The Ministry of the Word, Vol. 26, No. 03 Various Authors, 2023-03-03 This issue of The Ministry of the Word contains the first eight of the sixteen messages given during the fall 2021 term of the full time training in Anaheim California The general subject of this series of messages is Chapters Five through Eight of Romans the Kernel of the Bible These first eight messages and the subsequent eight messages published in an upcoming issue will focus on Romans 5 and 6 This general subject will then be continued in the messages of the spring 2022 term and will focus on Romans 7 and 8 The life and death form two contrasting lines in chapters 5 through 8 showing that man is at the center of a triangular situation between God and Satan that is between life and death The tree of life and the tree of knowledge the tree of death issue in two lines the line of life and the line of death that run through the entire Bible and consummate in the book of Revelation The line of life begins with the tree of life in Genesis 2 and issues in the New Jerusalem in Revelation 22 as the city of the water of life with the tree of life the light of life and the glory of life Similarly the line of death begins with the tree of the knowledge of good and evil in Genesis 2 and ends with the lake of fire in Revelation 20 The kernel of the Bible is that Christ has been revealed into us as life and that we live have our being and exist by Christ as the divine life God put us into Christ with the desire that we would be transformed and conformed to the image of His Son so that we might be thoroughly one with Christ In this way we are built up together as the living Body of Christ to contain and express Christ for the Father s glory and for our glorification in Christ Romans 5 reveals that the result of our justification is the full enjoyment of God in Christ as our life The Ministry of the Word, Vol. 21, No. 04 Various Authors, 2017-04-01 This issue of The Ministry of the Word contains the first eight messages given during the fall 2016 term of the full time training in Anaheim California The general subject of this series of messages is The Failures in the Churches the Degradation of the Church the Overcomers in the Church the Recovery of the Church and the Stages of the Church This issue comprises the first three components of this fivefold subject This general

subject unveils the decline of the church and illuminates our need to return to the orthodoxy of the church. The term orthodoxy refers to God's way for the church as ordained by Him and revealed in His Word. The practice of the church that is according to God's original intention was present in the early years of the church before degradation set in. We may say that orthodoxy is the equivalent of the word normal. Thus the orthodoxy of the church is the normal Christian church life. The overcomers are normal Christians in a time of abnormality. Moreover, the principle of returning to the orthodoxy is the same as that of recovery. In order to be faithful to the Lord and to His word, we must forsake mere tradition and return to what God originally intended for the church. Concerning the actual practice of the church life, three particular matters must become clear to us and real within us. First, we need to have a genuine vision of the church and see the church as the Lord Himself sees the church. From the Scriptures that have been opened and rightly expounded to us through the ministry, may we have the veil lifted from our heart, receive the shining of the divine life, and have the sight under the anointing. Then we will begin to realize what the church is to Christ and how He views the church in its actual condition. In Revelation 2 and 3, the Lord Himself addressed many matters in the church, but before doing so, He presented to John a vision of the church as golden lampstands. In the eyes of the Lord, all seven churches, including Thyatira, Sardis, and Laodicea, as actual local churches, were seven golden lampstands. This indicates that intrinsically, these seven churches were the embodiment and expression of the Triune God. Second, we need Christ's view and understanding concerning the degradation of the church. The Lord Jesus is absolutely clear about the degradation in the churches; nevertheless, it is He who regards the churches intrinsically as golden lampstands. Although the churches in their history and actual practice may be degraded in various ways, we need to see everything not from our natural perspective but as the Lord sees. Third, we need to know and carry out His way to care for the church in its condition. We are able to do so because we are governed by the vision of the church and have the Lord's view and understanding of the degradation in the church. We need to know how to minister life, how to conquer the satanic chaos, and how to present the truth. The co-workers in particular need to learn of the Lord, how to represent Him, and how to carry out His administration to establish and maintain the order in the churches. We need to be one with the Lord to minister Him according to the various situations. Message 1 identifies that the weaknesses and failures in the churches are due to the principle of Babylon, which is hypocrisy. To overcome this principle, we must take Christ as our burnt offering. As the burnt offering, Christ is the One who is absolute for God and for His satisfaction. When we take Christ as our burnt offering and consecrate ourselves to Him, with, by, and through Him as our burnt offering, we become ashes. The ashes of the burnt offering were handled by the priests in a very stately and dignified way by placing them on the east side of the altar. The east side is the side toward the sunrise and is an allusion to resurrection. By being brought into resurrection, we are brought into the transformation of the Triune God to become gold, pearl, and precious stones, which are the building materials of the New Jerusalem. Hence, the ashes eventually become the New Jerusalem. This should be our daily experience. Messages 2 through 4

show that we need to consider the degradation of the church so that we may be inoculated against the decline This divine and mystical vaccine will prevent us from repeating the failures in the churches and from falling into degradation This inoculation will bring us back to the straight way of God s economy concerning the church We need to take the straight way to be one with the persecuted Jesus by going outside the camp and bearing His reproach The straight way is for the believers to be brought into the church in the way of life and built up in this life into the Body of Christ to bear the testimony of Jesus The Lord s recovery is for the preparation of the bride and in order for the bride to be prepared the local churches must become in reality both the Body of Christ and the one new man The Body is an organism through which the Lord can move to carry out His administration and the one new man is a corporate person who will fulfill Genesis 1:26 expressing God with His image and representing Him with His dominion In God s wise organic salvation the Body and the one new man become the bride Messages 5 through 8 consider the overcomers in the church Instead of expressing a hope that everyone in the church will suddenly become absolutely faithful to the Lord the Lord calls for overcomers The Lord Jesus Himself is the first Overcomer Rev 3:21, 5:5 and He will reproduce Himself in those who have the heart to be produced as overcomers The Reports and Announcements section of this issue contains reports from the January and February 2017 gospel trips to South Africa and Europe There is also a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe

The Ministry, Vol. 09, No. 01 Various Authors, 2005-01-01 This issue of The Ministry contains a complete record of the twelve messages given during the 2004 winter training on the Crystallization study of 1 and 2 Timothy and Titus held December 20-25 in Anaheim California The crucial truth and burden embodied in these twelve messages may be summarized in four statements 1 God s economy His household administration is to produce and constitute the Body of Christ by dispensing Himself into our being to make us the same as He is in life and nature but not in the Godhead 2 The church of God is the house of the living God the pillar and base of the truth and the great mystery of godliness God manifested in the flesh 3 We must be inoculators those who inoculate others against the decline of the church by exercising our spirit and remaining in the healthy teaching of God s economy 4 We must be inoculators those who inoculate others against the decline of the church by being a man of God with the breath of God These messages are being published immediately following the training in order that they might benefit the saints participating in the many video trainings that are held throughout the earth Because of the particular nature and length of this issue the usual section of reports concerning the Lord s move throughout the earth has been omitted We have however included a calendar giving the dates and locations of the seven Living Stream Ministry conferences and trainings the seven annual feasts for 2005 One cannot measure the benefits derived during these feasts from the Lord s rich speaking in His ministry and the mutual blending and building up of the saints and the churches in the Lord s recovery from every continent

there would be the full expression of the Triune God in the church as the reality of the Body of Christ This Body will in turn consummate in the New Jerusalem as the ultimate expression of the consummated Triune God in and through man The New Jerusalem is the church as the reality of the Body of Christ in its ultimate state and consummation To live out the New Jerusalem is to grow up into Christ the Head by the mingling of God with man and to work out the New Jerusalem is to function out from the Head for the building up of the Body of Christ Only the Body of Christ will remain forever as the unique mutual abode of God and man so that God as the Spirit and man as the bride becoming a married couple are mingled and incorporated together to be one entity a great corporate God man Thus the issue of John s mending ministry is the accomplishing of the goal of God s economy which is to obtain the enlarged universal divine human incorporation of the consummated Triune God with the regenerated believers the New Jerusalem in eternity *The Ministry of the Word, Vol. 28, No. 07: Experiencing, Enjoying, and Expressing Christ (1)* Various Authors,2024-08-31 This issue of The Ministry of the Word contains a complete record of the twelve messages given during the July 2024 semiannual training held in Anaheim California The subject of the training was Experiencing Enjoying and Expressing Christ 1 indicating that this subject will likely be continued in one or more future trainings The Key Statements on the following page embody and summarize the crucial truths and main burdens covered in these twelve messages *The Ministry of the Word, Vol. 22, No. 07* Various Authors,2018-07-01 *A Complete Concordance to the Old and New Testament : Or, A Dictionary, and Alphabetical Index to the Bible ...
