Obscenity And Public Morality Censorship In A Liberal Society:

Obscenity and Public Morality Harry M. Clor, 1969 *Bulletin of the Atomic Scientists*, 1970-05 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin's iconic Doomsday Clock stimulates solutions for a safer world

Obscenity and public morality censorship in a liberal society Harry M. Clor, **The Repeal of Reticence** Rochelle Gurstein, 2016-01-05 At a time when America's faculties of taste and judgment along with the sense of the sacred and shameful have become utterly vacant Rochelle Gurstein's *The Repeal of Reticence* delivers an important and troubling warning Covering landmark developments in America's modern culture and law she charts the demise of what was dismissively called gentility in the face of First Amendment triumphs for journalists sex educators and novelists from Margaret Sanger's advocacy of birth control to Judge Woolsey's celebrated defense of Ulysses Weaving together a study of the legal debates over obscenity and free speech with a cultural study of the critics and writers who framed the issues Gurstein offers a trenchant reconsideration of the sacred value of privacy **Intellectual Freedom and Censorship** Frank W. Hoffmann, 1989 Listings are grouped into five parts covering the theoretical foundations of censorship and intellectual freedom key court cases professions concerned with intellectual freedom procensorship anti censorship individuals and groups cases of censorship in the mass media The latter section will be *The New Politics of Pornography* Donald Alexander Downs, 1989-11-30 Fresh empirical evidence of pornography's negative effects and the resurgence of feminist and conservative critiques have caused local state and federal officials to reassess the pornography issue In *The New Politics of Pornography* Donald Alexander Downs explores the contemporary antipornography movement and addresses difficult questions about the limits of free speech Drawing on official transcripts and extensive interviews Downs recreates and analyzes landmark cases in Minneapolis and Indianapolis He argues persuasively that both conservative and liberal camps are often characterized by extreme intolerance which hampers open policy debate and may ultimately threaten our modern doctrine of free speech Downs concludes with a balanced and nuanced discussion of what First Amendment protections pornography should be afforded This provocative and interdisciplinary work will interest students of political science women's studies civil liberties and constitutional law **Real and Imagined Worlds** Morroe Berger, 1977 **Democracy and Deliberation** Cary Federman, 2021-06-15 Balancing law and rights in sex offender legislation **Universal Standards for Defining Obscenity** Long Cheng, 2025-03-31 In the existing literature there is no universal standard for defining obscenity The book aims to demonstrate that there indeed exist underlying universal standards for defining obscenity USDOs However their application to different contexts of time place and culture may legitimately result in varied manifestations The author examines a definition of obscenity proposed by the political and legal theorist Harry M Clor within John Finnis natural law theoretical framework He also explores how positive law including legislation case law and customary law should respond to

the proposed USDOs The book addresses the theoretical foundation of the determination and regulation of obscenity and it is supplemented with examples of legal practices from several jurisdictions such as the United States the United Kingdom Canada and Germany The book will appeal to scholars of legal philosophy natural law theories obscenity law and free speech

Research in Education ,1970-12 *Resources in Education* ,1970 **Keeping the People's Liberties** John J.

Dinan,2021-10-08 Which branch of government should be entrusted with safeguarding individual rights Conventional wisdom assigns this responsibility to the courts on the grounds that liberty can only be protected through judicial interpretation of bills of rights In fact it is difficult for many people even to conceive of any other way that rights might be protected John Dinan challenges this understanding by tracing and evaluating the different methods that have been used to protect rights in the United States from the founding until the present era By examining legislative statutes judicial decisions convention proceedings and popular initiatives in four representative states Massachusetts Virginia Michigan and Oregon Dinan shows that rights have been secured in the American polity in three principal ways Throughout the eighteenth and nineteenth centuries rights were protected primarily through representative institutions Then in the early twentieth century citizens began to turn to direct democratic institutions to secure their rights It was not until the mid twentieth century that judges came to be seen as the chief protectors of liberties By analyzing the relative ability of legislators citizens and judges to serve as guardians of rights Dinan s study demonstrates that each is capable of securing certain rights in certain situations Elected representatives are generally capable of protecting most rights but popular initiatives provide an effective mechanism for securing rights in the face of legislative intransigence and judicial decisions offer a superior means of protecting liberties in crisis times Accordingly rather than viewing rights protection as the peculiar province of any single institution this task ought to be considered the proper responsibility of all these institutions By undertaking a comparison of these institutional methods across such a wide expanse of time *Keeping the People s Liberties* makes a highly original contribution to the literature on rights protection and provides a new perspective on debates about the contemporary role of representative populist and judicial institutions **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1972

Conservative Thought and American Constitutionalism Since the New Deal Johnathan O'Neill,2022-11-29 In this work of intellectual history the author identifies four transformations in federal government that followed the New Deal the rise of the administrative state the erosion of federalism the ascendance of the modern presidency and the development of modern judicial review He then considers how schools of conservative thought traditionalists neoconservatives libertarians Straussians responded to each transformation *The SAGE Encyclopedia of Business Ethics and Society* Robert W. Kolb,2018-03-27 Thoroughly revised updated and expanded The SAGE Encyclopedia of Business Ethics and Society Second Edition explores current topics such as mass social media cookies and cyber attacks as well as traditional issues including accounting discrimination environmental concerns and management The new edition also includes an in depth examination

of current and recent ethical affairs such as the dangerous work environments of off shore factories for Western retailers the negligence resulting in the 2010 BP oil spill the gender wage gap the minimum wage debate and increasing income disparity and the unparalleled level of debt in the U S and other countries with the challenges it presents to many societies and the considerable impact on the ethics of intergenerational wealth transfers Key Features Include Seven volumes available in both electronic and print formats contain more than 1 200 signed entries by significant figures in the field Cross references and suggestions for further readings to guide students to in depth resources Thematic Reader s Guide groups related entries by general topics Index allows for thorough browse and search capabilities in the electronic edition The Language of Sex: Saying & Not Saying José Santaemilia,2005 The language of sex saying Helen Sauntson analitza com es construeixen les diverses identitats sexuals heterosexuals gais lesbianes en converses informals Dolores Jim nez estudia el llenguatge utilitzat en l'cole des filles ou la philosophie des dames 1655 novel la pornogràfica an nima francesa Juan Jos Calvo descriu els or gens antropològics històrics i lingüístics del concepte de tab i dels usos d eufemismes Francisco S nchez Benedito repassa els tipus principals d eufemismes utilitzats en anglès per a descriure els rgans i actes sexuals Patricia Alabarta il·lustra l eufemisme i l ambigüitat sexual en una sèrie de titulars de les edicions britànica americana i espanyola de la revista Cosmopolitan

Literary Obscenities Erik M. Bachman,2018-03-22 This comparative historical study explores the broad sociocultural factors at play in the relationships among U S obscenity laws and literary modernism and naturalism in the early twentieth century Putting obscenity case law s crisis of legitimation and modernism s crisis of representation into dialogue Erik Bachman shows how obscenity trials and other attempts to suppress allegedly vulgar writing in the United States affected a wide ranging debate about the power of the printed word to incite emotion and shape behavior Far from seeking simply to transgress cultural norms or sexual boundaries Bachman argues proscribed authors such as Wyndham Lewis Erskine Caldwell Lillian Smith and James T Farrell refigured the capacity of writing to evoke the obscene so that readers might become aware of the social processes by which they were being turned into mass consumers voyeurs and racialized subjects Through such efforts these writers participated in debates about the libidinal efficacy of language with a range of contemporaries from behavioral psychologists and advertising executives to book cover illustrators magazine publishers civil rights activists and judges Focusing on case law and the social circumstances informing it Literary Obscenities provides an alternative conceptual framework for understanding obscenity s subjugation of human bodies desires and identities to abstract social forces It will appeal especially to scholars of American literature American studies and U S legal history

Hollywood's Tennessee R. Barton Palmer,William Robert Bray,2009-04-01 No American dramatist has had more plays adapted than Tennessee Williams and few modern dramatists have witnessed as much controversy during the adaptation process His Hollywood legacy captured in such screen adaptations as A Streetcar Named Desire Cat on a Hot Tin Roof and Suddenly Last Summer reflects the sea change in American culture in the mid twentieth century Placing this body of work

within relevant contexts ranging from gender and sexuality to censorship modernism art cinema and the Southern Renaissance Hollywood's Tennessee draws on rarely examined archival research to recast Williams's significance Providing not only cultural context the authors also bring to light the details of the arduous screenwriting process Williams experienced with special emphasis on the Production Code Administration the powerful censorship office that drew high profile criticism during the 1950s and Williams's innovative efforts to bend the code Going well beyond the scripts themselves Hollywood's Tennessee showcases findings culled from poster and billboard art pressbooks and other production and advertising material The result is a sweeping account of how Williams's adapted plays were crafted marketed and received as well as the lasting implications of this history for commercial filmmakers and their audiences

Mass Communication and Journalism in India Mr. D.S. Mehta, 1979-09-06 In addition to making a comprehensive survey of journalism other mass media and public relations in India Mehta discusses such issues as freedom of the press press laws and developments in the international regulation of the media His book is also a bibliography and a sourcebook of information on advertising codes accreditation rules for media representatives and other information on Indian media and journalism

Cairo in Chicago Istvan Ormos, 2021-05-01 Built as a temporary structure and made of ephemeral materials Cairo Street had a dual nature On the one hand it was a purely scientific installation a piece of anthropology On the other it became the most popular entertainment venue at the World's Columbian Exposition of Chicago 1893 a place where people went wild with excitement Far from being a copy of any actual street it was an assemblage of authentic architectural elements put together in such a way as to conjure up the atmosphere of the Arab Islamic metropolis the city of the Thousand and One Nights Its impact was greatly enhanced by the presence of local Cairo inhabitants who plied their trade some of them with their camels donkeys monkeys and even snakes The belly dancing on Cairo Street caused an enormous stir many claimed that it was immoral and called for its immediate suspension others regarded it as a performance of important scientific and ethnological value It was never suspended and people flocked to see it An immense amount has been written about world's fairs This monograph represents a novel approach in that it subjects a single project the Cairo Street to detailed analysis placing particular emphasis on interpreting it within the context of the Fair as a whole What was the great uproar about the belly dancing What motivated it In order to answer these questions this monograph attempts to offer a complex multi faceted interpretation within the context of the society of the time Cairo Street was the sensation of the World's Columbian Exposition a fair which many sold their stoves mortgaged their houses spent their life savings or their funeral money to see This monograph is enhanced with a ground plan and 168 illustrations
