Romanticism On The Road:

Romantic Road Blair McDowell, 2015-01-28 When Lacy Telchev buries her husband she finds herself in treacherous waters Igor much older than Lacy had secrets Suddenly Lacy is being chased across Europe by men who believe she can lead them to those secrets Evading her pursuers with the aid of a chance acquaintance the handsome and mysterious Max Petersen Lacy travels across Germany Austria and Hungary to a shattering discovery in Budapest Along the way she meets three women from Igor's past As Igor's story unfolds through them Lacy is less and less certain who her husband really was Who can Lacy trust Will she survive to find out Germany's Romantic Road & the Bavarian Alps Henrik Bekker, 2011-03-20 We travel to grow our Adventure Guides show you how Experience the places you visit more directly freshly intensely than you would otherwise sometimes best done on foot in a canoe or through cultural adventures like art courses cooking classes learning the language meeting the people joining in the festivals and celebrations This can make your trip life changing unforgettable All of the detailed information you need is here about the hotels restaurants shopping sightseeing But we also lead you to new discoveries turning corners you haven't turned before helping you to interact with the world in new ways That's what makes our Adventure Guides unique This is a must have volume for anyone really wanting to make the most of their German holiday Color photos throughout The author is a resident of Munich so he knows his subject well Of the three Germany guidebooks I used this one was the most useful and not only because it covers so many places that the others simply ignored Although you never get 10% off for showing this book it has enough sensible advice on how to shave unnecessary expenses off the budget without ever feeling or acting like a cheapskate The accommodation lists are very useful Jane S Amazon com Great to see a guidebook on Germany in English by an author who realizes that Germany is more than Berlin the Rhine and Bavaria Not that the well known areas are neglected but I particularly enjoyed the wide coverage on the former East German regions Steven Amazon com The Romantische Strasse Romantic Road is the most popular of Germany's roughly 150 themed vacation routes It connects several romantic sights along a 210 mile route from Wurzburg on the Main to Fussen at the foot of the Bavaria Alps En route it passes romantic towns hamlets castles and churches This section describes some of the stops along the way some are worth stopping over for a few hours while others can literally be seen in minutes *The Romantic East* Walter Del Mar, 1906 The Romantic East is a narrative of a tour in Burma Assam and Kashmir and it completes the series begun in *Around the World through Japan* and continued in *India* of To day The romantic side of Burma is to be found in its people who are of all Oriental races the least spoiled by contact with the West The romance of Kashmir lies in the country itself while the romance of Assam is a purely commercial one connected with the tea industry The Romantic East offers some guidance as to what may be seen during a short tour and it will serve a useful purpose if it induces those who intend to travel at some future time to mature their plans in the present for now is the time to visit Burma and Kashmir before the character of the Burmese people is changed by the steady influx of alien immigrants and

before the amenities of the Kashmir Valley are endangered by the new railway The Romantic Imperative Frederick C.
