De Niro Shawn Levy,2015-10-27 REMARKABLE BIOGRAPHY OF AN ICON There is little debate that Robert De Niro is one of the greatest screen actors of his generation perhaps of all time if not in fact the greatest His work particularly in the first 20 years of his career is unparalleled Mean Streets the Godfather Part II Taxi Driver the Deer Hunter and Raging Bull all dazzled moviegoers and critics alike displaying a talent the likes of which had rarely if ever been seen De Niro became known for his deep involvement in his characters assuming that role completely into his own life resulting in extraordinary chameleonic performances Yet little is known about the off screen De Niro he is an intensely private man whose rare public appearances are often marked by inarticulateness and palpable awkwardness It can be almost painful to watch at times in powerful contrast to his confident movie personae In this elegant and compelling biography bestselling writer Shawn Levy writes of these many De Niro's the characters and the man seeking to understand the evolution of an actor who once dove deeply into his roles as if to hide his inner nature and who now seemingly avoids acting challenges taking roles which make few apparent demands on his overwhelming talent Following De Niro's roots as the child of artists his father the abstract painter Robert De Niro Sr was widely celebrated who encouraged him from an early age to be independent of vision and spirit to his intense schooling as an actor the rise of his career his marriages his life as a father restaurateur and businessman and of course his current movie career Levy has written a biography that reads like a novel about a character whose inner turmoil takes him to heights of artistry His many friendships with the likes of Martin Scorsese Meryl Streep Harvey Keitel Shelley Winters Francis Ford Coppola among many others are woven into this extraordinary portrait of DeNiro the man and the artist also adding a depth of understanding not before seen Levy has had unprecedented access to De Niro's personal research and production materials creating a new impression of the effort that went into the actor's legendary performances The insights gained from DeNiro's intense working habits shed new perspective on DeNiro's thinking and portrayals and are wonderful to read Levy also spoke to De Niro's collaborators and friends to depict De Niro's transition from an ambitious young man to a transfixing

and enigmatic artist and cultural figure Shawn Levy has written a truly engaging insightful and entertaining portrait of one of the most wonderful film artists of our time a book that is worthy of such a great talent **Untouchable: Robert De Niro** Andy Dougan,2011-05-31 Andy Dougan draws on first hand interviews with some of De Niro s closest friends and colleagues The result is a revealing and sometimes startling account of an intensely private man While previous biographies of De Niro have only scraped the surface of his complex character this sensitive and perceptive portrayal lays bare the psychological and emotional scars that De Niro has sought to hide for so long *Sacred Profanity* Aubrey Malone,2010-02-26 This book offers a history of films with Biblical spiritual and supernatural themes This volume follows the evolution of one of the Hollywood s longest running thematic concerns From the silent era to the present *Sacred Profanity* Spirituality at the Movies examines the rich diversity of films with spiritual themes films that reflect our own fascination with the divine and supernatural while evoking the specific times in which they were created From *Birth of a Nation* to *Angels and Demons* *Sacred Profanity* discusses over 180 films with an insightful movie lover s approach Coverage encompasses Biblical stories like *King of Kings* films about spiritual characters such as *The Nun s Story* foreign masterpieces like *The Seventh Seal* movies that incorporate spiritual symbolism such as *Taxi Driver* and *Cool Hand Luke* horrifying visions of the Satanic like *The Exorcist* and controversial works like *The Last Temptation of Christ* The book also looks at the history of Hollywood s attempt to maintain moral order through censorship as well as the growing influence of filmmakers own spiritual beliefs on the movies we see **Robert De Niro** Keith McKay,1986 *Stars in Our Eyes* Angela Ndalians,Charlotte Henry,2002-03-30 The media star has become a powerful almost unparalleled cultural sign even as the star system has undergone radical transformation since the era of the Hollywood studio system Today s film industry continues to market and promote its products through actors in ways that seek to capture the often elusive quality that a star can embody Using contemporary stars such as Robert De Niro Keanu Reeves Arnold Schwarzenegger and Dennis Hopper this anthology of essays applies a variety of theoretical tools in its attempt to understand how we interpret stars and how we can begin to understand their cultural significance Likewise the study explores how the star system has become an increasingly complex phenomenon within society at large extending its impact beyond the cinema into music sports and fashion Many of the essays collected here consider this shift and examine how personae including the director Sam Peckinpah the royalty Princess Diana and even the digital star Lara Croft have captured the cultural imagination and have come to attain qualities as star like as those of the silver screen **Scorsese** Jim Sangster,2012-08-31 Martin Scorsese s obsession with sin and redemption conflict and violence runs through much of his work This essential guide to Scorsese explores his career from his early student works including *It s Not Just You* Murray through his personal examinations of his Italian American heritage in *Mean Streets* *Italianamerican* and *Goodfellas* the extreme violence of *Raging Bull* *Taxi Driver* and *Cape Fear* and the religious themes from a director who originally wanted to be a priest of *The Last Temptation of Christ* and *Kundun* Including all Scorsese s films up
