Management in Education Pauline Smith,Christine Forde,2002-06-03 This book provides an overview of some of the key issues in developing professional performance and examines critically some of the key strategies that can be used to enhance professional performance Performance Management in Kenyan Higher Education Institutions Lencer Ondijo,2023-09-23

The present study exploratively investigated the role of organizational culture in performance management practices in Kenyan higher education institutions Specifically the influence of organizational culture on the purpose and extent to which performance information is used was explored Qualitative interviews were conducted followed by quantitative surveys which were filled out by teaching and non teaching staff in various universities in Kenya The findings provide evidence of linkages between performance information use diversity of measure and organizational culture It has been established that depending on whether flexibility or control values are dominant in the culture of an institution performance information is used in varying ways Institutions where flexibility values were dominant in their organizational cultures used performance information for attention focus monitoring and decision making to a higher extent than universities where control values were dominant Institutions where Flexibility values were dominant also showed a more diverse set of performance measures than in those where control values were dominant Strategic Management for School Development Brian

Fidler,2002-09-16 Written at a very accessible and practical level this book introduces strategic management and provides self development activities to help educators develop a strategy within their own organizations **Strategic Management**

of Human Capital in Education Allan R. Odden,2011-03-01 Strategic Management of Human Capital in Education offers a

comprehensive and strategic approach to address what has become labeled as talent and human capital. Grounded in extensive research and examples of leading edge districts, this book shows how the entire human resource system in schools from recruitment to selection, placement, induction, professional development, performance management and evaluation, compensation and career progression can be reformed and restructured to boost teacher and principal effectiveness in ways that dramatically improve instructional practice and student learning. *Strategic Management of Human Capital in Education* guides educators towards putting more effective teachers, teacher leaders and principals in the country's schools, especially in poverty impacted urban and rural communities, equipping those teachers and principals with instructional and leadership expertise and rewarding and retaining those who are successful in attaining these objectives. Drawing from cases, experiences and deliberations from a national task force, this book outlines a comprehensive framework for how to transform current human resource management practices into authentic strategic talent management systems in order to improve student achievement.

Rethinking Educational Leadership Nigel Bennett, Lesley Anderson, 2003-07-11 Focusing on current research and thinking about leadership, a wide range of prominent international contributors present a rare self-critical look at their own assertions and test alternative leadership models against recent research projects. *Departments of Labor, Health and Human Services, Education, and Related Agencies Appropriations for 2014: Health and Human Services public health and research organizations; addressing Social Security Administration's management challenges in a fiscally constrained environment; children's mental health; budget hearing: Department of Health and Human Services* United States.
