Point Man Inside The Toughest Most Dea:

Special Warfare ,1994 **Fighting Elites** John C. Fredriksen,2011-12-12 From Army Rangers to Green Berets to the U S Navy SEAL team that killed Osama bin Laden this book explains what makes Special Forces special covering the rich and varied history of elite formations in American military history and describing their recruitment intense training and equipment in depth Most civilians have only a vague idea of what the U S Special Forces are all about who they are how they differ from our normal military forces what they ve accomplished throughout our history and how they operate today *Fighting Elites* A History of U S Special Forces examines the rich and varied history of U S Special Forces identifies their contributions to specific conflicts from colonial times forward and highlights their present operational excellence In this first ever reference guide to U S Special Forces military historian John C Fredriksen provides a carefully balanced presentation describing all units in their own detailed section that discusses their origins recruitment training tactics and equipment and defining military engagements if known The text also contains 20 biographical entries of noted personalities associated with special purpose activities *US Combat Shotguns* Leroy Thompson,2013-08-20 When a soldier must face multiple opponents at close quarters few weapons can match the effectiveness of the shotgun From World War I to the War on Terror the shotgun has been a devastating weapon in the hands of US troops For urban combat prisoner control and shipboard operations it remains as deadly today as it was a century ago This book examines various types from the early combat shotguns through to the riot gun and trench gun versions used in World War I So effective was the trench shotgun the Germans complained it violated the Rules of War as an inhumane weapon and threatened to execute troops captured carrying one More recently during the War on Terror shotguns have been used to clear cave complexes in Afghanistan and buildings in Iraq but especially to blow doors open during entries and searches Featuring specially commissioned full color artwork this is the story of the origins development and the use of the combat shotgun in US service from the trenches of World War I to the Korean and Vietnamese Wars and lately the cave complexes of Afghanistan *Historical Dictionary of the War in Vietnam* Ronald B. Frankum Jr.,2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible *Historical Dictionary of the War in Vietnam* emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic political social and cultural events that made the war unique While military subjects will be

fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War **Phoenix and the Birds of Prey** Mark Moyer,2022-01-18 This study explodes prevailing myths about the Phoenix Program the CIA s top secret effort to destroy the Viet Cong by neutralizing its civilian leaders Drawing on recently declassified documents and interviews with American South Vietnamese and North Vietnamese sources Mark Moyer examines the attempts to eradicate the Viet Cong infrastructure and analyzes their effectiveness He addresses misconceptions about these efforts and provides an accurate complete picture of the allies decapitation of the Viet Cong shadow government Combining social and political history with a study of military operations Moyer offers a fresh interpretation of the crucial role the shadow government played in the Viet Cong s ascent Detailed accounts of intelligence operations provide an insider s view of their development and reveal what really happened in the safe havens of the Viet Cong Filled with new information Moyer s study sets the record straight about one of the last secrets of the Vietnam War and offers poignant lessons for dealing with future Third World insurgencies This Bison Books edition includes a new preface and chapter by the author [Air University Library Index to Military Periodicals](#),1994 **The M3 "Grease Gun"** Leroy Thompson,2016-05-19 Influenced by the German MP 40 and the British Sten the 45 caliber M3 Grease Gun served as the primary US submachine gun for almost a half century Designed to replace the expensive Thompson SMG the M3 was issued to airborne troops and others during World War II thanks to its compact design with sliding wire stock An improved variant the M3A1 was favored by armored crews right up to the beginning of the 1990s seeing service in 1991 s Operation Desert Storm In Korea and Vietnam reconnaissance troops and special operations forces were at times armed with the M3A1 also available in a suppressed version and it was the first SMG issued to the US counterterrorist unit Delta Force Featuring full color artwork first hand accounts and archive and close up photographs this is the engaging story of the M3 submachine gun **Victorian Sappho** Yopie Prins,2020-12-08 What is Sappho except a name Although the Greek archaic lyrics attributed to Sappho of Lesbos survive only in fragments she has been invoked for many centuries as the original woman poet singing at the origins of a Western lyric tradition Victorian Sappho traces the emergence of this idealized feminine figure through reconstructions of the Sapphic fragments in late nineteenth century England Yopie Prins argues that the Victorian period is a critical turning point in the history of Sappho s reception what we now call Sappho is in many ways an artifact of Victorian poetics Prins reads the Sapphic fragments in Greek alongside various English translations and imitations considering a wide range of Victorian poets male and female famous and forgotten who signed their poetry in the name of Sappho By declining the name in each chapter the book presents a theoretical argument about the Sapphic signature as well as a historical account of its implications in Victorian England Prins explores the relations between classical philology and Victorian poetics the tropes of lesbian writing the aesthetics of meter

and nineteenth century personifications of the Poetess as current scholarship on Sappho and her afterlife Offering a history and theory of lyric as a gendered literary form the book is an exciting and original contribution to Victorian studies classical studies comparative literature and women s studies

Wanted Dead or Alive Benjamin Runkle,2011-08-02 Early May 2011 in a dramatic late night appearance at the White House President Obama declared that justice has been done as he announced that Osama bin Laden was dead After more than a decade of military operations across Central Asia and the Middle East the Al Qaida leader who orchestrated the 9 11 terrorist attacks was finally killed in a firefight with U S Navy SEALs in Pakistan Although this daring raid marked the end of the longest strategic manhunt in American history bin Laden was not the first individual targeted as the objective of a military campaign From Geronimo to Pancho Villa to Manuel Noriega to Saddam Hussein the United States has deployed military forces to kill or capture a single person nearly a dozen times since 1885 Part military history part action thriller and part strategic policy analysis **Wanted Dead or Alive** chronicles the extraordinary efforts of the military and intelligence agencies to bring America s enemies to justice

The Quick, the Dead and the Revived Joseph Maddrey,2016-06-22 For well more than a century Western films have embodied the United States most fundamental doctrine expansionism and depicted in a uniquely American way the archetypal battle between good and evil Westerns also depict a country defined and re defined by complex crises World War II transformed the genre as well as the nation s identity Since then Hollywood filmmakers have been fighting America s ideological wars onscreen by translating modern day politics into the timeless mythology of the Old West This book surveys the most iconic and influential Westerns examines Hollywood stars and their political stripes and reveals the familiar Western tropes which became elements in popular action science fiction and horror films This then sets the stage for the Western revival of the 1990s and a period of reinvention in the 21st century Instructors considering this book for use in a course may request an examination copy here

Letters Sent Kevin Ohi, 2015-06-20 Literary texts that address tradition and the transmission of knowledge often seem concerned less with preservation than with loss recurrently describing scenarios of what author Kevin Ohi terms thwarted transmission Such scenes however do not so much concede the impossibility of survival as look into what constitutes literary knowledge and whether it can properly be said to be an object to be transmitted preserved or lost Beginning with general questions of transmission the conveying of knowledge in pedagogy the transmission and material preservation of texts and forms of knowledge and even the impalpable communication between text and reader *Dead Letters Sent* examines two senses of queer transmission First it studies the transmission of a minority sexual culture of queer ways of life and the specialized knowledges they foster Second it examines the queer potential of literary and cultural transmission the queerness that is sheltered within tradition itself By exploring how these two senses are intertwined it builds a persuasive argument for the relevance of queer criticism to literary study Its detailed attention to works by Plato Shakespeare Swinburne Pater Wilde James and Faulkner seeks to formulate a practice of reading adequate to the queerness Ohi's book uncovers within the literary tradition Ohi identifies a radical new future for both queer theory and close reading the possibility that each might exceed itself in merging with the other creating a queer theory of literary tradition immanent in an immersed practice of reading

Notes from a Dead House Fyodor Dostoevsky, 2021-02-02 A beautiful hardcover edition of the first great prison memoir Fyodor Dostoevsky's fictionalized account of his life changing penal servitude in Siberia Translated by Richard Pevear and Larissa Volokhonsky with an introduction by Richard Pevear Sentenced to death for advocating socialism in 1849 Dostoevsky served a commuted sentence of four years of hard labor The account he wrote afterward *Notes from a Dead House* sometimes translated as *The House of the Dead* is filled with vivid details of brutal punishments shocking conditions and the psychological effects of the loss of freedom and hope but also of the feuds and betrayals the moments of comedy and the acts of kindness he observed As a nobleman and a political prisoner Dostoevsky was despised by most of his fellow convicts and his first person narrator a nobleman who has killed his wife experiences a similar struggle to adapt He also undergoes a transformation over the course of his ordeal as he discovers that even among the most debased criminals there are strong and beautiful souls *Notes from a Dead House* reveals the prison as a tragedy both for the inmates and for Russia It endures as a monumental meditation on freedom Everyman's Library pursues the highest production standards printing on acid free cream colored paper with full cloth cases with two color foil stamping decorative endpapers silk ribbon markers European style half round spines and a full color illustrated jacket
