Poems have a way of taking our joy, love, faith, hope, fear, sadness, and all our other emotions and preserving those moments forever. They help to lighten a heavy heart and warm a cold one. I have enjoyed writing every poem in this book, whether I wrote it with tears in my eyes, love in my heart, or a big smile on my face. Each poem shares the emotions that were felt at that time. I believe that once you start reading them, you'll be able to relate with many of them. Now go get comfortable and enjoy reading. **When Skies Are Gray** Lindsey M. Henke, 2025-07-30 Lindsey Henke is freshly married and a newly practicing psychotherapist when she finds out she is pregnant with her first child. Nine months later, on a cold Minnesota night in December 2012, after a perfect pregnancy, Lindsey goes into labor, only to be told upon arrival at the hospital that her baby has no heartbeat. After the stillbirth of her daughter, Lindsey grapples with the unbearable agony of losing a child. Unprepared to cope with a sorrow this deep, she uses the only tools she has: her skills as a therapist to plot her own path through grief. Over the next year and half, as Lindsey mourns the loss of one child while simultaneously trying to hold space for the joy of expecting another baby, she learns that grief can live side by side with joy. **When Skies Are Gray** offers a poignant message to any mother who is grieving: Your pain is real.
