the firm initially gained notice remains a cornerstone of the practice Beautifully illustrated in color this major monograph a companion volume to the best selling *Robert A M Stern Buildings* thoroughly documents more than forty five houses built over the course of thirty years These distinguished houses are located in diverse settings across the United States from San Francisco's Russian Hill to the Rocky Mountains to the Long Island and New England coasts In every case Stern has emphasized the importance of context by exploring the nature of place through houses that embody the region's vernacular architectural heritage as well as gracefully reflect each site's unique natural setting Whether considering classical New York town houses Shingle Style cottages by the sea or Scandinavian log houses as reinterpreted on the American frontier Stern has fostered a strong sense of architectural continuity and connection to the past by participating in the dialogue across time that he believes lies at the heart of architecture

Designs for Living Randy M. Correll, Gary L.

Brewer, Grant F. Marani, Roger H. Seifert, 2014-05-13 In *Designs for Living* Roger H Seifert Randy M Correll Grant F Marani and Gary L Brewer who lead the residential practice at Robert A M Stern Architects present fifteen houses the firm has completed over the past ten years From contemporary interpretations of the shingle style to robust Mediterranean designs the houses are stylistically diverse reflecting RAMSA's deep knowledge of history and precedent Each partner provides insight into the design process and his individual approach to working with clients Houses are located in dramatic settings from Napa and Sonoma to the spectacular coastline of the Hamptons and New England Whether overlooking the ocean or nestled into the mountainside these remarkable houses reveal the architects emphasis on the importance of context and their dedication to exploring the nature of place and environment Each house invokes the vernacular architectural heritage particular to its region while gracefully reflecting its natural surroundings Connecting contemporary lifestyles to traditional American aesthetics these residences are exceptional both for their timelessness and their ability to evoke a conversation with the past a dialogue the RAMSA partners believe lies at the heart of architecture Open Studio Robert A.M. Stern, 2018-11-27 Open Studio offers a window into the methods and unique culture of an architecture firm that has achieved international success Curated illustrations of hand sketches study models design sessions and site visits pull back the curtain on the creative collaboration behind the scenes at Robert A M Stern Architects Nearly 100 pages of photographs of finished work including academic buildings museums houses apartment houses and office towers demonstrate the firm's ability to realize modern buildings in a wide variety of stylistic vocabularies through a commitment to fundamental principles of architecture and a respect for context and history Founded in 1969 the 250 person New York based Robert A M Stern Architects has received numerous awards for design excellence from the American Institute of Architects the Congress for the New Urbanism the Urban Land Institute the Society for College and University Planning and the Institute of Classical Architecture and Art *The American Houses of Robert A.M. Stern, 2003 In over thirty years of practice Robert A M Stern has developed a distinctive architecture committed to the synthesis of tradition and innovation and to the creation and enhancement of a meaningful sense of place Inspired by the legacy of great American architecture his firm Robert A M Stern Architects has produced a wide variety of building types at differing scales in a range of stylistic vocabularies throughout the world This monograph which follows four earlier volumes documenting Stern's practice includes more than one hundred projects from the years 1999 2003 Featured in this volume are a number of the distinguished houses for which Stern has become so well known including residences in New York Massachusetts Maine Virginia South Carolina Texas Colorado and California Also presented are numerous educational buildings another of the firm's specialties at Columbia University Dartmouth College Georgetown University

Harvard Business School Rice University Johns Hopkins University Acadia University in Nova Scotia and other schools Finally this volume showcases projects that demonstrate Stern's prodigious range the National Advocacy Center in Columbia South Carolina Edison Field home ballpark of the California Angels in Anaheim high rise office and apartment buildings including the Torre del Aacute ngel in the heart of Mexico City courthouses in Virginia West Virginia and Ohio the Disney Ambassador Hotel at Tokyo Disney Resort the Federal Reserve Bank of Atlanta vast urban schemes for Germany and Spain among other places the Hobby Center for the Performing Arts in Houston and libraries in Florida Georgia and Tennessee Robert A.M. Stern Robert A. M. Stern,1998 This is the fourth in a set of chronological compilations documenting the work of a prolific architectural firm detailing projects brought to fruition currently underway and not yet constructed The firm operates under the conviction that the inherent iconoclasm of modernism combined with its presence *Robert A.M. Stern* Robert A. M. Stern,2007 The sequel to the highly successful Robert A M Stern Buildings 1996 this volume also incorporates master plans for towns and campuses Robert A.M. Stern Robert A. M. Stern,2010-12-21 In over thirty years of practice Robert A M Stern has developed a distinctive architecture committed to the synthesis of tradition and innovation and above all to the creation and enhancement of a meaningful sense of place This monograph covering the years 1999 2002 is the fourth in a series on Stern's work The volume includes more than one hundred projects including houses and apartments buildings for cultural institutions and universities office and commercial structures government facilities and designs for products including fabric and tableware From the Trade Paperback edition City Living Robert A.M. Stern,Paul L. Whalen,Daniel Lobitz,Michael D. Jones,2016-01-12 Today we build all over the world We bring what we know and we learn from our clients and our travels And the fundamental reason that we succeed is that we are committed to architecture as portraits of places Robert A M Stern In City Living Paul L Whalen Daniel Lobitz and Michael D Jones partners at Robert A M Stern Architects present sixteen completed apartment complexes and a portfolio of sixteen further projects in progress in New York and major cities across the United States and in Europe Asia and South America Over the past fifteen years the high rise residential apartment house has emerged as the focus of contemporary architectural practice challenging the commercial office building for pride of place on city skylines around the world Drawing on the rich heritage of apartment house design in New York City from the 1920s and 1930s the RAMSA partners bring a unique perspective to this building type creating strong forms with visually intriguing facades that meet the ground and touch the sky with elegance and dignity These designs extend the classical tradition while inflecting toward the simplicity and abstraction of modernism Essential to the planning process is the integration of buildings into the cityscape and the urban neighborhood setting The base of the apartment houses is articulated to reflect the scale of the surrounding buildings and a portion of the site can be reserved for townhouses that create a transition between old and new A Field Guide to American Houses Virginia Savage McAlester,2015-07-29 The fully expanded updated and freshly designed second edition of the most comprehensive and widely acclaimed guide to

domestic architecture in print since its original publication in 1984 and acknowledged everywhere as the unmatched essential guide to American houses This revised edition includes a section on neighborhoods expanded and completely new categories of house styles with photos and descriptions of each an appendix on Approaches to Construction in the 20th and 21st Centuries an expanded bibliography and 600 new photographs and line drawings *New Classic American Houses* Dan Cooper, 2009-10 Albert Righter Tittman Architects create finely crafted houses that pay homage to classic American house styles yet are adapted with skill mastery and a good dose of irreverence to suit contemporary American life At first glance their Cambridge Cupola House looks like a typical mid 19th century Greek Revival house but on closer inspection one realizes that nothing is quite where it should be The grand cupola topped rotunda entrance for instance is located not in the front but on the side of the house The reason To increase the living space for the inhabitants Richly illustrated with specially commissioned photographs as well as with plans drawings and watercolours this sumptuous volume celebrates AR Ts timeless innovative designs and explores the historical styles on which they are based from Classical to Shingle from Carpenter Gothic to Cape Focusing on the superb craftsmanship and exquisite detailing of AR Ts exteriors interiors and outbuildings each chapter features one or more sidebars highlighting their inventive use of architectural elements including columns fireplaces balustrades and moldings It will be a trove of design ideas for professionals and homeowners alike

Robert A M Stern Houses Introduction

In today's digital age, the availability of Robert A M Stern Houses books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Robert A M Stern Houses books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Robert A M Stern Houses books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Robert A M Stern Houses versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Robert A M Stern Houses books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Robert A M Stern Houses books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Robert A M Stern Houses books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Robert A M Stern Houses books and manuals for download have transformed the way we access

information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Robert A M Stern Houses books and manuals for download and embark on your journey of knowledge?
