Gerard Blokdijk

Point Of Sale:

Point of Sale Daniel Herbert, Derek Johnson, 2019-12-13 *Point of Sale* offers the first significant attempt to center media retail as a vital component in the study of popular culture. It brings together fifteen essays by top media scholars with their fingers on the pulse of both the changes that foreground retail in a digital age and the history that has made retail a fundamental part of the culture industries. The book reveals why retail matters as a site of transactional significance to industries as well as a crucial locus of meaning and interactional participation for consumers. In addition to examining how industries connect books, DVDs, video games, lifestyle products, toys, and more to consumers, it also interrogates the changes in media circulation driven by the collision of digital platforms with existing retail institutions. By grappling with the contexts in which we buy media, *Point of Sale* uncovers the underlying tensions that define the contemporary culture industries. *Case Yet Technology: digital transformation of the point of sale with the Corner Retail programme* Visconti Caparrós, José María, 2024-02-20 Company background YET Fashion Technology is a company 100% made in Spain that presents itself as a technological partner of manufacturers and points of sale with a value proposition based on people and technology to create omnichannel. <https://yetoutsourcing.com/nosotros> It is a B2B company with more than 30 years experience that has been able to create strategic alliances with its customers. YET's solutions have been used for the successful business development of its clients' products in the retail sector. On its YouTube channel <https://www.youtube.com/yetfashiontechnology> it offers its mission as 'We are the Spanish technology company that takes brands to the Retail of the Future. We are a technology partner, we develop technology. Strategically, we design the journey together. Facilitator of models, we reinvent distribution. Observatory of trends, we create from the future. We work with brands, manufacturers, franchises, and investors.
