Recent Beginner, 2009-09 This book is unique in three ways First it recognizes that bridge is a social game requiring two sets of partners Since partners need to signal what they hold in their hand it is necessary for them to establish an agreement as to what they will do in certain situations This agreement is achieved by holding a conversation with your partner Most bridge books only go that far on this subject This book presents a virtual conversation between two people who have never met and they are telling each other what they know and what they do not know This conversation is the glue that keeps them together Secondly the book recognizes that there are 4 players involved and that each player has a different role depending on which seat they occupy For example the First Seat always opens the bidding Each seat has a chapter dedicated to that role Finally everything up to the play of the tricks is foreplay This book shows 13 full deals that include the play of 13 tricks in each full deal including a strategy analysis section and a lessons learned The Casey Bridge Bidding System Ken Casey, 2020-01-22 This book incorporates the 2 1 Game Force bidding system whenever the opener bids a major suit This book is designed to improve your bidding of minor suit openings in 3 steps. The 1st step involves bids to hamper the opponents from finding their 4 4 spade fit This involves the use of the Casey overcall and the Weak 1NT opening It also involves the use of the Casey Jacoby transfer to find a 5 card major in responder s hand and the use of inverted minors The 2nd step involves adoption of the strong 2 bid a bid of 20 21p This allows the opener to use the Casey Reverse to show a hand of 16 17p by bidding at the 2 level and to show a hand of 18 19p by bidding at the 3 level The Casey Minor Rebid convention allows the opening to show a 4 card suit at the 2 or 3 level The third step involves optimizing your slam bidding with the Casey Trump Queen convention It also involves the use of the Redwood Kickback convention for minor suit contracts and the use of the Fourth Suit Forcing convention to ascertain whether opener has 5 cards in his 2nd bid minor suit Bid Better Play Better Dorothy Hayden Truscott, 2006-03-28 Revised and updated Winning advice on bidding and play for the intermediate based on five card major openings The Precision Diamond Bridge Bidding System Ken Casey, 2019-06-19 The Precision Diamond system provides a solution to the flaws in the Standard American bidding convention SAYC There are 6 notable features of my bidding system The 1st feature is the ability of the responder to show his 5 card major suit immediately using the Casey Jacoby Transfer The 2nd feature is that Precision Diamond permits the opener to show his points within a 2p range from 16 21 points using the Casey Shift and the Strong 2 opening The 3rd feature is the ability of the overcaller to show his 4 card major suit immediately by assigning 1NT to show 4s The 4th feature of Precision Diamond is the ability of the Keycard Asker in a slam contract to ascertain whether the opener has the trump queen using the Casey RKC method The 5th feature is the ability of the opener to show keycards including the trump queen at the 4 level in the case of a minor suit slam attempt using Minorwood The 6th feature is the ability of the opener to find a slam with a minor suit fit using the Casey Minor Rebid convention Bidding More Precisely Ken Casey, 2018-04-27 This book is designed to highlight the advantages and disadvantages of the three major bidding systems Standard American 2.1 and
