Steiner,2020-02-18 Modern text research shows that biblical tradition often does not at all correspond to real historical events This lessens neither the inner significance of the Bible nor of true Christendom for true Christendom is more than just a religion It is the spiritual Sphere of Life that

embraces all Worlds with all their Mysteries Some results of modern research as collected and presented here in a dense form clearly contradict canonical narratives and might provoke different reactions from condescending shaking of heads to appalled outcries But neither will diminish their validity After 2000 years of nominal Christianity it is now time to animate truly spiritual Christendom This new Christendom is on one side a renewal of the classical antique Mysteries with the Christ Jesus as the last and greatest Avatar of the Sun Spirit descended to Earth as the Redeemer of the World and on the other a complete renewal of religious thinking and feeling of humans everyone now being summoned to realize their potential microcosmical Cristos in today's spiritual freedom with its world wide new paradigmata The two texts published here in best possible accuracy are especially important because combined with a deeply founded introduction they at last publicly present the world of faith of the true Arch Christians of the first centuries and their comprehension of events from Bethlehem to Golgotha Based on said insights the book here in hand undertakes to define a new Christendom for a new Era A Christendom that must not just be believed in sheepish obedience but lived out of mature consciousness and in a daily effort of every single human Its purpose is to encourage a large number of people to experience this new Light Truth and Life Numerous book references many in part extensive notes and a number of full page images show the credibility of the new view and enlarge the usual dogmatic picture A book that read in a leisurely pace and with open soul and heart may bring about new clarity and a new vivid faith for the old message German edition Same title ISBN 9783907103050 Alchymy Hermann Beckh, 2019-10-23 As a practising Christian priest Hermann Beckh was profoundly aware that the mystery of substance its transmutation in the cosmos and the human being was a mystical fact to be approached with the greatest reverence requiring at once ever deepening scholarship and meditation He viewed chemistry as a worthy but materialistic science devoid of spirit while the fullness of spiritual physical nature could be approached by what he preferred to call chymistry or alchymy thereby taking in millennia of spiritual tradition In consequence Beckh's Alchymy The Mystery of the Material World is not limited to the conventional workings of Western alchemy nor to what can be found in the Bible from Genesis to Revelation although he does unveil hidden riches there Neither should Beckh be considered only as a learned Professor with impeccable academic qualifications and European wide recognition Beckh writes about such topics as Isis the Golden Fleece traditional fairy stories and Wagner's Parsifal in a way that enables the reader to catch glimpses of the Mystery of Substance to share the writer's authentic experience of the divine substantia the living reality of Christ in the world Beckh's Alchymy set an entirely new standard and went on to become his most popular publication This is the first time that it has been translated into English along with updated footnotes making his ideas and insights accessible to a wide readership In addition this edition features translations of Beckh's The New Jerusalem where theology could best be expressed in verse his exemplary essay on Snow White observations on Allerleirauh and a substantial excerpt from Gundhild Kaer Bock's biography of Beckh *Understanding the African Philosophical Concept Behind the Diagram of the Law of Opposites* Yosef ben-

Jochannan,2005 Published while teaching at the Africana Studies and Research Center at Cornell University this work showcases Dr Ben as a mentor and gives readers a sample of his interactive teaching style He combines in this book a dynamic lecture on the Diagram of the Law of Opposites along with essays contributed by his graduate students on aspects of the same topic This collaboration between student and teacher distinguishes this volume from the many other books by this noted activist historian Self-Mastery (the way of the heaven born) william george bryant ph.d,2005 This is the combined volume of all four major sections of the SELF MASTERY series of courses by the APOFS organization and the first to be published It should be studied as a course in practical metaphysics YOGA **The Unknown Hieronymus Bosch** Kurt Falk,2008 The paintings of Hieronymus Bosch 1450 1516 have captivated and confounded observers for centuries leading to wildly varying conclusions on the artist s spirituality Kurt Falk presents the first analysis of Bosch s inner life in light of a hitherto unknown and now lost version of one of his seminal works The Last Judgment found by the author in Cairo in the mid 1930s With an introduction by spiritual psychologist Robert Sardello The Unknown Hieronymus Bosch presents an entirely new way of looking at this art not through the framework of art history or the notion of a school of painting but through the spirit Falk s analysis reveals the ways in which Bosch addresses creation including the exalted and fallen spiritual worlds so prevalent in his work The author s conclusions are startling but persuasive that Bosch had strong links to Rosicrucianism that many of the paintings feature a curious onlooker figure we now understand as a spirit witness and that Bosch had in fact developed the capacity to clairvoyantly know the extraordinary worlds he portrays in such exacting detail The book s high quality reproductions carefully rendered in the paintings true colors offer powerful visual support for the author s theories

Abramelin Lunar Ordeal Frater Barrabbas, 2025-02-04 Abramelin Lunar Ordeal merges the traditional Abramelin Sacred Magic with the singular Bornless One invocation to produce an ordeal that can be accomplished in seven weeks instead of six or eighteen months This unique and advanced magical grimoire offers personal transformation for the adherent A New Method for a Timeless Ordeal MacGregor Mathers published a book that introduced the magical ordeal to the magicians of the 20th century That book was called The Book of Abramelin and contained an arduous preparation practice that lasted six months to manifest the Holy Guardian Angel which instructed and guided the adherent The book contained many magical squares of notorious potency To use them the magician had to undergo many months of prayer meditation fasting purification abasement and a period of complete sequestration Another version of this working recently published had the working last for eighteen months with three months of sequestration Many magicians attempted this arduous task some succeeded and some failed This working was typically beyond the means and resources of your average magician This was the challenge to achieve the knowledge and conversation with their Holy Guardian Angel However Frater Barrabbas took this challenge and used it to forge a whole new magical ordeal He decided to base it on a lunar cycle instead of a solar cycle crafting an ordeal that could be accomplished in seven weeks with three days of sequestration thus making its performance more practical Frater Barrabbas sought to create a powerful series of magical workings to produce the promised transfiguration state and manifest one's Holy Guardian Angel He used invocations of the four Seraphim and Cherubim in four weeks along with the Element Godhead to produce a holy tabernacle of godhead and angelic intelligence He chose a revised version of the Bornless or Headless One invocation rite of Golden Dawn fame as the apex He plumbed the Greek Magical Papyri to extract three more rituals to add to the Bornless rite These rituals and more he has written into a book including the diary entries where he performed this working back in 2009 to validate it This lore and instruction are encapsulated in Abramelin Lunar Ordeal a unique and profound contribution to the art of ritual magic The Sacred Magic of Abramelin is now available using a new concise paradigm

The Adorers of Dionysos (Bakchai) Euripides, 1925

The holy rites of Eleusis were Archaic Wisdom-Religion dressed in Greek garb Helena Petrovna Blavatsky, Edward Pococke, Thomas Taylor, Alexander Wilder, 2018-04-03 The Eleusinian Mysteries were viewed as the efflorescence of all the Greek religion as the purest essence of all its conceptions The offering of bread and wine to the candidate by the Hierophant symbolised the spirit that was about to quicken matter i.e. the divine wisdom of the Higher Self was to take possession of the candidate's inner Self or Soul through what was to be revealed to him The transformation of Cybele to Ceres Demeter was the basis for the sacredness of bread and wine in ritualism Cybele is the Moon Goddess of the Athenians

Pallas or Minerva invoked in her festivals as Monogenes Theou the One Mother of God and Virgin Queen of Heaven Esoterically Cybele is Kabeiros a representative of the Phoenician Kingly Race The Hierophant was always an old unmarried man This and so many other features of the great archaic system known as the Sacred Wisdom Science have been appropriated by the Romish Church One of the greatest mysteries is how the ever immaculate and yet ever prolific Divine Virgin who fecundated by the fructifying rays of the Sun becomes the Mother of all that lives and breathes on her vast bosom Her very Breath is Akasha tattva or Universal Essence i e Vital Electricity Life itself The Mysteries are fragments of a grand pre historic Philosophy as old as the world itself They are not only the foundation stone of modern Philosophy they also gave birth to hieroglyphics as permanent records were needed to preserve and commemorate their secrets The fact that the Sanskrit and Greek words for Initiation to the Greater Mysteries Avapta and Epopteia imply revelation not by human agent but by receiving the Sacred Drink points out to the pre Vedic origin of the Eleusinia A cup of Kykeon quaffed by the Mystes at the Eleusinian Initiation forcibly connects the inner highest spirit of man which spirit is an angel like the mystical Soma with his irrational soul or astral body and thus united by the power of the magic drink they soar together above physical nature and participate during life on earth in the beatitude and ineffable glories of Heaven One well versed in the esoteric mythologies of various nations can trace the Mysteries back to the ante Vedic period in India Only those of the strictest virtue and purity were admitted Those who consciously engaged in Black Magic or were responsible for homicide whether accidental or not and other evil acts were excluded Every approach to the Mysteries was guarded with the same jealous care everywhere and the penalty of death was inflicted upon Initiates of any degree who divulged secrets entrusted to them Why Truth keeps hiding like a tortoise within her shell Because Truth is too dangerous even for the highest Lanoo No one can be entrusted with full knowledge of the Secret Science before his time In Egypt the Mysteries had been known since the days of Menes The Greeks received them much later when Orpheus introduced them from India Thus even in the days of Aristotle few were the true Adepts left in Europe and even in Egypt While darkness fell upon the face of the profane world there was still eternal light in the Adyta on the nights of Initiation Athenians the real barbarians of Hellas charged schylus with sacrilege and condemned him to be stoned to death because they claimed having been uninitiated he had profaned the Mysteries by exposing them in his trilogies on a public stage But he would have incurred the same condemnation had he been initiated Every truth revealed by Jesus and which the Jews and early Christians understood was concealed by a Church that has always pretended serving Him To deprive the Greeks of their Sacred Mysteries which bind in one the whole of mankind was to render their very lives worthless to them Blessed is he who has seen these things before he goes beneath the hollow earth for he understands the end of mortal life and the beginning of a new life The Lesser grades of Eleusinia symbolised the descend of Persephone Ceres Demeter s daughter to earth and were preparatory to Greater Mysteries when the daughter returns to her divine abode and is finally reunited with her mother Similarly Northern Buddhism has its Greater

and its Lesser vehicle the Mahayana or Esoteric and the Hinayana or Exoteric School The object of the Lesser Mysteries was to instruct the candidate about the condition of the unpurified soul invested with an earthly body and enveloped in a material and physical nature that until and unless purified by high philosophy and ethics is destined to suffer pain and death through its attachment to embodied life Selfishness is the prisoner of the divine soul Physical body is the prison And real hell is life here on earth The Book of Job is a complete representation of ancient Initiation and the trials which generally precede this grandest of all ceremonies Still the cunning translators of the Hebrew Bible imply that Job's Champion Deliverer and Vindicator was Messiah Nothing could be further from the truth With the Hindus the real Champion and Deliverer is Atman with the Neo Platonists Nous Augoeides with the Buddhists Agra with the Persians Ferouer The true Champion is the immortal spirit in every man It alone can redeem our soul and save us from ourselves if we follow its behests instead of squandering our divine inheritance by pandering to our lower nature There were two classes of participants the Neophytes and the Perfect And two castes of Magi the initiated and those who were allowed to officiate in the popular rites only Neophytes first taught in upper temples were initiated in crypts Oral instructions were given at low breath in solemn silence and secrecy Jesus and Paul classified their doctrines as esoteric and exoteric The Mysteries of the Kingdom of God for the Apostles the parables for the multitude Aristides calls Mysteries the common temple of the earth Epictetus says that all that is ordained therein was established by the Masters of Wisdom for the instruction of mortals and the correction of their customs Plato asserts that the object of the Mysteries was to re establish the soul in that state of perfection from which it had fallen Baptism was one of the earliest Chaldeo Akkadian rites of inner purification Candidates were immersed thrice into water by Hydranos the Baptist At the Mysteries of the Anthesteria at limnai i e the Feast of Flowers at the temple lakes after the usual baptism by purification of water the Mystai were made to pass through to the gate of Dionysus that of the purified After their Second Birth was accomplished and the Mystai had returned from their baptism in the sea the Tau or Egyptian cross was laid upon the breast The Mysteries of the Jews were identical with those of Pagan Greeks who took them from the Egyptians who borrowed them from the Chaldaeans who got them from the Aryans who inherited them from the Atlanteans and so on But what Gods and Angels had revealed exoteric religions beginning with that of Moses reviled revealed and hid for ages from the sight of the world The lure of lucre was the final nail in the coffin of the Eleusinia An Athenian demagogue and sycophant whose eloquence was described as of a coarse and vehement character degraded the Sacred Mysteries by persuading the State to levy a charge for those seeking admission to higher life Thus initiation had become a commodity and as necessary as baptism has since become with the Christians The first hour for the demise of the Mysteries struck on the clock of the Races with the Macedonian conqueror The first strokes of its last hour sounded 47 BCE in the Thebes of the Celts But the Mysteries of Eleusis could not be so easily disposed of They were indeed the religion of mankind and shone in all their ancient splendour if not in their primitive purity It took several centuries to abolish them and they could not be

entirely suppressed before the year 396 of our era The Eleusinian Mysteries were archaic Wisdom Religion dressed in Greek garb Prehistoric Greece was colonised by two great Indian races the Solar and the Lunar dynasties Springing up from the kingdoms of Cashmir and Tibet the prehistoric colonists of Greece consisted of the two great primitive and radical races of Aryavarta the Solar or ancient Budhistic dynasty Surya Vansa and the Lunar dynasty Chandra Vansa The former were the earliest settlers in Greece and their religious exponents appear to have been the Dodan or Brahmanical priests of the great tribe Doda As history progressed the original Lamaic system of religion has been so much modified and so far compromised as to be compelled to seek refuge in the asyla of the Grecian Mysteries instead of the state position it once occupied Inside Greece Bacchus was a prosonym of Zagreus the successor of the Lamaic sovereignty in whose service was Orpheus the founder of the Mysteries Outside Greece Bacchus was the Tartarian Jupiter Hammon whose Lamaic worship accompanied the emigrants of Tartary to Egypt In Budhistic belief the young Lama is born again from the consort of the Jaina Pontiff Semele or Su Lamee the Great Lama Queen The Eleuth Chiefs who spread the Lamaic doctrines in the Attic territory became Eleusine Their forms of worship and Tartar ceremonials composed the staple of the celebrated Eleusinian Mysteries The high born Brahmans or Culini lived on the Peloponnesian Mount Cyllene The Mysteries were communicated to Culyus Celeus ruler of the land of the Rarhya by Demeter herself Yet the Greeks besmirched their noble ancestry by belittling their Hierophants as troglodytes Three Hierarchs represented Budhistical and Brahmanical power Two orders of priests officiated over the initiations The descendants of the High Budha Priest or Eumolpidai and the Budhist Keerukos or Keryx the sacred herald of the Greeks the latter aided by the daughters of the late Eleusinian high caste king Culyus or Celeus Modern Greek authors who treat Eleusinian worship as mysteries rather than the old national form of worship name those admitted to the Lesser Mysteries as Mokshtai or Mystai from the Budhist word Moksha After taking an oath of secrecy to preserve the old religion of the country against the more attractive heresy of Homer and his popular gods those admitted to the Greater Mysteries were styled avapta or epoptai Iacchos Bacchos properly Yogin who appeared on the sixth day of the Mysteries is none other than Dio Nausho or Dionysos son of the Jaina Pontiff Jeyus and the Great Lama Queen Soo Lamee or Semele Couros a prosonym of Iacchos is Gooros or Guru a spiritual teacher Hence Demeter is styled by the Greeks Couro trophos or Guru nurse Erectheus Poseidon was worshipped jointly with Athene and is identified with Poseidon or Po Sidhan Prince of all Saints Chief of Saidan and Prince of Sidon Saidan Eracland and Ph nicia are in close proximity to Afghanistan Sidan is repeated in the Ph nicia of Palestine Poseidon was worshipped jointly with Adheene the Virgin Queen of Heaven modified by the Greeks as Athene She is the Egyptian Neeti corruptly written Neith The mysterious name of Onge Athene was also derived from AUM the Triple Fire representing the highest Tetraktys
