Our Lives, Our Fortunes J. E. Fender, 2009-12-15 Geoffrey Frost participates in a key battle of the American Revolution in the latest installment of the Frost Saga **Our Lives, Our Fortunes and Our Sacred Honor** Richard R. Beeman, 2013-05-07 In 1768 Philadelphia physician Benjamin Rush stood before the empty throne of King George III overcome with emotion as he gazed at the symbol of America's connection with England Eight years later he became one of the fifty six men to sign the Declaration of Independence severing America forever from its mother country Rush was not alone in his radical decision many of those casting their votes in favor of independence did so with a combination of fear reluctance and even sadness In *Our Lives Our Fortunes and Our Sacred Honor* acclaimed historian Richard R Beeman examines the grueling twenty two month period between the meeting of the Continental Congress on September 5 1774 and the audacious decision for independence in July of 1776 As late as 1774 American independence was hardly inevitable indeed most Americans found it neither desirable nor likely When delegates from the thirteen colonies gathered in September they were in the words of John Adams a gathering of strangers Yet over the next two years military political and diplomatic events catalyzed a change of unprecedented magnitude the colonists rejection of their British identities in favor of American ones In arresting detail Beeman brings to life a cast of characters including the relentless and passionate John Adams Adams much misunderstood foil John Dickinson the fiery political activist Samuel Adams and the relative political neophyte Thomas Jefferson and with profound insight reveals their path from subjects of England to citizens of a new nation A vibrant narrative *Our Lives Our Fortunes and Our Sacred Honor* tells the remarkable story of how the delegates to the Continental Congress through courage and compromise came to dedicate themselves to the forging of American independence *Our Lives, Our Fortunes, Our Sacred Honor* Tom Haran, 2010-05-17 Mike O Gara is 15 years old when he is sentenced to be transported to America aboard a ship carrying other prisoners and bond slaves When the ship is badly damaged and left sinking by a horrendous storm 9 men and Mike head for the Azores in a skiff with little water and food A few days later a fish is caught and shared while the bloody oily guts are rubbed on 5 of the sun burnt men who later bathe in the water near the skiff Sharks are attracted and the bathers are eaten After 19 days in the skiff the 5 survivors are picked up by a British merchant ship headed for America At Fredricksburgh Virginia Mike stands on the auction block and is sold as an indentured servant committed to 4 years labor at Newhart Plantation as a stable man When the Master of the plantation sees that his daughter is attracted to Mike he enlists him in the Virginia militia under the command of Lieutenant Colonel George Washington who has been ordered to drive the French out of the fort they have established at the Forks of the Ohio Pittsburgh This ignites what becomes The French and Indian War Although Mike is badly wounded he recovers completely goes through many dangerous adventures and becomes Captain of General Washington's bodyguard in the Revolutionary War when the Continental Army forces the British Army to board ships in Boston Harbor and leave America The Declaration of Independence ,1993
