We Are All in School Here! Rickey Kale, 2025-04-16 This is a book of seven chapters Each chapter includes experiences me and my wife Jody have encountered You will journey along with us as we share in detail each episode as it unfolds We will remind you that even though your experiences are most likely different there will be a common thread This common thread is we all go through life and life's ups and downs We all get up in the morning ready to see where the day

will take us Some days the lesson can be very obvious and others more subtle Jody s and my experiences most often have a beginning a middle and an end like any good story There of course are exceptions to this generalization After chapter 3 you will read an addendum Because as you know life has its twists and turns And things in life are not always in sequential order This having been said we believe that we all have looked back and saw how God had to put the pieces together for His perfect timing to occur As we read in Jeremiah 29 11 13 God has plans for us We also read in Isaiah 55 8 9 that God s thoughts are higher than our thoughts and His ways are higher than our ways So to be good students here on earth it definitely helps to surrender our will to God s will No we haven t been created to be robots However we all enjoyed hearing from our earthly teachers when they told us it was going to be an open book test His Word is an open book The one and only complete textbook is God s Word the Bible It s God breathed as 2 Timothy 3 16 17 teaches We all have gone left when we should have gone right or right when we should have gone left God allows that so we can see for ourselves that His path is better for us You will read how Jody and I like yourselves have gotten off track And it may remind you how God s Holy Spirit will gently nudge us back on the proper path to take Unlike our well meaning earthly parents or even our workplace bosses God s correction helps us to grow our faith Houston County, Tennessee ,1995
