The Book of Psalms Nancy L. deClaissie-Walford, Rolf A. Jacobson, Beth LaNeel Tanner, 2014-12-12 This work by Nancy deClaissie Walford Rolf Jacobson and Beth Tanner is the most complete and detailed one volume commentary available on the Psalms Significantly the volume reflects the combined insights of three superior younger biblical scholars DeClaissie Walford Jacobson and Tanner offer a succinct introduction to the Psalter a new translation of all the psalms that takes special account of the Dead Sea Scrolls and individual entries on each psalm unit Throughout the book they draw on state of the art research on the canonical shape and shaping of the Psalter and evidence a nuanced attention to the poetic nature of the psalms

A Commentary on ROMANS David Pawson, 2015-08-11 Why would Paul write his longest letter to a church he had not founded or even visited This expositor believes the answer lies in its history culminating in a major crisis which could have split the whole church into two denominations Originally Jewish Acts 2:10-11 it soon attracted Gentiles who were left on their own when Claudius evicted all Jews Acts 18:2 In their absence a teaching emerged which we now know as Replacement Theology believing that God has rejected the Jews and turned instead to the Christian Church as his chosen people on earth a view which alas is now

widespread Paul's carefully argued answer shows how much believing Jews and Gentiles have in common both in sin and salvation in flesh and Spirit This approach treats Chapters 9-11 divisions never in his letter as an integral part of his appeal reaching its climax in a threefold challenge to the arrogance of the Gentile believers in Rome 11-18-20-25 in not warmly welcoming back into the fellowship the Jews who were allowed to return under Nero This key unlocks the whole epistle from the solemn warning that believers can lose their salvation 11-20-22 to the careful instruction on how to live with disputable matters such as diet and days 14-15-13 and ends with so many commands to greet each other with a holy kiss 16-16

However as with most of Paul's practical counsel all this is firmly rooted in sound gospel theology *Outlook* Alfred

Serials and Contributions to Periodicals [The Lord's Prayer](#) David Pawson, 2015-02-02 The author writes The so called Lord's Prayer is full of surprises For one thing the Lord could never have used it himself with its central and longest plea for forgiveness Though he gave it as a model for private prayer it has become the most common corporate liturgy of the church Its brevity is striking consistent with his criticism of pagan devotions with their many words Above all it is comprehensive covering all the basic concerns of a Christian while clearly indicating that these should cover God's needs honour and loyalty before his or her own God and forgiveness Even though it begins with God whom Jesus called my Father but we must say our Father it ends with the devil deliver us from the evil one It is for weekdays rather than Sundays Try using it for a month

Angels David Pawson, 2015-02-12 Angels may seem a bit unreal to some people One day they will be terribly real to you One day you won't question whether Mr Pawson knew what he was talking about One day you will meet either the good ones or the bad ones face to face and know that you will be living with them for evermore If you are not living with the good ones it won't be anybody's fault but your own for you have heard the truth and the gospel is for everyone who believes Jesus died to open the kingdom of heaven to all believers
