No...I Won't Go There Donald H. Ledbetter Th.D.,2021-07-26 In this writing we have considered how Jesus set the pattern for our early Christian faith in the Great Commission and how a spiritual battle can be expected as we learn to overcome the old sin nature We learn that the baptism by the Holy Spirit occurs when the Holy Spirit immerses the new believer spiritually into the death of Jesus on the cross As the new believer surrenders to the indwelling Christ the filling of the Holy Spirit is experienced However when we sin against the Holy Spirit by lying to grieving or quenching Him our fellowship with Jesus is broken and must be restored by confessing our sin Because we have the power of

the resurrected Christ living in us we begin our new life in Christ from the position of victory seated together with Jesus in heavenly places Even though we have this position of victory we are tempted by the old sin nature but a way of escape is provided by our saying No I won't go there to the temptation Through this journey we learn to surrender our all to Jesus so He becomes our life as we live each day here on this earth When we do this Jesus lives His life through ours It is my earnest prayer this book will enable us to understand how much God loves us and who we have become in Christ Because of who Christ is in us through the Holy Spirit we have the authority to say no to the temptation of sin When Jesus is our life we live with joy peace and victory in our hearts whatever the circumstances of life may be *Lessons to Live By* EE

Believed? (Acts 19:2) Bob McArthur,2011-06-08 Do you know how to lead someone to Christ This book will make you think again Do you know the gospel message Do you know the purpose for church leaders Are you fully birthed into the family of God Did you receive the Holy Spirit when you believed Think again That is what this book will challenge you to do The Rev Paul Hoyt a retired Church of the Nazarene pastor said of the book My mind is being challenged and stretched The question is simply What does the Bible say about how New Testament believers became Christians What were their experiences and what does the Bible say they believed and understood about those experiences This book will challenge you to rethink commonly held positions and universally understood practices and beliefs Don't be alarmed This book is completely Jesus

focused The age old biblical truths about Christ are not being challenged Jesus is God the second person of the triune Godhead born of a virgin crucified and resurrected bodily and spiritually to new life His blood cleanses mankind of all sin no one comes to God except through Him and the Bible is the Word of God But the evangelistic message and experiences of the Bible of those early believers about this saving Jesus should correspond to the thought and practice of present day evangelism The disparity however might surprise you This book will help the Church get back to a New Testament evangelism that has somehow been lost along the way Foolish No More! Ted Haggard,2010-08-04 How a 2 000 year old letter can revolutionize your life The Apostle Paul was a wise saint who often revealed a crusty attitude especially when the truth of the gospel was under attack So when he penned his letter to his dear children in the faith the Galatians his frustration over their warped thinking had him about to blow his top Though he tried to restrain himself he couldn t help but call them foolish Paul simply could not understand how any follower of Christ adopted by faith into the most free and exciting life possible could want to go back to the old way of bondage to rules and regulations You d think by now two thousand years later things would have changed But even today Christians just can t seem to get the revolutionary message of spiritual freedom and power advocated in the book of Galatians In Foolish No More Ted Haggard senior pastor of New Life Church in Colorado Springs and president of the National Association of Evangelicals retraces Paul s arguments to make the clear case for breathtaking freedom in Christ So wise up Discover how to put off the old ways and walk in the Spirit enjoy freedom in Christ and wield the power of God on behalf of His Kingdom **Baptism** Morris Vaagenes,2006 Baptism a universal Christian activity should be a mark of unity yet practice and theology are often divisive The Author explores the biblical foundations for Baptism and explains the various modes of Baptism to provide assurances that God is at work through the water and the word His thesis is that through baptism a person enters into a new life with a new relationship to god It is an abundant life Christians often deal with baptism in relation to death What happens to those who die unbaptized the early church would more likely have asked What happens to those who live without baptism The point comes through over and over again in this book that baptism is a baptism unto life From Scripture and from broad pastoral experience Morris Vaagenes unfolds an appreciation of baptism both for everyday life and for eternal life
